 Subject: Kayak Park

Hi Mayor,

It is my understanding that in a couple of weeks a request will be made of the City Commission to name the new City of Ft. Pierce kayak park after Sylvie Kramer-Marceau. I had the pleasure to work with Sylvie Kramer-Marceau while she was the CEO of Healthy Start and Kids Connected by Design. Ms. Kramer was a true advocate for our community and her leadership led to a great reduction of infant mortality in our community. Not only did her efforts save lives, it also greatly reduced the tax burden on our community by ensuring healthy outcomes form moms and babies. Her work and legacy lives on today in the efforts of many in the child/family advocates in our community, including myself. I believe naming the kayak park after Ms. Kramer-Marceau would be a great honor not only to her family but to the community as well.

Thanks for your consideration. Will see you soon!

Sean
