Re: 1150 Bell Avenue – Roof Repair

Dear Ms. Colleen Greer:

We are in receipt of your letter stating that our property located at 1150 Bell Avenue is in violation of city code ordinances.

In September of last year, we were notified that we were required to pull a permit for the roof repair we did on the property. The permit was issued on September 21, 2016, and we had one inspection done.

We did not realize that a final inspection needed to be called in. We are currently in the process of renewing the expired permit, so we can get the final inspection scheduled.

If you have any questions please feel free to contact me.

Sincerely,
