#	OTHER (PLEASE SPECIFY)	DATE
1	Venue size, parking, crowds	7/9/2018 9:14 PM
2	I love the Sunrise!!!!	7/7/2018 7:18 AM
3	The cost of the event becomes a factor. I like it when sponsors are obtained for events.	7/6/2018 10:01 PM
4	Have ideas for lots of music performers that I think would be both successful and within our budgetary reach, although of course I don't know much about the actual numbers. Just based on other small venues.	7/5/2018 2:12 PM
5	If you can improve the line up of performers, the people will come to the shows & events.	7/3/2018 1:09 PM
6	Although expensive to produce, quality content is needed and will always draw an audience. Having said that, programming needs to seek a healthy balance with affordable national acts & community needs - if the Sunrise continues to be supported by general fund tax dollars.	7/1/2018 9:13 AM
7	Prefer original musicians performance - Styx, Ann Wilson, David Crosby, Tony Bennett, Art Garfunkle, Boz Skaggs, etc. have enjoyed Ron White, Willie Nelson. This past season was sorely lacking the caliber of talent in previous years and I have been a season ticket holder since 2012. Whoever booked last years shows hopefully is no longer in charge, or I will not be renewing my membership.	6/30/2018 6:32 PM
8	Attended the Operas faithfully for years very disappointed in the Sun Rise discontinuing the Gold Coast And Treasure Coast Operas.We attend most 50s shows and name performers but do not recognize some of your performers names..Will patronize whatever shows that appeal to us and love your theatre..	6/30/2018 1:21 PM
9	Since I live in the same town as the Sunrise Theatre, the location is not important. It's a fast drive. The content is important - if it something I am not interested in seeing, I will save the money for another show. Cost of the tickets: Sometimes is matters but if want to see if bad enough I will. For the general population, cost can be a factor.	6/30/2018 9:44 AM
10	Availability and cost of parking, adequate rest room facilities	6/29/2018 11:32 PM
11	If it something we feel we will enjoy, we will attend.	6/29/2018 7:50 PM
12	Looking for quality music or shoes	6/29/2018 3:57 PM
13	The 3 most important things for us and our friends is the music, the music and the music.	6/29/2018 10:30 AM
14	I do enjoy that I can attend the show and have it end at 10 p.m.	6/29/2018 8:54 AM
15	Availability of parking; safety	6/29/2018 8:25 AM
16	Quality of the entertainment. Not a repeat every year of the same people! I used to join the theatre every year as a \$250.00 member. The show have become so bad within the past 2 years, I do not even join any more and it looks like I am not going to this year either. When any one submits a suggestion to the people that seem to choose who will be performing at the theatre, it seems as though it falls on deaf ears an they seem to only book the type of entertainment that suits them and not the majority. It is possible that it is a financial thing but after volunteering there for three years, I don't think that is it. The Sunrise is such a beautiful venue that it is a shame to see these things happening. Maybe give this some thought.	6/29/2018 7:58 AM

SUNRISE THEATRE COMMUNITY SURVEY

18	I live in San Antonio, Tx so I can only attend certain shows. Engelbert Humperdinck is my attraction and we have traveled there the last 3 or 4 times he appeared there. We have been watching for his name to pop up. We have a concert of his already scheduled at Ruth Eckert Hall in January 2019. We love Ft. Pierce and it's quaint village appeal while still being a progressive city. Cheers!	6/29/2018 12:36 AM
19	I know that every seat is a great seat!	6/28/2018 10:05 PM
20	Quality of entertainment	6/28/2018 8:52 PM
21	We love the sunrise Theatre	6/28/2018 6:37 PM
22	Have enjoyed your Broadway series for many years. Was hoping you would have In the Mood again this year..best show ever. Loved every minute and wished to see it again.	6/28/2018 5:38 PM
23	We often travel from St. Lucie to Miami, Lauderdale, WPB Tampa Orlando. to see the act we want to see. You can bet folks would travel to Ft Pierce for the right show. The theater is gorgeous	6/28/2018 5:05 PM
24	Adult venue for the baby boomers Please	6/28/2018 4:23 PM
25	Quality of entertainment. Variety of entertainment.	6/28/2018 3:56 PM
26	Type of show	6/28/2018 3:51 PM
27	quality of the entertainment	6/28/2018 3:42 PM
28	I do not attend shows I have already seen. I would like to see programming and playbills at the Sunrise Theatre stay fresh. For example, seeing Paul Anka once is enough.	6/28/2018 3:19 PM
29	Is it relevant to what I see my friends and others going to...someone recommends a good show they have seen in NYC or MI can I see it here anywhere?	6/28/2018 3:16 PM
30	Size and comfort of venue	6/28/2018 2:56 PM
31	If it's a Bluebird Production, it's got to be good! That is to say, who is presenting and their track record for quality is important.	6/28/2018 2:43 PM
32	I live on N. Hutchinson Island so I am close to the Theatre.	6/28/2018 2:39 PM
33	We live in PSL. Last season we saw shows at Sunrise, Lyric, Kravis.	6/28/2018 2:35 PM
34	The Sunrise is a jewel in the Treasure Coast area. I would survey other like theatres around the country to see what makes them successful.	6/28/2018 2:29 PM
35	We are retired	6/28/2018 2:29 PM
36	What the Venue is (weather considerations, handicap accessibility, seating, etc.)	6/28/2018 2:29 PM
37	Great venue! Fortunate to have it. Not having to travel to WPB, MELBOURNE, or ORLANDO is huge. Many fine restraints near by.	6/28/2018 2:25 PM
38	Love the good blues and rock concerts and big names like Joan rivers, Tim Conway.	6/28/2018 2:06 PM
39	Desire to support local theater.	6/28/2018 2:00 PM
40	We see shows at the Kravis Theatre, Riverside, Kings, and we even go to Tampa, but I prefer to stay in my own backyard.	6/28/2018 1:59 PM
41	Bigger name music acts....classic rock, younger, etc.	6/28/2018 1:55 PM
42	We've enjoyed some tremendous live performances at Sunrise. Hope they will continue this venue. Sunrise is famous for the great live music and dancing performances. Outstanding.	6/28/2018 1:55 PM
43	Good shows— we will be there	6/28/2018 1:54 PM
44	We're in West Palm Beach, and though we love the theatre, it is a long drive.	6/28/2018 1:47 PM
45	More diversity in your shows. Gear towards 30s and 20s . Get some concerts in there that youth would enjoy, local bands too. Ideas: stick figure, revolution, kashed out, comedy shows, plays for toddlers.	6/28/2018 12:06 PM
46	Plays!! Good ones!! Current road shows!	6/28/2018 8:47 AM
47	New shows	6/28/2018 8:40 AM
48	Is the theatre set up to have plays and/or musical productions? Some variety besides music and comedy performances would be nice.	6/20/2018 7:07 PM

SUNRISE THEATRE COMMUNITY SURVEY

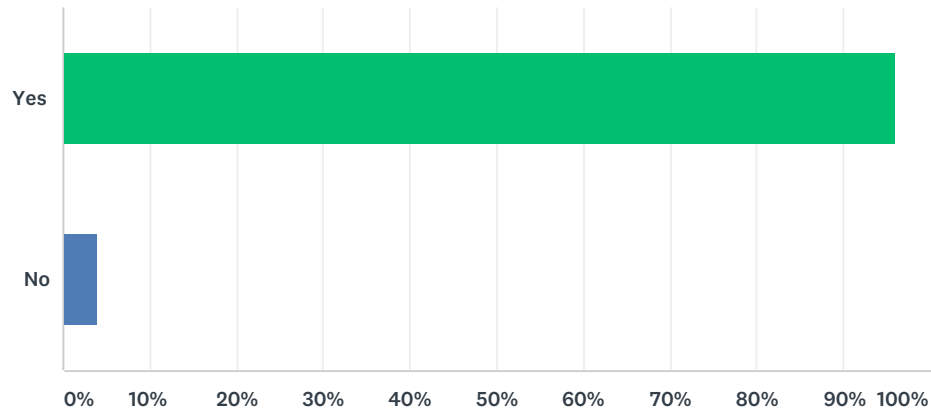

49	They don't often have a show that I am interested in seeing. But, when they do I can seldom afford the price of the ticket.	6/19/2018 5:07 PM
50	Whether drinking is allowed inside the theater. If it is, we will pass. The Sunrise is notorious for over-serving patrons and having shows full of rowdy drunks.	6/14/2018 9:19 PM
51	It also depends on the show.	6/9/2018 5:16 PM
52	We love eating in downtown Ft. Pierce and going to a show at the Sunrise	6/7/2018 5:34 PM
53	Just moved here.Thrilled to know you r nearby.Intend to attend a lot!	6/7/2018 11:22 AM
54	I live near Tradition. We don't mind the drive.	6/6/2018 1:40 PM
55	Enjoy the performance Which Impacts all of the above	6/4/2018 6:55 PM
56	I don't live far from the Sunrise Theatre so travel distance is not an issue.	6/3/2018 10:53 PM
57	If it is a quality and rare to see show travel, price and date and time seldom matter if I really want to attend this event.	6/3/2018 8:57 AM
58	I prefer a local venue at night but will travel if it's an event I really want to attend	6/2/2018 1:22 PM
59	As parents of young children it's hard to get away. I'm always interested in shows for young children too.	6/2/2018 9:09 AM
60	Don't want to have to go outside St Lucie County, but would go to Lyric.	6/1/2018 6:51 PM
61	i prefer mixed entertainment plays ,concerts even a educational lecture	6/1/2018 3:52 PM
62	Refreshments, parking and security.	6/1/2018 1:01 AM
63	Would not	5/31/2018 5:54 PM
64	Secure parking. Access to before or after show places to eat.	5/31/2018 5:30 PM
65	Can seldom afford a show.....oooooooooooooooooh	5/31/2018 11:16 AM
66	More variety. Seeing same type of imposter performers getting old. Why no plays, opera, musicals, orchestra, jazz bands? IRSC has great variety and very economical, they are amateurs, but good.	5/30/2018 4:57 PM
67	Would prefer a local venue for many/obvious reasons	5/30/2018 6:51 AM
68	The Sunrise Theatre is right down the street from where I live which is very convenient.	5/29/2018 8:39 PM
69	I have been both a participant & a volunteer. I feel the theatre is the heart of the downtown area. It is the main reason people come to Fort Pierce. It is my opinion that the downtown area will fail in the city. Many of the theatre goers have dinner before the shows and stop for aDefinjtelty , snack and desert.	5/29/2018 12:32 PM
70	I like the Sunrise theater location because it's in the middle of downtown Fort Pierce and it is close to where I live which is on the island. So I rather go to our theater instead of Stuart and Vero.	5/29/2018 11:59 AM
71	Atmosphere of the venue	5/29/2018 12:08 AM
72	The condition of the theater including sound.	5/28/2018 8:10 PM
73	I enjoy the rock bands from the sixties, seventies, eighties. Also non raunchy comedy.	5/28/2018 6:52 PM
74	Convenient parking, of which The Sunrise has the best.	5/28/2018 6:15 PM
75	We need the Sunrise Theater as I think it important to area.please keep it going	5/28/2018 4:55 PM
76	I've come to find that within recent yrs., the quality of the talent that's come to the Sunrise theatre has greatly diminished; leaving me to have to travel to other counties/cities in order to get quality entertainment.	5/28/2018 3:42 PM
77	Quality, not quantity - if musical, performers that are trained and professional; if comedy, truly humorous and not simply crude, sexist and political nonsense; if drama, quality farces are generally a better sell than serious stuff. In all cases, avoid crude sex, race and politics.	5/28/2018 2:26 PM
78	I am on a very limited income so I cannot attend as often as I would like, but the distance is no problem I live in Fort Pierce near Midway Rd. You have been getting some really good shows. Do you ever have any Military Bands perform?	5/28/2018 2:04 PM
79	We appreciate good quality name entertainment mostly music. The sound quality is also important and sometimes it's good and sometimes it isnt	5/28/2018 12:36 PM

SUNRISE THEATRE COMMUNITY SURVEY

80	In my opinion The Sunrise Theatre is the GEM of the Treasure Coast. We are all so fortunate to have you. It will break my heart if you go.	5/28/2018 11:04 AM
81	Live in north county and work in the city, so if not traveling and no conflict we get tix for shows of interest.	5/28/2018 10:01 AM
82	We love to support the performing arts but caring for elderly parents means that we are not able to travel far at this time in our lives. The Sunrise Theatre is the perfect distance for a night out.	5/28/2018 9:54 AM
83	Theatre tours should be reinstated so that people could feel a closer attachment to "their theatre".	5/28/2018 9:46 AM
84	The pit area should ALWAYS be offered at a premium price above other seating. Front row even higher. This theatre needs to raise every dollar they can and a premium price for premium seating is a simple and painless way of increasing revenue.	5/28/2018 9:39 AM
85	The Sunrise Theatre is a gem, and should be cherished at all costs. To lose this magnificent theatre would be a crime. A crime in the fact that maybe it wasn't valued and appreciated the way it should have been. If the theatre goes, there really is very little reason for me to go to downtown Ft. Pierce. I live in Vero Beach.	5/28/2018 8:11 AM
86	Would always pay more for the best	5/28/2018 8:01 AM
87	I attend show more often at the Sunrise because it is closer to my home then the Lyric.	5/28/2018 7:18 AM
88	Availability of best seats	5/28/2018 6:58 AM
89	Quality of acts	5/28/2018 5:56 AM
90	Time of year. I don't buy tickets for anything in advance during hurricane season.	5/27/2018 4:01 PM
91	Quality performances Quality sound system. (currently unavailable at ST)	5/26/2018 6:40 PM
92	Venue	5/25/2018 11:21 AM
93	The sound system The expected quality	5/24/2018 7:53 PM

10	We try to get onstreet parking if necessary and if closer than the County Garage. There is very little close handicapped parking which makes it VERY difficult unless your drop the person off, park and then go back. Valet Parking at a low rate or tip rate would be a lovely addition, in my opinion, free for disabled.	6/30/2018 9:44 AM

74	Because the Sunrise is the largest theatre venue on the Treasure Coast, it provides a unique opportunity for Ft. Pierce to host celebrity & international recording artists. Bringing in these types of events will help with the City's 'positive branding' campaign. This will help mitigate the concern 'some people' have on coming to the area for entertainment, tourism and shopping. The artist contracts should include a stipulation for the celebrity to 'comment' on Ft. Pierce. These comments should be collected in an advertisement as celebrity endorsements to strengthen positive messaging.	7/1/2018 9:13 AM

129	I think the theatre is a wonderful venue, small and intimate enough for smaller shows yet big enough for theatrical presentations. It is a true local gem and I think that everything possible should be done, including city and county subsidies, to keep it open an active.	6/29/2018 9:44 AM

133	Its a beautiful theatre and it's a shame to let it go to waste. The seats are comfortable and the sound at the shows are great. Downstairs and Upstairs. And there has been so much love and hard work to bring it back to it's GLORY please don't let it sit there. And I think it will eventually help Fort Pierce with all the new restaurants. We are so blessed to have a beautiful downtown and theatre.	6/29/2018 9:09 AM

151	Good location and parking, beautiful theatre inside, very well kept.	6/29/2018 12:23 AM
152	The building itself should be preserved. The venue is in a perfect location to attract visitors and new residents to Fort Pierce who are interested in maintaining their access to cultural and musical events. It is well located between the theatre offerings in Stuart and Vero Beach and theatre-goers travel between the three. Having that additional population attend the theatre equates to their having a meal before a show and stopping in for a drink afterwards. The fact that so many people come forward to act in a volunteer capacity to keep the theatre going tells an awful lot about the importance of the theatre in their neighbourhood.	6/28/2018 11:05 PM

533	It is an amazing space in the heart of Fort Pierce. It brings culture to an area desperately needing it, and makes theatre accessible to those who do not, or can not, travel further south.	6/18/2018 10:26 AM
534	Location, acoustics, timeless beauty	6/17/2018 11:16 AM
535	The Director you fired knew exactly how to make Sunrise a great venue for entertainment. The local location is certainly a plus for parking and safety issues. Restaurants nearby are convenient to have dinner and walk to the theater. As an older citizen I would not travel to other locations and enjoy the opportunity to attends the show with friends	6/17/2018 10:21 AM
536	Beautiful theater, great seats	6/16/2018 12:14 PM
537	This is a wonderful theater unique to Fort Pierce. It is one of the few things that keeps Ft. Pierce "on the map".	6/16/2018 10:53 AM
538	The Sunrise Theatre needs to be more community focused. We need more local arts, we need it to be a hub for our community with great programming. Quite often the shows that are coming in are very much geared to the retired crowd. Families have little choices. I have a family of 4 with children ranging from 21 to 8 years old, there is very little that we all want to attend there but yet we are constantly at the Kravis, The Broward Center and going to Orlando for shows and events.	6/16/2018 10:07 AM

589	It is downtown Fort Pierce, less than one mile from my home.	6/3/2018 11:22 PM
590	The Sunrise Theatre is THE ANCHOR for the restaurants and growth in the area. I think taxpayer subsidy is important and I don't mind that my taxes support the theater. I pay for parks that I don't use and I don't expect them to generate revenue but I understand that the parks are a feature that makes the town a desirable place to live. I think the theater is a critically important part of a growing community. I am a season ticket holder for the Riverside Theatre in Vero Beach for the distinguished lecture series. That venue is SOLD OUT with a waiting list. It would be interesting is Dunrise would consider a similar venue.	6/3/2018 10:53 PM

701	It revitalized the area. When we first arrived in Fort Pierce by boat the marina was fenced in and there was no reason to risk walking around at night. Having come from N.Y. where the same degradation to neighborhood's happened we know the impact live theater that draws people to neighborhood businesses can have.	5/30/2018 3:52 PM

768	Being a \$250 member affords many 'perks' that I truly appreciate. I love being able to buy tickets for events prior to the \$100 members and the general public. I like the fact I can sit closer to the entertainment. I like the 'Meet and Greet's.' The ushers and usherettes are very affable people. The bartenders are quick and know what they are doing. I have had to speak with management in the ticket office on several occasions and have always gotten quick call-backs and help in my requests. I always look forward to the upcoming season at the Sunrise Theatre.	5/29/2018 4:29 PM
769	If utilized more with diverse shows, acts and performances, we would go weekly as many of our friends and neighbors. All only other venues are so far away which we would never attend.	5/29/2018 4:29 PM

773	Great entertainment with all events we have seen there	5/29/2018 2:20 PM
774	The Sunrise brings great artists, concerts and Broadway shows right to my backyard! As a resident of St. Lucie County, I want my entertainment dollars to stay in my county and my community. I also don't enjoy driving to distant venues to see a show or a concert....to drive to West Palm or Orlando would entail not just the price of a ticket, but transportation, gas money and possibly an overnight stay. The Sunrise Theatre offers me the opportunity to attend truly wonderful performances without the added expense or "wear & tear" of getting to the venue. The Sunrise is a little jewel....not to big, not too small, ample parking, great seats no matter where you are, friendly staff! The selection of shows varies from true performance legends, such as Tony Bennett, to eclectic performers, classic rock artists like Michael McDonald, Nancy Wilson & Pat Benatar....not to mention all the wonderful Broadway productions! The Sunrise Theatre is a just awesome!	5/29/2018 2:10 PM

786	It could be the hub of downtown if done right. Need more current acts and not the same thing every year - it gets old. If necessary spin off of Vero or Stuart. 820	Great economic impact on the local economy - economies thrive when you can attract money from outside them to them, and then keeping the money circulating through them (ie not sending money out of the economy like you are doing with the Tiki) getting rid of John was moronic -	5/28/2018 7:52 PM

828	The Sunrise is very important to supporting the business downtown since we always go out to a nearby restaurant before the shows. The chance to see quality live music and shows within 30 minutes of our home is fantastic. The small, intimate theater setting is our favorite part. We LOVE the theater and hope you will continue to run it for the benefit of the community!	5/28/2018 6:21 PM
829	Absolutely without question the PROGRAMMING to date - our own off-broadway gem comparative to Kravis, & far outdoing Riverside, Lyric, & Jupiter. The Black box addition is perfect as is the inclusion of local talent like DOCS ROCK. The historical attributes, the sound quality, 'not a bad seat in the house' viewing, are all more frosting on the cake. The charming downtown location is perfect for a night out or even a whole day treating out-of-town guests. For me, a transplant from affluent suburbs of Boston, NYC, Los Angeles, but a retired SLC 20 yr. school teacher alone on a very restrictive income, - the low price of tickets & ample free parking have been a miracle.	5/28/2018 6:15 PM

859	It's not a great place - but it could be a lot better with serious support from the Ft. Pierce political establishment -i.e. \$ and the local (Ft. Pierce and Port St. Lucie) communities. Depending on Stuart and Vero Beach won't cut it - they have their own theatres to support.	5/28/2018 2:26 PM

Management, in particular John Wilkes, has been excellent (and I have worked at other theatres and know about this). Quality and variety of performances is fantastic, especially for this area. The Sunrise is an economic engine for downtown, particularly the restaurants, and draws people from quite a distance for many of its performances. 900	Quality of shows & concerts, even if venue is small and cannot accommodate the top touring companies; not having to drive to Kravis to see quality live acts; Sunrise is part of downtown so when we go, we have dinner downtown - would like to see more affordable restaurants though; friendly staff at Sunrise. Just my opinion, but downtown seems dead when there isn't a show at the Sunrise. It also seems like several of the restaurants are targeting a theatre crowd. They are pricey and without the Sunrise will likely go under. What happens with the Sunrise will impact all of downtown.	5/28/2018 10:13 AM

937	I think that in this day and age it is important to have a theatre such as the Sunrise to be able to appreciate the arts. It is a great addition to the downtown Fort Pierce area. Coming from Boston one of my favorite things, and one of the things I missed the most, is the culture up there. I feel that the Sunrise Theatre as part of the culture of Fort Pierce. It just add something. I can't quite put my finger on it but it would certainly be missed if it was to close.	5/28/2018 8:38 AM

969	The building, seating, and quality shows.	5/28/2018 7:06 AM
970	Great entertainment at a reasonable price. This city would be a ghost town if not for the Sunrise. The city does an injustice to the Sunrise by not developing foot traffic in the city. All businesses, including the Sunrise struggle because of the city's failure to develop the downtown area. Instead of creating foot traffic we have storefronts for "public defenders, water solutions, real estate offices, attorneys, vacant rental space etc. If not for the Sunrise, businesses like Brooklyn Sweets, Rizzo's, Roosters, Elizabeth's Emporium, Lorenzo's will go under. One of the reason's we moved and located where we live was the Sunrise Theater. We are not alone. Many people have become Snowbirds because this city is slow to develop. It has taken almost 5 months to build a bathroom behind the library, people build 3000 sq. Ft homes in 3 months. We lose the Sunrise, people leave town, simple as that.	5/28/2018 7:05 AM

Q15 How can the Sunrise Theatre improve?

Answered: 890 Skipped: 475

#	RESPONSES	DATE
1	We were so disappointed in the sound system upon re-opening a few years ago. I believe when the Lyric remodeled, sound engineers were hired to have a finished professional sound. I almost cried while attending Robin Trower; clarity doesn't exist @ Sunrise.	8/19/2018 8:13 PM
2	More of all of it.	7/25/2018 7:10 PM
3	More shows. Definitely need to involve the younger generations in events. There are stars that we would love to see. It is interesting that we got this survey from a friend and not from the Sunrise even though we has purchased tickets and they have our internet.	7/25/2018 10:54 AM
4	Both bars should be open and accept credit cards.	7/14/2018 11:52 AM
5	See below.	7/14/2018 8:53 AM
6	Better shows More timely shows More comfortable seats Better advertising	7/14/2018 12:21 AM
7	Keep Johnns type of entertainment that paying older Crowd enjoy.	7/11/2018 5:39 PM
8	Better performances. Not so much country.	7/11/2018 2:54 PM
9	Pick shows that will appeal to millennials and baby boomers in balanced booking.	7/11/2018 1:17 PM
10	REMOVE ALL CELL PHONES	7/10/2018 1:34 PM
11	Remove the many barriers you have in place that prevent us from being able to rent it and attend. Answer the phone. Return calls when we try to rent the theatre. Return calls when we try to buy tickets. Make last minute ticket purchases possible. Have more community events. Have more local talent showcases. The cost to operate that thing empty is not much different than to have a small event there and make it free to attend. Once there is a few people inside, you can sell them drinks/food at a profit. Lots of local artists do their own promoting and can fill the black box. The lyric even offers co op deals. It's not hard people. Just google the most successful theatres of this type and copy what they do.... duh. No one who reads this has ANY IDEA how to run a theatre. Admit that to yourselves and get someone who can.	7/10/2018 8:35 AM
12	Valet parking Restaurants open After shows More events targeting people age 25-55 (dual pianos, karaoke, lipsync, trivia, comedy, casual attire concerts) Kids plays More social media integration. Use hashtags, encouraging live postings and sharing at events Options for 25\$ per person	7/9/2018 9:14 PM
13	Being able to dance, accepting credit cards for concession,	7/9/2018 8:55 PM
14	Make concert and other event ticket prices a bit more affordable	7/9/2018 8:42 PM
15	More variety of acts.	7/9/2018 1:39 PM
16	Have what is playing for the season posted in many places, even from the streets. Ex. Billboards . Resident discounts.	7/8/2018 3:07 AM
17	Add some live plays like the Kravis Center. We wouldn't have to travel to WPB.	7/7/2018 5:28 PM
18	Parking,better convenient restraunts	7/7/2018 2:03 PM
19	offer venues of several types for youth and older folks in the same week concerts for and by young and older folks and those inbetween lots of talent around ! maybe a police band or Firemen's jazz band or youth bands create a local actors group young and old for a few shows a year	7/7/2018 11:42 AM
20	Just charge an amount for tickets. The added amount for "development" should just be part of the ticket price.	7/7/2018 7:18 AM
21	Offer last minute discounted tickets for shows that don't sell out. At the Kravits Center, they offer bargain seats for events. It has a much larger seating capacity. So, I don't know if it's even in the realm of possibility. There's a theatre we go to up north where they sell last minute tickets. You show up 1 hour before the performance begins and become part of a lottery. If your name is called, you can purchase 2 tickets at 50% off.	7/6/2018 10:01 PM

28	Thank you for the public input meeting. It's clear many have ideas for and interest in seeing the Sunrise thrive. Here are some of mine: --We need to implement some fixes fast to shore up the current season. There is not one show on the current (2018-2019) lineup of interest to me personally. (I know, it's not all about me.) Tribute bands have been a big staple—yuk. Hoping that some shows that have succeeded in the past can be added ASAP, along with some others we haven't had but could afford. --Might be viable to try to book musicians who are already booked somewhat nearby (1-4 hours away) to allow them travel efficiencies and lower cost. --Suggest that we should be offering (music) shows a lot more often (2-3x/week) and also throughout the year, although reduced frequency off-season. --For inspiration, programming and otherwise, check out payomet.org (a nonprofit Performing Arts Center in Cape Cod). They have tons of artists in this year's lineup I would go see. Also great mission, great pricing, other ideas on site. --Trying to advance-book and then feature most of the season in The Sunrise Playbill seems limiting. Perhaps it could have highlights but then produce an insert or separate flyer every month or two with future lineup. --More outreach to both solicit and renew memberships. Tap downtown businesses if you don't already. They could even sponsor a show. --Try some music that appeals to younger crowds. --Consider forming advisory committees (volunteers) to flesh out some ideas contributed at community input meeting. Topics: marketing, programming, service, facility, maybe recruiting new director. They could meet 2-3 times total and then offer their results/ideas.	7/5/2018 2:12 PM

32	I suggested a private-public partnership to attract a better line-up.	7/3/2018 1:09 PM
33	More comedians maybe	7/3/2018 1:07 PM
34	Perhaps lower the fees for events so more performers can be attracted? Perhaps more of the alternative shows listed above, but I believe it is doing very well!	7/3/2018 10:19 AM
35	Not sure, more magic shows and rock concerts	7/3/2018 9:53 AM
36	Financially, I would suggest hiring a professional fund raising coordinator. It may cost for this but it will financially benefit the theatre. Bring in more professional concerts and professional Broadway production.	7/3/2018 9:38 AM
37	STAY OPEN! More opportunities for the public to support the Sunrise.	7/3/2018 8:04 AM

56	Seek additional short & long-term funding strategies for the next era of the Sunrise. Partnerships & Privatization business structures are more nimble in regard to things like procurement, management and technology needs.	7/1/2018 9:13 AM
57	Provide a quality sound system/experience. Personally, not a fan of the yellow and green wall colors in lobby.	7/1/2018 9:01 AM
58	Things were going quite well for a few years there and then your shows started to go downhill resulting in loss of members. There needs to be major improvements in your entertainment. Stuart and Melbourne used to be secondary to Sunrise and now they are gaining the shows that we should be getting. It's really sad.	7/1/2018 8:59 AM

70	Can't think of anything	6/30/2018 11:24 AM
71	During the recent years the quality of the shows and the selection of shows (that I like) have decreased. This may be in part to budget constraints, etc. Adding in speakers or lectures, drag, singer/songwriter symposiums with named writers (they're not hard to find) may be of interest as well. Many people I have talked to in nearby towns tell me that that they wouldn't go to the Sunrises because Fort Pierce is a dangerous place. I know better - but its on the minds of many folks even as close as Vero and Stuart. Additionally, the idea of a bar is great. The idea of bringing open drinks into the theatre may not be. Perhaps allowing a drink in but closing the bar while the show is going on and only opening it during information would be better. There is a great deal of disruption when someone is climbing over people to get out to get a drink from the bar. Next, the sound and acoustics could use some improvement. There are have been several times (Tommy James, Anne Wilson, One night of Queen) where the sound was so bad that we left within the first 15 minutes. Behavior: The general rule of thumb for attending any "theater" show has always been to dress appropriately and act appropriately. This is not always the case. I was embarrassed for everyone when Jewell had to stop in the middle of her performance to ask someone in the audience to be quiet so that the other Paying patrons could enjoy the show.	6/30/2018 9:44 AM
72	More varied shows	6/30/2018 9:04 AM

73	I really have no idea. It seems like a daunting task to try and please everyone. I enjoyed the opera companies that used to come...but one season there were two and they even performed the same opera. I guess they bought their own advertisement b/c they were never listed on the Theatre events...which became discouraging. I also enjoyed the Chinese acrobats, a few comedians and the ballet (but not the Nutcracker again, pleaaaaaaase).	6/30/2018 8:52 AM
74	Host events that we typically have to travel to other cities, to experience: musicians whose music you can often listen to on the radio today; orchestras playing a film score live while the audience watches the film (Film Concerts Live!).	6/30/2018 8:43 AM

79	more dance events	6/29/2018 5:29 PM
80	More summer shows on par with the "seasonal" shows	6/29/2018 5:21 PM
81	I was front row center for the first ever show "Love Letters" with Barbara Eden and Larry Hagman. I will remember it always. Maybe offer more live theater and Groundlings-type improv comedy shows.	6/29/2018 5:20 PM
82	Keep the good acts coming to the Sunrise! It is a huge asset to the local community.	6/29/2018 5:12 PM
83	Advertising on wpb tv. I don't remember the last time received a mailing from the Sunrise	6/29/2018 5:06 PM

90	Staff have more of a private business mindset approach. Have the Advisory Board be able to be more involved. Have a yearly brainstorming retreat for example with a outcome, goals, and measurable steps to reach the goals in place that are reviewed on a periodic basis.Maybe partner with the Chamber in this regard for direction and advise, and have a Chamber represent on the advisory board. May be a standing emeritus type position of the VP of the chamber serving on the Sunrise board or something similar? And/or economic development person? Also basically.... The advisory board folks need a solid direction, sub committee directives, etc... and are willing to be more involved in that regard, but are tired of just showing up and not feeling productive. Too much more detailed suggestions to list here. Many music shows I've seen there were too loud :o(	6/29/2018 1:03 PM
91	We use to go 4 or 5 times a year but lately the shows offered have been terrible. No variety - all the same type. Not sure who the musical director is but they are not offering a variety of shows and musical talent. Loved Missoula Children's Theatre when my daughter was young - she participated 6 or 7 years - she's 20 now. That is a really great program and the gal that ran it was awesome.	6/29/2018 12:08 PM
92	Better shows, better wine selection!! better drinks/cocktails. Just look at the Gleason theatre in Miami...	6/29/2018 12:07 PM

95	Keep up the good work.	6/29/2018 11:14 AM
96	Think it's fine just the way it is. No community theater can be totally self-supporting. Money spend by the tax payer is well spent because if the theater is functioning, local businesses thrive and bring in tax revenue.	6/29/2018 11:05 AM
97	Continue getting quality, relevant entertainment for a price that is comparable to the talent of the acts.	6/29/2018 10:51 AM

98	Eliminate the shows that are financial disasters. Look at the big money makers and big losers for the past five years and book accordingly. Create a cultural trust to run the theater.	6/29/2018 10:45 AM
99	Start booking more rock and blues acts. The last few years we and all of our "music oriented" friends have attended fewer and fewer shows and let our membership lapse because there have been less rock and blues acts booked. We are able to see an impressive offering of excellent performers at Earls Hideaway in Sebastian almost every Sunday so it escapes me why the Sunrise is unable to or has decided to stop booking blues and rock acts. We also now travel to Melbourne (which is a venue we don't really like), Orlando and South Florida to see the bands we like. FYI - tribute/copy bands are not of interest to any us.	6/29/2018 10:30 AM
100	stay the same	6/29/2018 10:27 AM
101	Artist we have not seen before at the Sunrise.	6/29/2018 10:23 AM
102	Live music on weekends works best of me.	6/29/2018 10:17 AM
103	More major consistant events	6/29/2018 10:10 AM
104	Parking (yes, I know). Restore the opera show(s). I think the Sunrise Theater should participate in the various community events, festival,etc. with a booth to stay in front of the public.	6/29/2018 10:04 AM
105	more counrty music	6/29/2018 9:28 AM
106	More current music actsp	6/29/2018 9:22 AM
107	More concerts for all types of music pop, rock, classic rock, blues, country. Professional Theater troops, Broadway type plays. Also selling a series of shows. If we buy a lot of tickets for concerts, or plays, give us a discount on the purchase of 4?	6/29/2018 9:17 AM
108	I don't see where it needs any improvement.	6/29/2018 9:09 AM
109	More advertising. Get some of the older country performers to come and entertain. Fix the interior of the building. Mke the building look like it is cared about. I do not care about bricks out side. I do care about inside.	6/29/2018 8:54 AM
110	Put the renovation fee included with price of ticket instead of a separate fee. I have no problem with this but I do know others who are disturbed by it.	6/29/2018 8:42 AM
111	A more professional behaving staff with training emphasis on customer service. More cultural diversity within the staff and volunteers. Addressing repairs around the theatre in a more timely manner. Making it possible to take credit & debit cards at the bars. Availability of an ATM machine. Security stationed near the stage - volunteers should not have to deal with unruly patrons. If you are going to continue showing movies, a new screen is a must! The sound system needs major improvements. (Patrons have left performances because of sound issues). Rewrite the announcement tape that is used prior to the performances in a manner which gets through to the patrons. Redesign the theatre layout on the website to indicate where there are steps. This would eliminate issues with patrons with physical limitations purchasing tickets in the balcony!	6/29/2018 8:25 AM
112	The bar should be open during intermission. The constant stream of people in/out of rows/aisles ruined the concert. Head phones should be offered, as accoustics seemed inferior to my group near back of theater.	6/29/2018 8:19 AM
113	More variety. Shows were getting repetitive from year to year.	6/29/2018 8:05 AM
114	More indie, alternative and rock shows.	6/29/2018 8:00 AM
115	By listening to what the public would like to see, not what certain people in administration want.	6/29/2018 7:58 AM
116	Keep getting excellent performers	6/29/2018 7:50 AM
117	Allow the audience in sooner. Always have both bars open	6/29/2018 7:27 AM
118	Keep good shows coming to a great theater	6/29/2018 7:12 AM
119	1. Content of shows 2. Sound system and movie projection/screen update 3. Make the needed repairs in the theatre - cracks in walls! This is embarrassing to our community when bringing guest to performances.	6/29/2018 6:36 AM

124	New ideas such as what Riverside theater does. Casino nights, dueling pianos and dancing. Better show choices and different each year instead of the exact same ones every year. I have seen Elvis 4 times. I did not go last year at all because I could bring myself to sit thru any of the scheduled shows.	6/29/2018 12:34 AM

145	Better management.	6/28/2018 8:25 PM
146	Improve quality of shows coming through Fort Pierce. I see shows at King Center three times more than Sunrise and I live in Fort Pierce.	6/28/2018 8:24 PM
147	Have more shows not just in season. Many people who live year round would like some good shows in summer	6/28/2018 8:18 PM
148	More well known performers	6/28/2018 8:03 PM

We pay enough for the tickets and very disappointed when we learned the Meet and Greet was over, and we were there an 1 1/2 early. No one attempted to give us the proper instruction.	6/28/2018 8:01 PM

152	Better shows & bands	6/28/2018 7:49 PM
153	More big name shows. Loosen up on who gets the front row seats. Not everyone can afford premium membership but everyone deserves to sit in the front once in a while. 196	Over the last few years I have seen a repeat of the same shows, I would keep those that sell out every year but I would like to see some new shows that have not come to our area A gift shop with Sunrise merchandise might bring additional revenue	6/28/2018 4:58 PM

SUNRISE THEATRE COMMUNITY SURVEY

216	More diversity of entertainment. Would like to see more plays especially during the winter months. Might draw more people from other towns.	6/28/2018 3:57 PM
217	I would like to see the Theatre get a bit more variety in bands and group presentation. Rock is still very sought after among-st the 40 and over crowd. Those people who still like retro rock I have heard would like alot more.	6/28/2018 3:56 PM
218	Make the prices appropriate for families especially around the Christmas holidays. Have family oriented programs around Spring holidays. Have professional broadway programs like Vero over longer periods of time. Upscale lobby refreshments . Look to meeting needs and interest of community not only the social few.	6/28/2018 3:56 PM
219	Pricing and length of time Briadway shows are in town. Sarasota often has a few days to a week run of these shows.	6/28/2018 3:56 PM
220	More Broadway type shows and national artist	6/28/2018 3:55 PM
221	Keep doing what you are doing.	6/28/2018 3:51 PM
222	More verity of shows seems to be the same people and shows every year.	6/28/2018 3:51 PM
223	More interesting shows! Like the old music performers	6/28/2018 3:50 PM
224	Better sound	6/28/2018 3:49 PM
225	More major concert events.	6/28/2018 3:47 PM
226	We like high quality musicians...Vince Gill, Robert Cray, etc. it seems that Stuart has the same type of shows...my husband calls it the "washed up old has-beens tour". There are outstanding musicians out there that are current, and not the oldie Goldie ones. I like going to shows with younger people, even though I'm 65. Don't like to feel old going to see the older performers with all the other old folks! Also independent and foreign art films, like Enzian Theatre in Maitland (near Orlando). We also enjoy the jazz musicians that Darrell Bey and Bluebird Educational Foundation bring to Blackbox.	6/28/2018 3:44 PM
227	Offer more shows!	6/28/2018 3:43 PM
228	getting fatigued hearing the same introduction of the general manager prior to each show	6/28/2018 3:42 PM
229	I think it's perfect!!'	6/28/2018 3:41 PM
230	Balance the sound better - many concerts the vocalist is drowned out. Sound is not good from all of the seats.	6/28/2018 3:38 PM
231	To succeed in the future, Sunrise must reach out to affluent folks in Vero Beach and Indian River Shores...people who donate \$10,000 - \$50,000 annually to Riverside Theatre which now has more than 70 patron producers in that league. Sunrise Theatre must offer fund-raising events with major musical stars (Riverside Theatre does that). And Sunrise Theatre might offer a lecture series like Riverside Theatre (4 events per year/2 sessions each--with a waiting list for tickets)....Event the Theatre Guild in Vero Beach is extending its production days to an annual basis. Sunrise could do the same with touring Broadway musicals and plays, a specific fine concert series--and proper management.	6/28/2018 3:37 PM
232	More name performers, less repeats.	6/28/2018 3:32 PM
233	Maybe try to bring in entertainment that would be of interest to a younger crowd, say in their 40 's to 50's.	6/28/2018 3:29 PM
234	We have been members for 2 years. So far next year's line up does not interest me and may not become a member.	6/28/2018 3:28 PM
235	Keep trying to get quality entertainment.	6/28/2018 3:26 PM
236	?	6/28/2018 3:24 PM
237	More music venues for 40 to 60-year-olds	6/28/2018 3:23 PM
238	I wish there were more shows for the adults in the 25-45 range as well as some modern and professional shows. Most events seem to be aimed to the older, snowbird population. Younger comedians, modern shows, musicals, traveling Broadway performances.	6/28/2018 3:22 PM
239	Try to showcase local talent regularly, perhaps in a benefit concert.	6/28/2018 3:20 PM

240	We were at the meeting yesterday, and many of these things made sense. It really sounded to us that a big shakedown about business practices needs to take place. We in the past have sent emails about various concerns and have never had a response. This sounded like it was commonplace, based on yesterday's meeting. Allow credit cards at the bar. (No-brainer). You will make a lot more money.	6/28/2018 3:20 PM

243	Don't know	6/28/2018 3:17 PM
244	The technology is awful Small projector screen with 4:3 image instead of a 16:9 large screen, no moving lights, bad sound and just older sounding speakers, new paint job, Can be old looking without being cheesy looking (paint job mostly) open more bars, accept credit cards, have more online options for mailings. I never know whats coming there or what I can look forward to and buying tickets on the antequated website is a pain in the butt. The website needs serious updating to a more user friendly website	6/28/2018 3:16 PM

251	When possible add concerts and touring company shows.	6/28/2018 3:03 PM
252	More oldies groups	6/28/2018 3:00 PM
253	More concerts that might cost more. More original groups than tributes.	6/28/2018 3:00 PM
254	The Sunrise Theatre is a treasure and must be preserved at all costs. To become more financially viable, I think a concerted effort should be made each year to get businesses in St Lucie County involved in sponsorship of the theatre. This should be done through a well publicized yearly campaign driven by direct mail, telephone, and face-to-face marketing. The Sunrise Theatre should be a draw for people and businesses looking to relocate to the area, and it should be presented as such to the various businesses in the area. There is no reason why the Sunrise Theatre should lose money. The theatre should always be sold out. This can be accomplished by last minute sales of tickets to churches/civic groups at discounted rates. Generally the remaining tickets are in less desirable seats anyway.	6/28/2018 3:00 PM
255	It seems like it's the same shows every year. I would like to see some different acts.	6/28/2018 3:00 PM

274	More advertising of events on TV	6/28/2018 2:42 PM
275	rehire John Wikes	6/28/2018 2:39 PM
276	More national acts	6/28/2018 2:39 PM
277	Bad acoustics: Many times the amplifiers are too loud to hear the words of the music. That is why I attend the Smooth Jazz, as Brian Culbertson, Chris Botti, Davis Benoit, Kenny G. The bands like Eagles sound alike, Earth Wind and Fire, Bee Gees etc are hard to understand. Many of my neighbors have stopped attending for that reason. I try to be selective and ask for ear plugs, since I prefer to buy tickets early for the Orchestra. I am an individual member to support the Theatre and the Town of Fort Pierce. I prefer Sunrise to Riverside Theatre, which is more expensive. I think you are doing a GREAT job bringing relative talent to our City!!	6/28/2018 2:39 PM
278	stop trying to sell me a ticket where I don't want to sit, lower sound levels of most music events	6/28/2018 2:39 PM

289	Seating	6/28/2018 2:29 PM
290	Even when there are events, passing by the outside it looks dark and closed! I suggest LED lighting the entire length of the complex on 2nd Ave to convey an alive and active theater. The new Director should be an experienced marketer, have experience with booking top entertainment, have financial expertise to evaluation past performance and improvement. As mentioned at meeting, the patrons of the theater are the residents of St Lucie County which number nearly 300,000! Being guided my Ft Pierce residents rather than the county is misguided. The county spends 19.1 million on Culture and entertainment and should be approached to contribute at least \$500,000 a year by the new director who can show the use by county residents. The beverage service can be a money maker at every event and as was said at the meeting the service is totally inadequate! A speaker a the meeting also pointed out the out of date visual system and sound.This needs to be improved. Gain revenue by renting the theater on a one day basis to employers for employee meeting, motivational speakers who market their own event, commercial marketing events etc etc --- thus the need to have updated visual and sound systems.	6/28/2018 2:28 PM

291	They need to have more variety , it seems like you have the same Entertainers every year. You need to get bigger names.. Like Little Big Town..People do not want to see the same faces all the time..Boring !!!!!	6/28/2018 2:28 PM

298	Replace management including publicity officials. Pay bills on time. Get professional booking advice from similar markets with high percentages of black/Hispanic population segments.	6/28/2018 2:24 PM
299	Just continue with providing the best in entertainment that appeals to majority of the people who really attend.	6/28/2018 2:23 PM
300	Some performances such as Capitol Steps, Irish Step Dancers, some drama plays as opposed to mostly musicals.	6/28/2018 2:23 PM
301	Get John Wilkes back as soon as possible. Bring in local students and seniors paid for by arts grants or discounted prices to fill last-minute unsold seats at shows. Allow back lot drop off for people with mobility problems so they don't have far to walk/roll to get to their seats. Increase the size of sections with disability seating and train ushers to better help people with disabilities. Close off a section of street in front of theatre to allow seating and drinks service before performances. Create more morning and afternoon events for seniors.	6/28/2018 2:22 PM
302	More shows	6/28/2018 2:22 PM
303	Parking	6/28/2018 2:22 PM
304	Continue to bring entertainers to our local market.	6/28/2018 2:21 PM
305	I believe that it is crazy that the seating area is not open sooner. Everyone is left waiting in the lobby, pushing and shoving until the doors open and you can take your seats.	6/28/2018 2:21 PM
306	Never let an act dictate the sound. It was 3 Dog night that management blamed on the awful sound quality that made us walk out in the first 10 minutes. I wanted to see 3 Dog night for more years than i can remember, it was a big disappointment. If you you know how the sound needs to be setup, put it in the contract that you will adjust sound.	6/28/2018 2:20 PM

311	Keep up with minor renovations to maintain the interior of the building	6/28/2018 2:14 PM
312	Shows for family and younger people..more social media advertising	6/28/2018 2:13 PM
313	A greater mix of music. Should switch shows up from year to year. Having the same acts coming back year after year, gets old. We should strive to become the premier theater for the Treasure Coast.	6/28/2018 2:12 PM
314	Need to have more of a variety of acts similar to your competition at the Lyric and Vero Beach theaters to include the Kravits. Additional showings during week nights and possibly a matinee performance on a Saturday afternoon might bring in additional revenue for the City. Need to have more newer shows to attract a younger audience as well as additional older artists to keep the older generation attending. We love going to shows at the Sunrise and hope we can continue to do this long into the future.	6/28/2018 2:10 PM
315	Some of the tickets are too expensive	6/28/2018 2:09 PM
316	The town of ft Pierce should sponsor more programs, or stand behind the theatre monetarily like other towns do	6/28/2018 2:09 PM
317	Many shows are repeats from years past. Would like to see more new acts.	6/28/2018 2:08 PM

322	I think it is great the way it is.	6/28/2018 2:04 PM
323	More ladies rooms	6/28/2018 2:03 PM
324	Keep up the good work	6/28/2018 2:02 PM
325	The City of Fort Pierce should turn the Sunrise Theatre over to an entertainment company such as Live Nation or AC Entertainment. Not only will this allow the City to save all the money it's losing to keep the Sunrise open, it will bring more and better acts to Fort Pierce. Event companies run many of the theaters owned by cities and foundations and have much more experience and many more connections than the city or some director the City hires. The city does not need to be in the entertainment business. Leave it up to the professionals. The Sunrise is a great asset to the city and Treasure Coast as a whole so letting a large entertainment company such as Live Nation run it would bring more people to Fort Pierce.	6/28/2018 2:02 PM
326	Make sure the AC is lowered prior to filling it with people. A stuffy theatre (even on cool days) is uncomfortable.	6/28/2018 2:02 PM
327	Keep offering great shows	6/28/2018 2:01 PM
328	Add more big name shows	6/28/2018 2:00 PM
329	More classic rock and jam bands	6/28/2018 2:00 PM
330	Bring in more Broadway shows. Let the bars accept credit cards.	6/28/2018 1:59 PM
331	More high end acts even at higher cost,	6/28/2018 1:58 PM
332	Greater variety of musical artists...not concerned about price if it's great artists. Expand concessions. Yes this means more clean up, but again would make a more pleasant viewing experience.	6/28/2018 1:58 PM
333	More involvement in the community.	6/28/2018 1:58 PM
334	Have escorts to and from parking garages.	6/28/2018 1:57 PM
335	Knowing that a theatre of this sort is not necessarily a money-making establishment, realize that the quality of person in charge can bring in some of the best entertainment which increases attendance. The point is to bring more people into our area to help the surrounding businesses. I think the City of Fort Pierce should not have let John Wilkes go for this reason alone. His connections with the entertainment industry has so much value. Hopefully, we can keep the theatre open and replace him with a quality individual. Money well spent - just ask the surrounding business owners.	6/28/2018 1:57 PM
336	Better shows more weekend dates	6/28/2018 1:56 PM
337	Sound needs to improve. Cost of tickets can be a bit less. Partner with restaurants to offer packages for events.	6/28/2018 1:56 PM
338	not sure	6/28/2018 1:56 PM
339	Bring more bands or entertainers	6/28/2018 1:55 PM
340	Please bring more concerts from artists who were popular in the 70s through the 90s.	6/28/2018 1:55 PM
341	Bring back the better acts you used to book. More Classic Rock bands, modern bands, Motown, Jazz, Country. I would pay more for a ticket to get a higher quality of acts. I stopped paying my membership and now frequent the King Center in Melbourne because they are booking the quality of acts the Sunrise USED to book. And please stop bringing back the same acts, over and over again. One more performance from A Night Of Queen, and I will become ill. Love Queen, but not every year.	6/28/2018 1:55 PM

We have a wide range of tastes and are open to a variety of genres such as acoustic singers/song writers, country & classic Rock, pop, gypsy jazz, opera, as well as traveling broadway shows. These are a sample of past performances we have enjoyed elsewhere: Diana Krall, Trishia Yearwood, Jackson Brown, Moody Blues, Poco, Tom Rush, Rosanne Cash, Dave Mason, etc.	6/28/2018 1:24 PM
368	It's hard to pick up tickets with the hours that you have	6/28/2018 1:05 PM
369	More events for ALL different ages and musical preferences.	6/28/2018 1:01 PM
370	Stop the convenience fee and restoration fees online...or open the box office longer or at better times so people can make it to purchase tickets in person to avoid these fees. Also, the volunteers are very cranky and unpleasant	6/28/2018 12:56 PM
371	Prices are very high for the acts.	6/28/2018 12:40 PM
372	Was at the meeting and feel something is wrong with the management. I had my own company and what I heard last nite I would've done some house cleaning today! You need better management! Hopefully people who will volunteer and get this profitable!	6/28/2018 12:17 PM
373	Gear more towards young adults and lower ticket prices a bit	6/28/2018 12:06 PM
374	Better shows Original singers	6/28/2018 11:54 AM
375	Variety of shows Focus on community Book shows based on what sells	6/28/2018 11:22 AM

376	Open doors earlier, no reason to be standing in a crowded lobby area for so long. More shows.	6/28/2018 11:11 AM
377	Better shows.	6/28/2018 10:32 AM
378	Have more wholesome acts and less trash like Magic Mike and Naked Magicians.	6/28/2018 10:24 AM
379	Please, no more "giveaways" and curtain speeches before performances.	6/28/2018 10:16 AM
380	Bring more well known performers like Jewel, Chris Botti and others. Start local productions like Riverside.	6/28/2018 9:51 AM
381	More seating in lobby for pre showtime or intermissions. Open lobby on Tues or Weds night for some kind of Social Club with guest speakers and drinks and light fare.	6/28/2018 9:06 AM
382	More oldies	6/28/2018 9:00 AM
383	Longer box office hours and nicer personnel in box office	6/28/2018 9:00 AM
384	Modern current theater! Nutcracker at Christmas.	6/28/2018 8:47 AM
385	Replace Nicholas Mimms as city manager	6/28/2018 8:39 AM
386	I would say have more lower priced matinee shows to allow for higher priced broadway & opera evening shows. Make the shows and entertainment diverse. Also an audit maybe in order to see if any thing can be changed ie: food vendors, electric bill etc.	6/28/2018 8:27 AM
387	More variety	6/28/2018 8:07 AM
388	More relevant bands and less bands that mimic others. Also solid plays such as are offered at riverside.	6/28/2018 8:07 AM
389	Better quality of entertainment and serve diverse audiences	6/28/2018 7:55 AM
390	Social media	6/20/2018 11:57 PM
391	More variety and shows during the day	6/20/2018 11:28 PM
392	More shows	6/20/2018 10:36 PM
393	Better advertising	6/20/2018 10:26 PM
394	More events for adults in their 30-40's	6/20/2018 10:17 PM
395	Would love to see country bands come and play. If there is another space besides the theater/black box space that could be rented out of private events/weddings. Have more variety.	6/20/2018 10:03 PM
396	I think offering movies or film series' would be a great idea to add to the concerts, comedy, and touring musicals.	6/20/2018 10:01 PM
397	Book better shows and marketing	6/20/2018 9:59 PM
398	I think by offering a wider variety of entertainment to people of all ages. I have young children and we love the performances put on by the Port St. Lucie high school. Their shows are often sold out. Maybe contracting with a group(s) that have ties to the community and a proven track record would help bring in more people even during the off season.	6/20/2018 9:37 PM
399	Better shows	6/20/2018 9:33 PM
400	Better Acts	6/20/2018 9:28 PM
401	Bring in more popular acts	6/20/2018 9:25 PM
402	Bigger seats	6/20/2018 9:17 PM
403	If the City is going to recognize the value of Sunrise Theatre to the culture and economy of downtown and our larger community, then it needs to embrace it, its nonprofit model (because it seems highly unlikely a for-profit performing arts theatre can truly survive), and support its efforts. If the City is not able to do this, then it should work to develop a 2+ year transition plan to find another organization or enterprise interested in this opportunity and work with care and commitment to eventually pass it off to a worthy successor -- and continue to stand by, as the success of the Sunrise Theatre under any leadership is a success for Fort Pierce. The Sunrise is an iconic part of the city's history and its future, it has a nostalgia and feel-good story that is an excellent counter weight to bad/poorly-informed perceptions held by people outside of and in the city. The City has a vested interest in this, please prioritize this more highly than you have, take it seriously.	6/20/2018 9:08 PM

SUNRISE THEATRE COMMUNITY SURVEY

404	Shows that target a younger crowd... when I say younger- I'm talking 30-50. This is the demographic that is frequenting the local restaurants and spending money. They believe in downtown.	6/20/2018 9:06 PM
405	Not sure, I love everything about it	6/20/2018 8:57 PM
406	More musicals.	6/20/2018 8:55 PM
407	Lower your prices!	6/20/2018 8:55 PM
408	Sound in the balcony	6/20/2018 8:52 PM
409	Offer more big name productions .Inprove sound system.Could'nt hear most of Neil Diamond show.	6/20/2018 8:51 PM
410	Better advertising, valet parking.	6/20/2018 8:46 PM
411	Keep doing the same type of shows	6/20/2018 8:44 PM
412	Have to get acts/bands that the younger crowds are interested in.	6/20/2018 8:43 PM
413	Better shows.	6/20/2018 8:31 PM
414	Bigger better acts	6/20/2018 8:28 PM
415	More Broadway type shows	6/20/2018 8:21 PM
416	Attract more big name performers. People came from all over friends drove drone Ft. Lauderdale to see Ringo, Johnny Mathis and Joan Rivers.	6/20/2018 8:16 PM
417	I've never been because there hasn't been any events I was excited to attend. I would love to see current hit music artists in concerts as well as popular plays/ musicals. Workshops & classes to involve the community would be great as well. If these are already being offered maybe beef up marketing/PR.	6/20/2018 8:14 PM
418	Bringing in acts that the 25-50 year old crowd will attend. Seems like the last couple years they have been catering to the baby boomers almost exclusively.	6/20/2018 8:02 PM
419	Better marketing of shows, concerts that appeal to a younger audience, wider variety of concert rather than repeats each year	6/20/2018 7:30 PM
420	more events more advertising	6/20/2018 7:16 PM
421	No repeat shows. New artists. Better variety of music, country/jazz/R&B	6/20/2018 7:09 PM
422	Better wine at the bar.	6/20/2018 7:07 PM
423	My bringing in new and different artist.	6/20/2018 7:07 PM
424	No suggestions...	6/20/2018 6:56 PM
425	The events that they bring in! It seems to be the SAME things over and over again. There is never enough stuff to also bring on the younger audiences. It also needs to improve its overall appearance, other Theatre's that are similar to the sunrise have a professional atmosphere and a class to them, the sunrise seems like a big party venue and sometimes shows cannot be enjoyed because of the people attending and what is allowed.	6/20/2018 6:48 PM
426	Booking popular/relevant musical acts for a younger audience. Too many of the same tribute acts. Edgier rock and indie artists would be great instead of so much senior entertainment.	6/20/2018 6:39 PM
427	Hold some of the popular shows more than one night -- ie, Chous Line, musical plays	6/20/2018 6:29 PM
428	Bring oldies	6/20/2018 6:01 PM
429	Have more variety Maybe movie nights.	6/20/2018 6:01 PM
430	Lower cost and more childrens theater	6/20/2018 5:46 PM
431	no drinks allowed inside	6/20/2018 5:45 PM
432	By continuing to operate in the direction it's been going.	6/20/2018 5:42 PM
433	More hours for entertainment , beverages and food should be served	6/20/2018 5:42 PM
434	More community and professional theatrical shows	6/20/2018 5:34 PM
435	I think they are doing a good job.	6/20/2018 5:33 PM

SUNRISE THEATRE COMMUNITY SURVEY

436	Seems like was going great . Huge variety and went downhill last year	6/20/2018 5:29 PM
437	MORE SEATING WHILE WAITING IN THE LOBBY	6/20/2018 7:25 AM
438	movies would be nice	6/19/2018 12:49 PM
439	Bring a variety of upscale events more frequent. Advertise on Social Media, Radio, etc. Critical! Get the word out! Reach the surrounding communities. I have talked to several people from Vero and Melbourne who love to come to this theatre because of It's size.	6/19/2018 8:31 AM
440	For starters, a staff that responds to calls/e-mails requesting dates to rent the space. The city is crying that the theatre is bleeding money, but perhaps if a phone call were returned, that deficit can begin to be rectified. Bringing in a younger audience will also help to ensure that the theatre can continue to thrive. The Beach Boys are great and all, but what are you doing to bring in the 20 - 50 crowd. Your fan base is dying off...The black box is also vastly underutilized. Why are we not renting this space out to community theatre groups? You need to put someone in charge that has a love of the theatre, and an understanding of the community that they are serving. There are so many missed opportunities.	6/18/2018 10:26 AM
441	Admit your mistake and get the Director back again. I know of other theaters that require town financial support to operate and hope the county and city will continue to do the same for Sunrise. We do not need another "movie theater" in town we need the variety of entertainment obtained by the Director with his professional connections.	6/17/2018 10:21 AM
442	I don't know	6/16/2018 12:14 PM
443	By getting the best acts possible within the framework of what is affordable for the area. Less lousy comics.	6/16/2018 10:53 AM
444	Your customer service needs an overhaul. I work at a local charter school that has the largest performing arts department on the Treasure Coast for K to 8. The last couple years we have performed our school wide musicals at the Lyric Theater selling out 3 shows each show. Our program is growing and we need more space. We'd love to move to the Sunrise and bring our revenue to St Lucie County but to get anyone to contact us back is a joke. No one responds. We are trying to spend \$10 to \$15,000 for a week in off season (not counting ticket sales and the business it will bring to local establishments) and we can't get any to call, email back. I think the theater needs to rethink it's programming. The quality and content of shows is not consistent to the demographic of our area. The majority of shows are targeted to the retired population, yet there is a huge % of couples and families that would love to see shows - I know because I attend many shows at the Kravis, Broward Center, Orlando and see local families up there as well and see the many social media posts of friends in those towns attending various performances.	6/16/2018 10:07 AM
445	N/A	6/16/2018 9:56 AM
446	Better shows,acts	6/16/2018 9:51 AM
447	Maybe up date the inside to w more modern style.	6/15/2018 9:54 PM
448	Offer more children's theater classes/programs throughout the year, not just Missoula. Some of the prices for the dance and musicals were expensive. I didn't attend because I felt they were over priced.	6/15/2018 2:37 PM
449	I think they are doing a fine job now.	6/14/2018 11:36 AM
450	More well known and newer musicals	6/14/2018 10:42 AM
451	Remain in biz!	6/14/2018 9:07 AM
452	Change my busy schedule so that I can attend more events. I've really wanted to go to more shows but my schedule is rough. I've found quite a few shows I would have gone to. So I would say you are booking solid acts.	6/13/2018 6:46 PM
453	Offer more top rated musicals and productions.	6/12/2018 9:29 PM
454	More concerts, like bring back some people from the 80's. Like when Rick Springfield played a year ago. More Comedians and Ballet.	6/12/2018 7:13 PM
455	Do not every book Gordon Lightfoot again. What an awful rip-off. Your lineup is terrible. Let's see high quality music, comedy, theatre, film at a premium price, not has-beens and geriatrics.	6/10/2018 6:09 PM
456	Stay open, increase ticket prices if needed	6/10/2018 3:30 PM

458	have shows on 2 days instead of 1	6/10/2018 10:05 AM
459	Show case more top entertainment	6/9/2018 10:19 PM
460	The acoustics need to be improved drastically for live performances like Johnny Mathis, Gladys Knight, Neil Sadaka. If it does not improve, our party of four would not return.	6/9/2018 5:16 PM
461	more musical events, the tribute bands are good, maybe ticket prices a little less expensive	6/9/2018 1:54 PM
462	More music variety. Bring in some south-of-the-border musicians.	6/8/2018 7:38 PM
463	I don't have a good answer that because I think it already is a very good venue I think you need to look at how neighboring theaters that are making money or run and maybe take suggestions from that	6/8/2018 6:47 AM
464	Rehire John Wilkes and bring in more top flight entertainment that he has brought in during his years at the theater.	6/8/2018 1:50 AM
465	Perhaps do a better job of controlling inebriated audience members who ruin the entertainment experience for everyone else. I've left two shows early because no one did anything about people yelling and talking loudly in the middle of performances. On more than one occasion a drunken patron getting up in the middle of a show has spilled their drink on me and other members of my party. I'm not even an older person and I don't have an issue with people having a couple of drinks but I don't even want to think about the number of people leaving the Sunrise who get in cars to drive home. I guess the liquor concessions must make a lot of money but tgat's What makes me think twice about buying tickets at the Sunrise. Depending upon who is sitting around you you may or may not enjoy the show.	6/8/2018 1:04 AM
466	More "original" bands. Ie: 38 Special with the remaining Van Zandt brothers. Great music I went to Kravitz Center to hear them.	6/7/2018 10:48 PM
467	Continue with what has been done and add some other types of things.	6/7/2018 5:34 PM
468	Some of the shows have had a few patrons that probably had too much to drink and decided to dance in place disturbing other patrons. Eventually the police escorted them out after altercation with other patrons that were being disturbed. Need to watch for drunk patrons better. This is not the norm, but it does happen.	6/7/2018 1:14 PM
469	Quality musical performances	6/7/2018 11:25 AM
470	Keep existing.	6/7/2018 11:22 AM
471	see above - expand the vision of what a theater is - hold conferences and symposia on various topics of regional and national interest. Encourage engagement with visitors more.	6/7/2018 11:04 AM
472	Theatrical competitions from local high schools and colleges would likely get many attendees.	6/7/2018 10:55 AM
473	2017 was first time in 5 years we did not attend Sunrise. Instead Emerson in vero, Lyric in stuart & PSL Civic center. There were no 50's-60's rock shows that we have not attended or seen. It was strange not to be there. Emerson & PSL Civic Center (Pop, Rock & Doo wop) venues get great performers, groups & Tribute bands each year, from the 50-60's era. Sunrise needs to get more of these.	6/7/2018 12:18 AM
474	Repair hurricane Irma Damage, Spend Money to Make Money! Schedule headline entertainment.	6/6/2018 4:07 PM
475	Newer or more up to date entertainment	6/6/2018 2:28 PM
476	I think it's great. My daughters dance school hold their performance there and it's just lovely. We love attending the school shows too.	6/6/2018 1:10 PM
477	Varied artist, varied performers - seems like biggest target audience is 60 and older. Need to diversify.	6/6/2018 12:51 PM
478	Continue with high quality entertainment. Refurbish theater interior.	6/6/2018 10:37 AM
479	Get city out of the theatre business and lease to professionals on a long term basis with the understanding that the Sunrise Theatre building always remains a theatre showing quality tasteful entertainment.	6/6/2018 10:37 AM
480	more stand up comedy and musical acts (classic rock, soul, blues, etc.)	6/6/2018 8:49 AM
481	Have more top name entainers and more off Broadway shows.	6/5/2018 11:56 PM
482	More offerings during the summer	6/5/2018 2:39 PM

SUNRISE THEATRE COMMUNITY SURVEY

483	I think the theater can improve greatly. A production company that has access to national companies of theater, music and dance would be the best energy and financial input. They can also work with touring groups in Florida to book in Ft Pierce while traveling through the state. Another, director or local person to completely run this theater would not be wise.	6/5/2018 12:27 PM
484	More shows.	6/5/2018 7:39 AM
485	Larger variety of shows	6/4/2018 6:55 PM
486	Bring in more variety of performers and fewer tribute bands (especially when the original acts are still touring).	6/4/2018 8:52 AM
487	More affordable tickets; better performances, acts and shows.	6/3/2018 11:22 PM
488	The liquor bar should be open during the entire performance. Drinks should be measured and not free poured (they are STRONG) and bringing liquor in from the outside should be prohibited. Consider renting the venue as an inexpensive meeting space. I think the prior director did a good job and shouldn't have been fired. Consider political debates. Consider inviting presidential candidates from all parties.	6/3/2018 10:53 PM
489	Need more up to date shows.	6/3/2018 7:04 PM
490	Maybe have some more Broadway Plays like you did this year with Chorus Line it was a sell out and very entertaining	6/3/2018 6:33 PM
491	I think the Sunrise does fine and as far as I can see there aren't any major improvements	6/3/2018 3:31 PM
492	Getting new acts versus the same repeat acts. Getting the shows booked early and advertising them over a longer period of time. Many other venues have already announced next seasons events. Figuring out better ways to promote what is playing. Flashing billboards on Hwy 1 and on Seaway drive (I feel that attending concerts is an impulse decision). Also having info posted at the Farmer's market would help. Possibly more country acts would help improve attendance. Tortuga music festival is primarily country acts and they get 10s of thousands of people attending and the ticket prices are sky high.	6/3/2018 1:55 PM
493	re-hire John White; yes, the theatre has not made money, but the City never really expected it to make money. If you are going to continue to develop the downtown (like on the power plant site) you have to be able to offer quality entertainment to be who come here as visitors (they have the income) as well as residents	6/3/2018 1:12 PM
494	Do a better job of promoting the venue that is scheduled .	6/3/2018 12:24 PM
495	possibly more varied shows, concerts, dance groups, music	6/3/2018 12:14 PM
496	Understanding the cost impact on the city it's a difficult question, the loss of it would be detrimental to many businesses in the area, they should help pick up some of the expenses involved. Better shows mean more attendance but also more expenses increased ticket prices might help but could hurt also. Perhaps a sales tax increase could help offset some of the costs.	6/3/2018 10:57 AM
497	Bring in fresh talent. Every year there seem to be the same entertainers performing.	6/3/2018 9:53 AM
498	We personally feel the diversity of entertainment has managed to reach All the demographics of this county. The season usually has several shows we want to see. I think a good question to ask on this survey would have been "Do you typically dine downtown when attending a show?" It would have been another indicator to the value to downtown.	6/3/2018 9:51 AM
499	Change up the performers each year. Try NOT to relist same yearly performing music and or plays year after year. Also try a wide range of music types. Something for everyone.	6/3/2018 8:57 AM
500	MORE LIVE ENTERTAINMENT	6/3/2018 8:37 AM
501	JUST STAY OPEN	6/3/2018 8:27 AM
502	More variety of shows, no cell phone usage during the show for any reason. Fix the damages from the storm -- it is way past due.	6/3/2018 8:05 AM
503	Bringing in new and updated talent. We need to get on a 3 year cycle with our acts so we don't see the same thing every year. I would also love to see valet parking.	6/3/2018 7:58 AM
504	They need to bring in a variety of entertainment that is not the same each season.	6/3/2018 7:50 AM
505	Most people can't afford the cost of tickets to go.	6/3/2018 12:35 AM
506	Better acts and music concert	6/2/2018 5:39 PM

SUNRISE THEATRE COMMUNITY SURVEY

507	Better shows/concerts, larger acts. This past year the performers were not as good as in the past and we did not attend as often as we would have liked.	6/2/2018 5:14 PM
508	See above.	6/2/2018 1:22 PM
509	More ballets.	6/2/2018 1:13 PM
510	I think it's been great. Wilkes did a fabulous job! I'd love more country concerts. Maybe showing movies would help to bring more revenue. I would hate to see it close or change significantly.	6/2/2018 12:54 PM
511	Take some risks with some shows for a younger audience and stop catering to only the older crowd and the snowbirds.	6/2/2018 12:49 PM
512	loved Memphis Nights Midtown men some fresh Acts Talent	6/2/2018 11:45 AM
513	Better advertising of shows, more things I can bring young children too,	6/2/2018 9:09 AM
514	Getting more concerts.	6/2/2018 8:09 AM
515	Lower prices	6/1/2018 11:15 PM
516	Finish the ongoing renovations will be more appealing and give a cleaner fresh look. It has started to look shabby.	6/1/2018 8:23 PM
517	Offer more major acts. even if the cost is higher. Offer more rock concerts	6/1/2018 7:48 PM
518	cheaper prices for tickets	6/1/2018 7:03 PM
519	By booking more variety from year to year before repeating. More plays, musicals and come dy theatre. Perhaps having a small section as a dinner theatre. I understand cost is prohibitive, but an occasional current top act for several days to accommodate attendance. More local non-profit events by allowing a section of the theatre to be sold to n/p and then having exclusive cocktail party and VIP pre event, blend in with other attendees.	6/1/2018 6:51 PM
520	Lower your prices. You will probably sell out every time if the tickets are reasonably priced.	6/1/2018 5:46 PM
521	need more concerts	6/1/2018 5:42 PM
522	Lower prices a bit	6/1/2018 5:18 PM
523	BETTER ADVERTISING OF VENUES , MORE VARIETY OF VENUES , EXPLAINING OF NOT SO FAMILIAR ARTISTS TALENTS TO ATTRACT PEOPLES INTEREST TO SEE SHOW.	6/1/2018 3:52 PM
524	More "Broadway" type musicals and plays	6/1/2018 3:24 PM
525	Bring in more original acts, bands, something for the younger generation.	6/1/2018 1:10 PM
526	Bring in more Broadway musicals, even if done on a smaller scale than on Broadway; bring in dramatic plays with name recognition. Also, it would be nice if some shows could be more than one-night stands to provide theatre-goers with some scheduling flexibility	6/1/2018 11:44 AM
527	Continuing to bring Top performers to the theatre	6/1/2018 10:47 AM
528	More plays	6/1/2018 10:24 AM
529	Book sawdoctors	6/1/2018 9:11 AM
530	More theater performances, fewer concerts	6/1/2018 9:02 AM
531	More ballet	6/1/2018 8:27 AM
532	book better shows - stop with the tribute bands	6/1/2018 6:53 AM
533	Love it the way it is	6/1/2018 1:32 AM
534	I do not have an opinion on that considering I am not there often. As of now maybe more advertising.	6/1/2018 1:01 AM
535	It was great as it was. Bring back the last director (sorry, I forget his name) - his wealth of theatrical contacts was so valuable in obtaining and presenting all the programs and professional shows	5/31/2018 10:41 PM
536	Like it just the way it is.	5/31/2018 10:23 PM

538	Attract bigger name entertainment	5/31/2018 8:49 PM

SUNRISE THEATRE COMMUNITY SURVEY

539	In the past year I have seen the following acts/artists at the King Center in Melbourne and the parker playhouse(both with similar seating capacities to the Sunrise) : Steve Hackett, Al Dimeola, Donovan, John Hiatt, Lyle Lovett, Jackson Browne, Alice Cooper, and others. I would have loved to have seen them in my own backyard rather than travel more than 70 miles one way. I think you could improve your concert lineup by trying to attract a wider range of music from artists that are still recording and performing rather than playing the "greatest hits" circuit. Even though I'm 60, I feel that most of the acts and shows you are booking are geared towards part-time residents from New York and New Jersey that can afford the ticket prices. A wider range of musical artists would draw a younger audience. I'd love to become a member to support the theatre, but there are to few shows(especially in the last year) to make it worthwhile.	5/31/2018 7:44 PM
540	Need bigger acts to pull in more attendees. We frequently drive to the King Center and Emerson Center to see shows!	5/31/2018 6:07 PM
541	Email blasts Website updates media advertising/radio/tv/etc (lots are free) Social media / facebook updates (facebook hasn't been updated since Jay Leno) Join the 21st Century You need a full time Media Person	5/31/2018 5:54 PM
542	Only if they can continue the above.	5/31/2018 5:39 PM
543	Show foreign or arthouse films and documentaries. Install a local theatre group to perform - many people would buy season tickets. Having to worry less about showing a profit and more about partnering with the community.	5/31/2018 5:30 PM
544	Different shows each year !	5/31/2018 4:36 PM
545	I personally can't think of anything.	5/31/2018 4:21 PM
546	Expand offerings based upon survey results	5/31/2018 4:04 PM
547	Bring more indie bands to culture the people of this area please!	5/31/2018 3:21 PM
548	I would like to see more quality events, and yes, I would be willing to pay more for tickets.	5/31/2018 1:32 PM
549	Bring in more modern acts	5/31/2018 1:22 PM
550	Greater diversity of programming. Generally not interested in seeing same performers every year.	5/31/2018 1:02 PM
551	More Classical performances Symphony - Atlantic Symphony has offices right here, but no concerts???	5/31/2018 12:53 PM
552	N/A	5/31/2018 12:44 PM

554	Needs to have an update and better sound system.	5/31/2018 11:17 AM
555	Lower PRICES	5/31/2018 11:16 AM
556	Operas, other evening performances where guests can dress up and have a nice time in our own hometown.	5/31/2018 10:59 AM
557	More touring plays and well-known musicals. Lower comedy night pricing... check out Palm Beach Improv	5/31/2018 10:52 AM
558	Have more 60's, 70's music acts	5/31/2018 10:49 AM

560	I think they do a great job.	5/31/2018 10:35 AM
561	I have enjoyed it as is. The thought of losing this Theatre in our downtown breaks my heart and losing John broke my heart.	5/31/2018 10:33 AM
562	Bring more famous actors in.	5/31/2018 10:33 AM
563	The liason between the city and the theater should support the theater by showing up for performances and speak up with support when the opportunity presents itself.	5/31/2018 10:32 AM

SUNRISE THEATRE COMMUNITY SURVEY

567	Hopefully this survey and the public workshop will provide positive input moving forward. Perhaps consider working with local high school performing arts programs (if not already). Although in Indian River County, Indian River Charter High School could be a resource.	5/31/2018 10:19 AM
568	More classic rock shows	5/31/2018 10:17 AM
569	I would love to see a see a lecture series, live simulcast of Ballet or Opera from major venues worldwide.	5/31/2018 9:51 AM
570	Most theatres make good money from concessions. Create a concessions area.	5/31/2018 9:49 AM
571	More diverse programing. Artists that cater to the 30-40 year old crowd.	5/31/2018 9:29 AM
572	Continue upkeep of building. More musical performances and Broadway touring companies.	5/31/2018 8:47 AM
573	The last couple of years it seems we book the same groups, there are a couple that I would like to see more than once but not every year. It might be worth trying a couple a year that are more money but bigger draw. Also, is the theatre receiving grants? Having been on the board of an opera company in the past I know grants kept us afloat...the arts usually not self sustaining. I was interested in helping the theatre to write grants as I thought that would be how I could most benefit them but was told volunteers are only ushers. If you don't have this covered a grant writing committee should be considered or when you are hiring a new person look at amount of money you expect them to generate through grants. Along that line you may want to expand the scope of contributions of volunteers taking advantage of a variety of skill sets.	5/31/2018 8:07 AM
574	Affordable concerts. Would love to see contemporary dance offered. Right now have to travel to Lake Worth to see major dance companies	5/31/2018 8:06 AM
575	Fix it up. Several performers this year referred to it as a S-hole during their performance. Also, control the crowd. At least 2 major performances this season were ruined by obnoxious folks that disturbed the performer.	5/31/2018 6:35 AM
576	New groups	5/31/2018 4:00 AM
577	Sell coffee	5/30/2018 11:26 PM
578	Acoustics	5/30/2018 9:58 PM
579	utilize social media (Groupon) to fill unsold seats or have ushers submit list of people and have a last minute purchase for registered participants from lists sell seats....no more empty theatre seats a nickel is a nickel... lots of lost revenue by not discounting to a discreet audience prior to showtime	5/30/2018 9:29 PM
580	Improve quality of entertainment.	5/30/2018 9:19 PM
581	Add more shows	5/30/2018 8:50 PM
582	More promotion and better shows. No more tributes!	5/30/2018 8:33 PM
583	Less expensive drinks and cup holders	5/30/2018 7:49 PM
584	season ticket holders	5/30/2018 5:09 PM
585	More Saturday and Sunday shows	5/30/2018 5:08 PM
586	Not all events so pricey or bring in something that is worth the price, like 'Broadway Shows' recognized performers,	5/30/2018 4:57 PM
587	More jazz: David Bromberg, The Radiators, Yellowjackets. More political shows: Capitol Steps, Mark Russell More local color: Carl Hiassen, other local authors	5/30/2018 3:52 PM
588	MORE Shows !!!!!!! MORE variety !!!!! "Lazy" bookings and "Lazy" Marketing. Not "available" to our diverse community. Shows only cater to the White Elderly Snowbirds while ignoring the Treasure Coast residents. Feels like no one is in charge of anything. Stop being such a "mystery" !!! No need for the snob appeal. Stop being afraid of the local residents. Stop marketing to the Vero-Stuart crowd. Locals are your future. I heard you can pour your own drinks if you are in the know with the staff. You're going to run it into the ground with poor administration and your only solution will be to lease the space to a church or nightclub. Ohhh... No !!! Not with a Christian High School down the street. Get the City Commissioners and City Manager out of the Theater business and hire a "private" or Citizen Board to run it.	5/30/2018 2:04 PM
589	I enjoyed the shows provided	5/30/2018 12:29 PM

SUNRISE THEATRE COMMUNITY SURVEY

590	Offer more seating all around the lobby for handicapped folks, that have a hard time standing so long waiting to get into the theatre before the show begins. Also more seating in the upper lobby so that volunteers may have a place to sit when the show is sold out. Very difficult standing from 6:30pm until 10pm or whenever the show ends and everyone is out.	5/30/2018 12:28 PM
591	Discount last minute tickets.	5/30/2018 10:10 AM
592	Study the list of shows that made money over the past 5 years and the shows that lost money and book accordingly.	5/30/2018 9:40 AM
593	Less expensive venues	5/30/2018 9:30 AM
594	Keep the theatre going and try to get new and different entertainers.	5/30/2018 9:19 AM
595	More country concerts and comedy	5/30/2018 9:01 AM
596	Revenue needs to cover more of the expenses	5/30/2018 8:58 AM
597	More could/should be offered for Ft. Pierce's children -training, improvement, refinement for their minds, morals, development of civic responsibility - schools can't do it all. This would supplement a needed scope for embracing things like esthetics, ingenuity, knack, science, thinking skills, tact, expansion of the arts - hire someone who writes grants! That person should also be a salesman to bring in corporate sponsorships- only way to survive financially; study how Riverside is so successful- try to incorporate some of their techniques; seek local talent; seek advice from successful entrepreneurs who came from Ft. Pierce; expand advertising into Stuart, Vero Beach - are there free publications? Use schools and public governments, Museums, etc., for advertising - try to fill the theatre. Look at Chautauqua Institute - they offer a season of culture - themed events - get well-known speakers to donate a performance; how about a round table discussion on important topics; use the theatre more!	5/30/2018 8:48 AM
598	Get better shows at more reasonable prices	5/30/2018 7:45 AM
599	I think they do a great job	5/30/2018 7:30 AM
600	It would be nice to have more concerts & events focused on 25-55 age groups, rather than the senior snowbirds. Perhaps when a hotel is built in the downtown core, you can partner with local accommodations to market for this kind of entertainment and audiences.	5/30/2018 6:51 AM
601	Get bigger acts and more types of music Willing to pay more for a ticket for better and more famous acts	5/30/2018 6:07 AM
602	I spend a lot of time and money going to the Parker Playhouse in Ft. Lauderdale, as well as the Broward Center. Have also gone to King Center and all the way to Daytona to see acts I like. I read through your schedule of upcoming acts and there is nothing I want to see. I'd rather go to Ft Pierce than Broward Co! Saw Ron White there and it was awful--left early. There are lots of great comedians touring-Kathleen Madigan, Lewis Black etc. Sick of cover bands doing 'greatest albums live'.	5/30/2018 4:04 AM
603	Be more on top of communicating with donating memebbers. Make it easy for them to buy tickets, send out more personal communications.	5/30/2018 2:06 AM
604	More "concerts" for younger crowds (ages 18-30), bigger names.	5/30/2018 12:32 AM
605	more concerts and cheaper tickets.	5/30/2018 12:29 AM
606	proformances that interest mw more	5/29/2018 11:40 PM
607	Make it more affordable to local shows to preform there	5/29/2018 11:29 PM
608	More affordable shows.	5/29/2018 10:44 PM
609	Marketing. Living in Port St a Lucie the theatre has never been marketed to any of the gated communities such as OGA Village, Verano or others. In addition stop getting groups and individuals that are old and start to try and attract younger people.	5/29/2018 10:21 PM
610	I'm sort of getting tired of "Tribute Bands" shows - especially of groups that are active and still touring on their own!	5/29/2018 10:00 PM
611	Bring back John Wilkes	5/29/2018 9:56 PM
612	I think that it would be good to have more shows, use the theatre as much as possible. If possible to have shows and events all year - keep it going! Especially Broadway type shows, and new entertainment for a variety.	5/29/2018 9:34 PM

SUNRISE THEATRE COMMUNITY SURVEY

613	Have charging privileges at the bar instead of just "cash only", discontinue the "pre-curtain" speech, not needed and goes on too long. Fix the damage from the storms from last fall. Better security during shows. Allow people to use the doors at the back of the theatre to exit after a show...it takes Way too long to empty the theater after a show. Also, during a performance when the theatre had to be evacuated, it was a major problem getting people out quickly.....	5/29/2018 9:31 PM
614	Better variety Why wasn't any country shows scheduled this season. Have a gift card but nothing i really want to see yet.	5/29/2018 9:26 PM
615	Avoid allowing drinks in the theatre, should be lobby only. This would eliminate loud drunks disturbing patrons.And proper dress code enforced for all ushers.	5/29/2018 9:13 PM
616	Repairs need to be finished on the inside.	5/29/2018 8:44 PM
617	Keep the price of tickets affordable so people of different age groups can experience the theatre. If it's unaffordable, it's not enjoyable for everyone.	5/29/2018 8:39 PM
618	Keep ticket prices low.	5/29/2018 8:38 PM
619	Bring in performers who have been around a while	5/29/2018 8:32 PM
620	Bring back John Wilkes	5/29/2018 8:15 PM
621	The acoustics need to be upgraded.	5/29/2018 8:09 PM
622	More rock n roll, more Broadway shows, less Doo-wap. A suggestion: The membership levels allow higher level members a head start in purchasing tickets. My suggestion is that members who are willing to spend over \$1500 in tickets should be permitted to purchase tickets first regardless of their membership level. This would encourage more support fir the actual shows. Members bring friends and spread the word on social media, so reward them for purchases not just their membership donation level.	5/29/2018 8:03 PM
623	There is always room for improvement.	5/29/2018 7:56 PM
624	Love it as it is.	5/29/2018 7:54 PM
625	Year round weekend shows. I am only able to go to Thursday, Friday and Saturday shows. Also, more social media advertising would help.	5/29/2018 7:41 PM
626	better shows.	5/29/2018 7:39 PM
627	Membership - There is NO mailed (snail mail) membership renewals sent out. They only do e-blasts. In our community, where there are many folks who are not computer literate this is not the most effective way to reach members. I've had numerous friends complain that they were not reached to renew. Also, need to send renewals to lapsed members. I used to be a member, don't receive e-blast, therefore have no renewed. Salaried Staff - Since I volunteered for many years I saw the interaction of staff. They have the "it's not my job" attitude. Therefore, things fall through the cracks. There is no clear "workflow" of events. Staff member are afraid of losing their jobs, so they don't share what's going on with other staff members. They work more independent than as a team. Maintenance Staff – Maintenance folks are hired through an employment agency. One man, who I will not name, punches in and out even if he is not scheduled. Numerous times I have found him texting on his phone or sleeping in the "Will Call" room. Staff turns a blind eye. Again, Staff members care only for their job, not that we are wasting money on this person.	5/29/2018 7:29 PM
628	First and fore most fix or update the houses audio system.	5/29/2018 6:52 PM
629	Ticket prices need to reflect its customer base. Naturally, most want "A" acts, but don't realize that the performers get the same pay whether its a 10,000 seat venue or a 1,000 seat venue like the Sunrise. Perhaps the Sunrise might copy the Lyric in Stuart which seems to take an "throw everything at the wall and see what sticks" approach. For every "high dollar" act, an attempt needs to be made to offer an "affordable" one.	5/29/2018 6:47 PM
630	Active Marketing, outreach, attention to members	5/29/2018 6:36 PM
631	I like it the way it is going.	5/29/2018 6:25 PM
632	Cater to a younger audience	5/29/2018 6:00 PM
633	More famous artists	5/29/2018 5:50 PM
634	A little better sound system and to make sure the AC is working properly	5/29/2018 5:10 PM
635	Allow for local schools to be able to afford to have shows there.	5/29/2018 5:01 PM

636	Book jambands, blues, nola funk, newgrass	5/29/2018 4:58 PM
637	More shows.	5/29/2018 4:58 PM
638	You are missing out on an entire group of music. Christian music is exploding. I recently drive to Amelie arena for a concert with Amy Grant and Michael Smith. The place was packed. Drove to Florida Central U for Hillsong United. The place was packed. Fort Pierce has a bazillion churches. Acts like Chris Tomlinson, Kari Jove, Mercy Me would pack that theater.	5/29/2018 4:57 PM
639	I love it just the way it is.....	5/29/2018 4:55 PM
640	You might offer a senior discount or matinees.	5/29/2018 4:53 PM
641	Patch holes in walls. Paint.	5/29/2018 4:49 PM
642	Better acts. The last couple of years I have not found any interesting acts.	5/29/2018 4:47 PM
643	Larger variety. Way too many " performing as" popular bands shows.	5/29/2018 4:36 PM
644	More modern music, contemporary	5/29/2018 4:29 PM
645	Have more diverse concerts. I have been a member many years now and sorta get tired of seeing the same performers. I saw Neil Sedaka, who was great, the first time he was there and then he was booked again for the next year. The Beach Boys were great but then booked for the next year. Abba was great but then was booked the year after next. I saw Charlie Daniels there once. He has never come back. I saw Marty Stuart there, he never came back. I don't mind repeat performances but not every year such as the tribute to Queen.	5/29/2018 4:29 PM
646	Bringing in best acts possible	5/29/2018 4:28 PM
647	Maybe some bigger named artists.	5/29/2018 4:24 PM
648	I know funding is difficult but better shows with more up to date performers is what my husband and I would like to see. We are members and the last show we attended was Melissa Etheridge. No one else performing was of any interest to me or my husband. Again, I know in order to have more popular performers, it cost most to pay them. In order for the theatre to thrive there has to be something that can be done to save it. It would be a shame to have it close.	5/29/2018 3:17 PM
649	I think attracting more country shows, classic rock shows, name performers, national touring acts....and fun things, such as The Naked Magicians! I may not afford to be a "Member" but would love a discounted rate on 6-8 shows a year! Also, too many repetitive shows....Neil Sadaka, Johnny Mattis, Wynona, etc. Need fresh faces!	5/29/2018 2:10 PM
650	Don' t fix something that isn't broken	5/29/2018 1:53 PM
651	Keep up the fine programing	5/29/2018 1:50 PM
652	I think they are great the way they are	5/29/2018 12:51 PM
653	Love the black box as well as the variety you provide.	5/29/2018 12:49 PM
654	They are working really hard . I am very disappointed John Wilkerson is leaving . He is the heart and soul of the Sunrise Theatre. It is a great loss for the community that he no longer will be the director of the theatre.his rapport with theatre goers is heartwarming.	5/29/2018 12:32 PM
655	Bring more Country artists and R & B acts. Also, classic rock would probably help ticket sales. Maybe Earth Wind and Fire, Blood Sweat & Tears, Frankie Vallie, doo wop stuff, etc...	5/29/2018 12:18 PM
656	It's great now	5/29/2018 12:16 PM
657	sadly, the volunteers must clean up the theater after the show. people should not be allowed food and drink into the theater itself while a show is going on.	5/29/2018 12:00 PM
658	1. I think it should sell packages of plays at a group rate.... like they do at the Broward performing arts center. I would have done that if it was available. 2. Not really crazy about tribute bands. 3. Run the plays/events longer instead of just 1 or 2 days	5/29/2018 11:59 AM
659	Fix the damages from Hurricane and keep it updated. Have two lines at concession stand - one for cash only and one for credit cards. Have both bars open when it's a big event and your seats are in the balcony so you don't have to go downstairs.	5/29/2018 11:56 AM
660	Would like to see touring Broadway shows.	5/29/2018 11:47 AM

SUNRISE THEATRE COMMUNITY SURVEY

661	Bring more popular artists and shows that the 30-40yr old crowds would enjoy. I like all genres and Broadway shows. I do love live entertainment so I am always checking your site for new shows. Diana Ross was great. Pat Benetar was good as well. Since then not a lot of popular artists. I do believe if you book them the residents will come.	5/29/2018 11:29 AM
662	Offer a few more shows on the weekends.	5/29/2018 11:23 AM
663	Better seats - love the theatre but the seats are terrible. Not comfortable at all.	5/29/2018 11:20 AM
664	Less talking before the show- most irritating when all staff pat each other on back. Have lectures (minimal cost tickets but at least something. High prices drive people away) from experts at scientific institutions in area, from the college, from ranchers, from surfers and scuba divers, from local political groups, from politicians about water issues and criminal justice and Gertrude Walker on voting, from Aududon and Conservation Alliance, from high school bands, from dance and modeling schools, from local musicians and church choirs, where are Avenue D boys and girls? Put ad spots at principals' offices "tell your parents, kids!"	5/29/2018 11:20 AM
665	We've been members for years, but often I forget to renew my membership in the summer. I usually get around to it in the fall. An email reminder would be good. Also, some members may forget about doing it and then the membership declines, as well as the money from the membership. I would appreciate the reminder.	5/29/2018 11:10 AM
666	Better administration with regard to communication with members,volunteers and community in addition to collaborative advertising with local merchants. Theater needs to work with downtown merchants to have more options for patrons to shop, eat,drink and continue enjoying their experience in Fort Pierce.	5/29/2018 11:01 AM
667	book more rock concerts	5/29/2018 10:50 AM
668	more classic rock format acts	5/29/2018 9:56 AM
669	Allow dancing	5/29/2018 9:48 AM
670	More up and coming entertainers, more entertainment for younger audiences	5/29/2018 9:37 AM
671	Better shows. This last year the shows have not had the variety or quality that they have in the past. This is a great theatre that has tremendous	5/29/2018 9:03 AM
672	Hire back the GM that the City fired. Insane! The man brought good acts. If his salary was too high, at least offer a negotiation. It's shameful, based on what I've read, that he was fired without any advance notice or cause. Also, if \$\$ is a big concern, charge more for Memberships. I think the lowest level of Membership is cheap considering a Member can secure great seats in advance. Also, why isn't there a ongoing committee soliciting contributions from the members & community at large to help sustain the Sunrise?	5/29/2018 8:45 AM
673	Would love to see community theatre here	5/29/2018 8:36 AM
674	Shows during the summer. More Broadway shows in season.	5/29/2018 8:36 AM
675	More big names, less cover bands.	5/29/2018 8:28 AM
676	More variety	5/29/2018 8:22 AM
677	There is nothing to improve. The only suggestion I would make is host more "current" singing artists and would love to see more dance shows.	5/29/2018 8:15 AM
678	newer musical acts. Try to get a younger audience and people of color interested in what's going on downtown. Dinner and a show packages maybe?	5/29/2018 7:14 AM
679	N/a	5/29/2018 6:33 AM

684	Bring more concerts, comedy, plays that peek the interest of the young, millennial age group in St. Lucie County. Get young professionals from different demographics on the Advisory board to bring fresh and innovative ideas to the board. Increase social media presence!	5/28/2018 11:30 PM

SUNRISE THEATRE COMMUNITY SURVEY

685	More big name acts, less "cover-type" bands I am not interested in a Beatles "experience", LED Zeppelin "experience" or any other "experience". I want to see the real performer.	5/28/2018 10:21 PM
686	The more affordable more people get to enjoy what the Sunrise has to offer. The more varied events to attract many new customers.	5/28/2018 9:20 PM
687	More restaurant choices	5/28/2018 9:10 PM
688	I live about an hour away. If the theatre was improved, had updates I think the theater would bring in more people. I realize the building is old but if there were some updates in the sound and lighting; new paint and chairs, even a bit larger stage bigger productions would be able to come in. The last time I was there I noticed that the paint was peeling off of the walls the seats were frayed and the smoke from the show caused the theater to be evacuated. The theater is a wonderful place and affords great opportunities for those in the area to be exposed to live theater. It just needs some updating. A facelift would be great.	5/28/2018 8:10 PM
689	Keep having great shows and a large variety- get even bigger performers to come	5/28/2018 7:59 PM
690	Fire whoever got rid of John - I would love to know why he was asked to leave - if it is because the Theatre is not profitable then that is an operational issue. Start accepting credit card at the bar would be a good start, marketing is poor at best - I am not the lone voice in the community but I am perfectly ok with the Theatre losing some money every year because it supports so much of the downtown business - Major Screw up getting rid of John!!! I don't think you will have any luck finding someone to replace him but hopefully for the sake of the downtown economy you do - another screw up just like screwing up the tiki Bar - did anyone try to determine the overall economic impact of either of those decisions, doubt it - very disappointed in the City, two big screwups in a few weeks	5/28/2018 7:52 PM
691	More 60s concerts.	5/28/2018 7:33 PM
692	Apparently you need a really good fund raiser person to bring in the bigger donations that you need to sustain yourselves. Other than that all has seemed great.	5/28/2018 7:25 PM
693	Bring in more music. Festivals like Orange Blossom Jamboree and musicians that play at Suwannee Music Park are incredibly underrepresented in this area. Also, showcasing film and documentary that is underrepresented in this area would be fantastic. Daytime educational opportunities for local HIGH SCHOOLS - I haven't taken my students to a daytime play in over ten years because we cannot afford the bus transport to West Palm and still make the trip economically viable for my Fort Pierce students.	5/28/2018 7:01 PM
694	Lately it has been for an older generation and I'm 63. Not too many classic rock bands this year	5/28/2018 6:52 PM
695	Have more events for youth to be involved.	5/28/2018 6:43 PM
696	Get more comedy acts.	5/28/2018 6:40 PM
697	Love the theatre just the way it is. Maybe a little more ands	5/28/2018 6:25 PM
698	Get the word out of all the great shows! Perhaps billboard advertising or direct mail.	5/28/2018 6:21 PM
699	Please keep the quality & variety of programming as has been until 2018. With the improvements forecast for downtown Ft Pierce, (ie. hotel, private housing, shops, & restaurants), economic sustainability of these endeavors is questionable without our Sunrise Theatre. The City Commissioners were correct in their initial assessment that the theater would probably always have to be subsidized. Restored theaters with this caliber programming is subsidized regularly all over the country. If you must, increase ticket prices 15%, perhaps incrementally over the next 18 mos.. I'm sure your patrons would welcome this as opposed to mediocre offerings. How about charging for beach parking by non-residents - to add to the tourist budget item which could be allocated to the Theatre.	5/28/2018 6:15 PM
700	You have a large over 55+ following which includes myself and my wife. Please continue with entertainment from the Rock and Roll □ era .	5/28/2018 6:13 PM
701	More local talent	5/28/2018 6:09 PM
702	More up to date musicians and Broadway shows!	5/28/2018 6:00 PM
703	Bring more shows towards younger audiences, and well known comedians.	5/28/2018 5:58 PM
704	I don't know; I've been very happy with our experience as a member.	5/28/2018 5:51 PM
705	Shows of late appeal to the younger generation need to have some that appeal to the Island residence. Com petition from IRSC is haven an impact.	5/28/2018 5:15 PM

706	More shows	5/28/2018 5:09 PM
707	More acts of all kinds .	5/28/2018 4:55 PM
708	Try and get some name brand country.	5/28/2018 4:48 PM
709	More national acts.	5/28/2018 4:42 PM
710	Variety, Newer/upcoming Acts,	5/28/2018 4:40 PM
711	Bring in more concerts	5/28/2018 4:13 PM
712	Fill the theatre by lowering ticket prices. Get people used to attending and retrning before raising costs to where they are now.	5/28/2018 4:07 PM
713	"You have to spend money to make money". It is well know in all theatre, only 40% of a ticket price pays for the event. The rest of the money comes from donors, membership, & sponsors in the community. The price for a performer has increased over the years, and with a limited budget, I am sure the Sunrise finds it difficult to attract outstanding performers.	5/28/2018 3:57 PM
714	by bringing in more variety of talent from across the music industry. Seeing the same people yr. after yr. does get tedious and boring.	5/28/2018 3:42 PM
715	Paid Tours should be offered at least weekly, with historic and paranormal focus. Allow paid paranormal investigations when the theatre is dark.	5/28/2018 3:35 PM
716	A better variety of shows year round with different price points.	5/28/2018 3:34 PM
717	More concerts for all ages new and old. Comedy shows	5/28/2018 3:14 PM
718	The truth is that people with money come to see these specific types of shows, and they are shows that sell out or come close to being sell outs like "The Rock & Roll Doo-Wop/Oldies Shows" from the 50s 60s, 70s. Here are clear examples of more of what we need to save the Sunrise Theatre: The Beach Boys, Neil Sedaka, Johnny Mathis, Tony Orlando, Kenny Vance & The Planatones, Peter Noone of Herman's Hermits, Frankie Vally, Jay & the Americans, The Bronx Wanderers, The Mystics, Tommy Mara & The Crests, Cleveland Still & The Dubs, Tribute Shows like: The Bee Gees, The Eagles, Elvis Presley, The Carpenters, Billy Joel, Motown, etc.	5/28/2018 3:06 PM
719	Lower prices to compare with King Center and Kravis for lower priced tickets.	5/28/2018 3:01 PM
720	Bring in more current performers and more things that would interest a younger audience as well. PLAYS!!! That's what a theater is all about too! And current Musicals. Also maybe cater to more gospel/faith based concerts - how does a Michael W Smith perform all around the globe and at Morning Side Church in PSL but not the Sunrise? There are many popular Black gospel artists as well to draw a more racially diverse audience. In my book, the theater as it was run, catered mainly to an older (50+) white audience.	5/28/2018 2:56 PM
721	Physical plant needs repairs. Sound system could be better	5/28/2018 2:54 PM
722	Obviously new management! But do you ever wonder how much CASH walks away from your CASH ONLY BAR???	5/28/2018 2:43 PM
723	The show selection can't be improved. Maybe the membership marketing can be tweaked to increase the number of members. Marketing in general is very important to fill the theatre.. For example we attended the Heart concert and there were many empty seats. We didn't see any advertising for this show beforehand except for email as a member.	5/28/2018 2:28 PM
724	See #14	5/28/2018 2:26 PM
725	More entertainers that are not has beens and keep ticket prices more reasonable.	5/28/2018 2:20 PM
726	Try to get more groups from 60s 70s folk. Broadway plays	5/28/2018 2:14 PM
727	Have the director actually talk to people, not just the ones with money.	5/28/2018 1:59 PM
728	Have more live theater plays.	5/28/2018 1:46 PM
729	Bring new big name acts in to perform	5/28/2018 1:22 PM
730	Stay in business! Keep offering free summer films and top performers.	5/28/2018 1:16 PM
731	Adding more shows	5/28/2018 12:55 PM
732	I would like to see more professional theater productions.	5/28/2018 12:47 PM

SUNRISE THEATRE COMMUNITY SURVEY

733	We like everything about it.	5/28/2018 12:45 PM
734	cheaper tickets.--- the price for has been entertainers is too much. I would like to see newer upcoming talent or something more progressive	5/28/2018 12:40 PM
735	Often the sound is poor. It seems when an artists sound crew is involved it tends to be loud. Perhaps a set level of sound may work. I can see where disabled parking could be very difficult. Perhaps reasonable or tip only valet service would we welcome. Better shows, less vulgar comedy, more name entertainment old or new. Finally, allowing open drinks in the theatre during a show could be curtailed. Many folks don't care if they impose on others by getting up and getting drinks.	5/28/2018 12:36 PM
736	Hard to pinpoint but not booking so many repeat performances and having 2-3 day Broadway performances.	5/28/2018 12:29 PM
737	More variety from year to year... Hadn't attended an event in awhile because they had become rather repetitious.	5/28/2018 12:19 PM
738	Re-hire John Wilkes	5/28/2018 12:09 PM
739	Could have repaired the damage that was obvious to the theatre. It was an eye sore. Sound system is sometimes not the greatest. Movies projected on the current screen are grainy and sometimes hard to watch and hear. This could be improved.	5/28/2018 12:08 PM
740	Events that address a wider range of social economics if thats possible.	5/28/2018 11:57 AM
741	Have more high profile acts.	5/28/2018 11:50 AM
742	The Sunrise is fine, and is being run very well. What is critical, and is apparently the weak link here, is the philanthropic support that EVERY (and I mean EVERY) theatre needs. No theatre can support itself on ticket sales only. Philanthropic support is key to maintaining a healthy bottom line. Grants could also be investigated, but I know there are less opportunities these days. You need to get a strong Development Director in there who can identify sources of support and go after them aggressively. There should also be opportunities for recurring large gifts, such as the Lyric in Stuart has with its Directors Circle.	5/28/2018 11:48 AM
743	Keep doing what you've been doing. Possibly raise the ticket price by \$2. to help with funding	5/28/2018 11:48 AM
744	Publish box office hours	5/28/2018 11:47 AM
745	More big name acts. By the way - Q11 the programming will not allow answering each item. I could only select each possible rating scale point one time across all of the options	5/28/2018 11:41 AM
746	Better shows. With the city's reduced funding the last few years, the theatre hasn't been able to book as good shows leading to reduced ticket sales. The city needs to commit to its success.	5/28/2018 11:21 AM
747	Get Mr. Wilkes back	5/28/2018 11:09 AM
748	I can't think of a way except to be closer to me in St Lucie West but then it would not be the same beautiful, historical theatre! Thsnk you for all of the enjoyment I have experienced at your theatre!!!	5/28/2018 11:04 AM
749	Maybe an update of seating and cosmetic interior update.	5/28/2018 11:00 AM
750	Continue doing what you have been doing. Stop blaming Director who did a great job. Start fund raising to allow the theater to continue. Riverside can't exist without the donors they have. Tickets are not going to cut it.	5/28/2018 10:55 AM
751	Not really sure. The theatre is neat clean and comfortable. The shows are great with a wide variety to see.	5/28/2018 10:53 AM
752	Moe 60s shows	5/28/2018 10:46 AM
753	Look internally first. Is the staff receptive and warm to members and customers? If the quality of the shows goes down so does membership and attendance	5/28/2018 10:36 AM
754	Keep getting great shows and performances.... and the city manager made a huge mistake letting go of John Wilkes... he was the best thing that ever happened to the Sunrise theatre.... Huge mistake Mimms .	5/28/2018 10:33 AM
755	Less emphasis on "tribute" concerts	5/28/2018 10:30 AM
756	Continue with same venues as in past!	5/28/2018 10:30 AM

757	I think more shows during the summer months to include top names/big names. Have great shows all year long.	5/28/2018 10:25 AM
758	Schedule name brand performers.	5/28/2018 10:24 AM
759	bring back dorector	5/28/2018 10:21 AM
760	More diverse options	5/28/2018 10:18 AM
761	More restrooms for the ladies would be nice, but not a deal breaker; one of the things that could improve the Sunrise is more affordable restaurants in downtown area,- many are expensive; more shopping open until 9 pm - it would be nice to park for free, do a little shopping, have dinner, and see the show. In other words, create an environment that knits me into the fabric of the downtown area. I would be more inclined to buy a ticket to a show if I can also do other things. Review membership categories and perks. Try to find more incentives for membership for those who are middle class. This might result in more memberships overall. Talk with downtown businesses to see how they might team with the Sunrise. For example, maybe a membership could also offer a \$10 off coupon for a restaurant when I spend \$50 (as an example). I would basically be getting \$10 back on my membership and encouraged to dine at a downtown restaurant where I might become a regular.	5/28/2018 10:13 AM
762	audible poor sometimes	5/28/2018 10:09 AM
763	Diversify	5/28/2018 10:05 AM
764	Even greater mix of offerings. Bring more personalities.	5/28/2018 10:01 AM
765	It's fine as it is	5/28/2018 9:58 AM
766	Minor cosmetic repairs	5/28/2018 9:57 AM
767	Get more popular performances that younger people like. Stop booking the same old performances year after year that nobody wants to hear. Work a little harder to find out what appeals to visitors to the area and book these acts. Work with downtown businesses to promote performances and provide cross promotion for business offerings.	5/28/2018 9:57 AM
768	Continue getting great performers at reasonable prices. Allow members to continue having earlier access to tickets.	5/28/2018 9:57 AM
769	Up until three years ago the playlist was outstanding with a good mix of country, classic and rock bands. (We loved the bagpipers!) There used to be a lot of tribute bands and rock bands and we were going to 8 to 10 shows a season. Then the classic rock shows stopped. And we did not come to shows. To improve? Start courting more middle income people to be members rather than big money. Yes, big donations help but there are more middle income people who may want to be members and buy more tickets than there are big money donations. Make this a true community theater again, please.	5/28/2018 9:54 AM
770	Keep trucking	5/28/2018 9:48 AM
771	more urban events, incorporating hip hop artists and concerts	5/28/2018 9:46 AM
772	Theatre membership rules were changed "for the worse". The establishment of "membership levels" tied to ticket purchase access dates favored the "fat cats" and "business types" that could write off their ticket purchases. Membership regardless of the amount that a person could afford should allow "equal access" to ticket sales on a "first come - first serve" basis. A \$50.00 membership is affordable, however, memberships in the "thousands" block the majority of ticket purchasers from obtaining the seats that the wealthy have a lock on due to the membership "rules" that block most people from the chance of obtaining better seats. Those who "donate" large amounts of money should be rewarded with their names or business names within theatre advertising for their generous support of the theatre or by other means (be creative!).	5/28/2018 9:46 AM
773	Don't close, continue to offer high quality shows. If ticket price increases are necessary, we will continue to support the theater. Sunrise theater is an extremely important venue for the character of the treasure coast.	5/28/2018 9:45 AM
774	Have more for local patrons throughout the year and not focus on seasonal visitors	5/28/2018 9:45 AM
775	put on some plays, musicals.	5/28/2018 9:44 AM

SUNRISE THEATRE COMMUNITY SURVEY

776	I think it's great the way it is! If it needs to be subsidized it is worth it. It supports local businesses. It introduces Fort Pierce to a wide audience. Just stand InThe lobby as people arrive. Each show brings a different group of individuals who may never have visited Fort Pierce without that particular show. I think a LECTURE SERIES would be a great addition.	5/28/2018 9:40 AM
777	Offer Pit seating at a premium price to raise more money for the theatre. Very simple and painless way to raise money. Front row even high.	5/28/2018 9:39 AM
778	I think the Sunrise does an excellent job of entertaining its residents and drawing people from surrounding areas to its venues.	5/28/2018 9:28 AM
779	Offer more large seats	5/28/2018 9:27 AM
780	More affordable shows for maximum attendance	5/28/2018 9:27 AM
781	Continue to bring in the variety of excellent venues and have the city's total financial \$upport for its continued success and future.	5/28/2018 9:17 AM
782	If we could get more big name bands (rock) similar to Ringo's All-Stars, Moody Blue, The Orchestra (ELO). Maybe sell it as a great place for these bands to "warm up" before they go on tour at larger venues because that's exactly what it is.	5/28/2018 9:14 AM
783	More shows in the off season	5/28/2018 9:14 AM
784	Have shows during the summer for residents. Maybe a shorter summer season. It works at Coral Sky except in your case it would be nice and cool at the show!	5/28/2018 9:13 AM
785	Bring in well known Country bands even if ticket prices are higher; country music lovers will attend and pay!	5/28/2018 9:12 AM
786	Bring in better shows. Ruth Eckerd/Capitol Theater in Clearwater is similar in venue style yet they have more/better shows.	5/28/2018 9:09 AM
787	Bring in shows like the King & I, South Pacific, Oklahoma, Cabaret etc.	5/28/2018 9:02 AM
788	More affordable ticket prices	5/28/2018 8:59 AM
789	Book better acts. The quality of the performers has not been great	5/28/2018 8:56 AM
790	Better shows	5/28/2018 8:54 AM
791	Maybe rent the theater out more 2 popular local artists. The Pink Floyd cover band show the other night was fantastic. Buy Local I mean the state of Florida.	5/28/2018 8:41 AM
792	I would say the biggest thing that I would try to improve would be the sound system. There has been one or two out of there multiple times that I've been there that I think the sound quality could be a bit better. Also, maybe the refreshment section in the lobby could be kicked up a notch.	5/28/2018 8:38 AM
793	Broader offerings	5/28/2018 8:36 AM
794	Maybe lower the ticket cost a little.	5/28/2018 8:31 AM
795	Better shows. Too many cover bands for the price.	5/28/2018 8:30 AM
796	Bring back John Wilkes! What a mistake you made. And, why were members not asked about their thoughts on this matter?	5/28/2018 8:20 AM
797	The theater is truly a feather in Ft Pierce's hat. Dont screw it up! Have additional pricing tiers. I live in Vero and the local theater is boring. Better marketing to surrounding areas. This theater, more than anything else, raises Ft. Pierce's image. Build on it! From what I hear, was it a mistake to let the director go? Sounds like it. You must continue at the same or better scheduling and remember the theater represents your only cultural icon. Rethink and get creative with local merchants, public and pricing. Talk to other theaters. No excuses and dont let this theater go.	5/28/2018 8:18 AM
798	It should be promoted more. The city needs to take an active interest in it, as the theatre is an anchor in downtown Ft. Pierce. Maybe study how other theatre's in small towns are run and succeed. Example: Lyric Theatre-Stuart Vero Beach Theatre of Performing Arts	5/28/2018 8:11 AM
799	I like the theater as it is.	5/28/2018 8:05 AM
800	Sound	5/28/2018 8:03 AM

810	Then interior needs some repairs. If possible more real big name acts like Willie Nelson. Advertise better. I see ad in the paper but should be on Radio.	5/28/2018 7:18 AM
811	Keep getting good musicians	5/28/2018 7:17 AM
812	Wish the shows started a little earlier. It's a late drive back to Vero.	5/28/2018 7:15 AM
813	Like it as it already is	5/28/2018 7:06 AM
814	Get John back for one. Change the entire City Council with more progressive thinking individuals. Get the city to understand that even if the city has to supplement the Sunrise, it's worth the investment. Perhaps if more city officials paid and attended more or any Sunrise events, they would understand its importance.	5/28/2018 7:05 AM
815	Return to the best available acts that are in demand by your target audience. The 2017 choices of acts was initially poor and I didn't join for the first time in 12 years. Then you began adding, but it was too late to get good seats.	5/28/2018 6:58 AM
816	More major headliners.	5/28/2018 6:57 AM

821	Not sure.	5/28/2018 6:35 AM
822	Bring in better, more quality shows. Don't low budget	5/28/2018 6:33 AM
823	wasn't aware of the financial situation of the theatre. Perhaps the theatre can be up front and publicly explain how it became. to this point. Apply for grants? Can artists donate some shows for 100% of the ticket sales go to the theatre? my wife and I would certainly attend.	5/28/2018 6:32 AM
824	Keep the big acts coming.	5/28/2018 5:56 AM

829	Good question start a Lit Fest for children and adults.	5/27/2018 5:35 PM
830	More variety with musical performances.	5/27/2018 4:01 PM
831	The quality of shows the past two seasons haven't been particularly exciting. It seems the offerings were better in the past.	5/27/2018 2:23 PM

835	Sound system is very loud in certain areas of the theater.	5/26/2018 6:23 PM
836	I would suggest adding popular classic plays by less know casts. In a smaller venue in Syracuse NY they use to have plays like "The Man of Lamancha" with a smaller less know traveling production that were still entertaining and could fill a smaller venue at a reasonable price. I also would like to see more emphasis on other classic music such as R&B, Soul, and Country.	5/26/2018 10:26 AM

851	More top entertainment acts.	5/25/2018 3:40 PM
852	Equal opportunity out with the politics!!	5/25/2018 3:04 PM
853	Continue to get better acts.	5/25/2018 2:04 PM
854	Better acts more consistency. Also, keep concessions open the whole concert. Regardless if ticket prices competitive to Stuart and Vero the argument could be made that ticket prices are still too high for our area. In comparison the median home price in Stuart and Central Vero is more than double that of Fort Pierce yet your asking those same Fort Piercians to pay the same admission prices. IF the theatre were filled up and concessions running to the hilt the place would be profitable regardless of a slightly lower ticket price.	5/25/2018 1:19 PM
855	The acts and the ticket prices. - For the past several years, most of the shows are bands impersonating others/tribute bands (Queen, Elton John etc) or it's the same person/group that has been here numerous times (Stephenwolf guy - John Kay for example). When the theater first opened, we had original acts and little repetition. Obviously we can't get groups that no longer perform or ones that sell out major stadiums but I'm sure that there are still many others with reasonable prices that are willing to come. Also, we should not repeat shows that have just performed near by - A Chorus Line was in Vero about 2 years ago. You also need to start bringing in shows that appeal to younger audiences. Your typical crowds won't be around much longer. - Ticket prices for some acts are more than what I have paid for shows in bigger venues. However, if the show is worthwhile, price is not always an issue.	5/25/2018 12:58 PM

There are some excellent performers out there who may not be as well-known as "ABBA" but are far more interesting and deserving. Steal some from the Black Box!	5/24/2018 7:53 PM
885	Have more current artists and off Broadway shows.	5/24/2018 6:40 PM
886	Glad that we don't have to listen to the boring, low-key, downer announcements from the old director any more. I was embarrassed for him. - please provide shows during the summer months	5/24/2018 6:26 PM

888	Leave it just like it is.	5/24/2018 6:16 PM
889	More shows	5/24/2018 5:57 PM
890	Even though it is ideal to have a wide variety of genres of shows. It seems to stem the bleeding you will have to cut out the money losing shows. However losing a reasonable amount of money is not a bad thing for the city considering the economic benefit that the Sunrise creates for Fort Pierce.	5/24/2018 5:55 PM

108	I would like to see sponsored events that did not require as much up front money to bring artists to the venue. I know it is necessary to bring money in, yet it would be good to use this venue for many more showcases as verses jazz events but rather34950 for all types of music.	6/28/2018 3:56 PM

122	Would like better performers but I understand that you have a tight budget. Would appreciate better performers but I can understand you have a limited budget.	6/28/2018 3:03 PM
123	It's a great venue. The price is good. However, the comedy shows are often very off-color to the point of being unwatchable. The most enjoyable was a comedian who did not appear to be driven to use profanity in every joke. He was actually the funniest comedian of the several who we have seen. My wife no longer wants to attend the comedy shows for that reason. There is no reason why The Black Box should not be sold out virtually every evening. Something is wrong.	6/28/2018 3:00 PM
124	I love the intimate feeling of the Black Box. I would like to see a designated dance area during the music shows.	6/28/2018 3:00 PM

166	Update	6/28/2018 11:22 AM
167	Love the black box - but the casey & spaz "show" before each show is waaayyyy too long & drawn out. Everyone I know has the same complaint. I have chosen not to go to a couple of shows because I didn't want to deal with the preshow nonsense. It gets stupid and drags on for too long.	6/28/2018 11:11 AM

269	It is great; the comedians who appear are, for the most part, excellent.	5/29/2018 7:54 PM
270	Black Box - I love the black box. It's a shame that Robert Merritt had to resign because John would not give him a \$1 raise per hour raise which would amount to \$10 a week. He volunteered for 6+ years, then 3-4 years ago was hired by John (through the employment agency) to work the black box. He is very personable, responsible and did the Theatre proud. But he did not feel he was being compensated properly. Bring Robert back to the Theatre.	5/29/2018 7:29 PM

#	RESPONSES	DATE
1	Bring in professional consultants and listen to them and implement a successful plan.	7/25/2018 10:54 AM
2	Should have security inside the actual theater in addition to the lobby.	7/14/2018 11:52 AM
3	The Bar: I don't consider the bartenders volunteers when they are receiving tips. If they had to donate their tips, I'd like to see how quickly they'd line up to volunteer. I also believe if there was a station in place to pay for a drink ticket, which would then be handed over to the bartender, you'd find your bar sales will be much higher. A line for beer & wine only would help alleviate the backed up lines at the bar. The quicker you can get the drinks out the better. Perhaps, 2 ushers (one upstairs & one downstairs) could help with this position during intermission; true volunteers. Shows: The repeats are killing me! New talent is obviously in order. Someone had mentioned securing better acts during their downtime; perhaps on weekdays and in between larger gigs. If people were willing to pay \$125 to see Jay Leno, I'm guessing they'd pay the same for a more current singer, show, etc. Matinees. Would love to see: More ballet, dance, comedy, off Broadway shows. Chris Isaac, Keb' Mo', Jill Scott, Toni Braxton, Elvis Costello, Jack Johnson, Lyle Lovett, Bonnie Raitt, Seal, Gipsy Kings, Mary J. Blige, Michael Buble', David Gray, Il Divo, Ray LaMontagne, Boyz II Men, Backstreet Boys, Sam Smith, Peter Frampton, David Lee Roth, Maxwell, Tyrese, Shabba Ranks, Pat Benatar, Blondie, B52's. Thank you :)	7/14/2018 8:53 AM
4	I used to volunteer but no longer. The system of 'rewards' or incentives (vouchers) is too difficult to use. Suggestions to improve treatment, shows, etc was not appreciated or valued.	7/14/2018 12:21 AM
5	Concern no one we would enjoy are going to be booked. We are season ticket holders for Riverside theater, we also have been to 8 to 10 shows at Sunrise per year also.	7/11/2018 5:39 PM

11	Please don't take the Sunrise Theatre away!	7/7/2018 1:52 PM
12	would love to believe the theatre can be successful	7/7/2018 11:42 AM
13	More benches in front of the theatre would be appreciated for those unable to stand for long periods of time.	7/6/2018 10:01 PM
14	Please don't give up!!	7/6/2018 1:27 PM
15	please don't let the theatre close! I feel bad we have not seen as many shows the last few years as we did in the past but not as much interested us.	7/5/2018 3:42 PM
16	(Member; already on email list.) We can do this! I'm convinced the Sunrise definitely has the potential to be profitable.	7/5/2018 2:12 PM
17	The city should find a way to encourage tourism and continue the Sunrise, but also a way to pay FPPD enough that we don't keep losing mid-level officers to better paying departments.	7/3/2018 2:45 PM
18	I asked my friend who is a world famous DJ (she mixes for Madonna, Cher, Beyonce, Pink etc.) if she would want a part-time job with the Sunrise to get more and better acts there. She said she would think about it - I will ask her again if you are interested. Contact me at 305 776 2424. Christine Kesl I am pleased you are doing this survey. Thanks.	7/3/2018 1:09 PM
19	I'd hate to see the theatre leave Fort Pierce. Fort Pierce doesn't have enough cultural offerings. Downtown needs to improve to support more businesses and the theatre.	7/3/2018 1:07 PM

41	As I understand it, the theatre is coming in at a loss for the last few years. While it's done and overwith, it may have been prudent to address the loss at the beginning, and you may have. Additionally. if memberships are low, why not a membership drive with lots of inviting incentives. Finally, there is a foundation and as I understand it is used primarily for raising funds for Children's activities thought it didn't start out that way. Perhaps a consultant or Development Officer with strong skills in garnering donations in all forms, someone well versed in raising community awareness, and working outside the community to increase the perception and awareness of the theater. Raising money is the key and it seems to me that that may be what is lacking. I don't believe your marketing person is the ideal person for the job. With someone with a broader view and vision, the outlook for the theatre may be brighter.	6/30/2018 9:44 AM
42	This is a local landmark and would be a shame for it to close down.	6/30/2018 9:04 AM

47	Start booking original rock and blues artists again rather than trying to satisfy that audience with tribute/copy bands. Whatever decision making process that caused the previous booking person to eliminate rock and blues acts was flawed. You lost me and my wife along with about a dozen of our friends as members and frequent attendees. We also usually invited friends of ours who had never been to the Sunrise to see acts we really liked. The last few seasons have been a huge disappointment because there is very little to nothing of interest being presented from ORIGINAL rock and blues artists.	6/29/2018 10:30 AM

Sell packages with MEET & GREETINGS WITH ARTISTS Sell series of tickets, if you get 4 concert tickets you get a discount, or 4 shows of a certain type like other theaters do	6/29/2018 9:17 AM
54	I can not imagine why you would stop doing what everyone worked so hard to get to shine. I think we have a diamond right here.	6/29/2018 9:09 AM
55	We need to keep the Sunrise Theater. The show hours are wonderful. Might want to look in to rotating some of the same act that appear each year. If mostly local attend if they saw Do WOP this year you may not get them next year for that show. Some act draw a crowd every year like Hotel Calf. Make sure time share units on the island advertise. Most have a Mondy meet and great offer a set of free tickets and tell them about the theatre and coming up shows. I own time share and never heard of Sunrise till I move to Port St Lucie. Try to keep cost down where possible so even if they did not budget for a show they can afford it.	6/29/2018 8:54 AM

63	The Sunrise Theatre "is" the downtown bringing people from all over supporting restaurants & shops. Bringing in the right person at the helm is vital and can have a huge impact to the Theatre's success. More thought should be given to using the Sunrise Foundation for outreach and fund raising opportunities. This organisation seems to have been forgotten by City Officials. We (the community) has an opportunity to make something really great, let's not blow it! Thank you!	6/29/2018 6:36 AM

68	We think it's important for Fort Pierce to have the Sunrise Theatre in order to continue to attract a population to the area who enjoy eating out and being entertained. As the majority of those with disposable income are of retirement age, they don't want to be driving a long distance, especially at night. Without the Sunrise Theatre, they would opt for Vero or Stuart. How would you then encourage them to purchase a home or condo in Fort Pierce?	6/28/2018 11:05 PM

119	Attended pubic comment last night. Is the theatre a volunteer theatre with no profit or breaks even or a professional theatre with professional acts that is well managed and makes a profit? The lady from St Louis who worked in professional theatre had good comments. Management team is key. A community advisory board to the city might be good. It is hard to gauge the losses financially without all the facts.	6/28/2018 3:28 PM

SUNRISE THEATRE COMMUNITY SURVEY

123	Thank You for a job well done .	6/28/2018 3:18 PM
124	I have worked at the sunrise as a freelance audio technician for 3 years. I own a production company, and manage venues all over the country. Our group from aag live was at the City meeting last night. We have seen the lack of concern for these three years that I have been helping out there. The lack of concern about the upkeep of the equipment, management, treatment of staff, and even treatment of patrons. I worked the Beach Boys shows last year and had one of the Beach Boys (who is 79 years old) tell me "we needed to get into the 21st century". They couldn't even play the video that goes along with there program the proper way because we were not relevant enough with our equipment. They were all very frustrated! I called several companies in Florida I knew in order to get equipment that would work for them, but no one properly advanced the show so we didnt have time to get them a replacement. This replacement if we did have time would have cost the theater an additional rental fee and last minute delivery charge if we did have the time. All this could have been solved with a proper production manager advancing the show and a state of the art projector at the theater. I could go on and on and on about how the Sunrise isn't able to help the artists. The fact that we need to rent gear almost every show in order to have a professional act come through instead of being relevant with our own equipment is just money we throw away. I have seen it a lot. I also see how some of the employees are professional and some just don't care, they come in and leave half way through the day and don't return calls or emails. I would fire half this crew and hire some professionals that want to see the theater actually thrive. People who want to be a part of the team and work together to be a part of a bigger goal, and people who are passionate about their job. I worked 18 shows for the Sunrise last year and I worked 50 weeks all around the United States on over 300 shows in different locations, and I had one other place that ran as bad as the Sunrise and that place is no longer in existence. I can tell you as a Production Manager and live sound engineer, it bothers me to no end that you have people in charge that do not have a clue what it takes to be management or to oversee a production. I have watched people at the Sunrise get hurt on the load-in ramp because no one is there to oversee it, I have watched tour managers be upset because no one has communicated with them needs and I have seen the staff upset because they don't know whats going on from the top down, I have watched your interm director come in and leave and never even attend the shows or care about the people that they hired to come in (introduce herself, be a present helper to her employees, answer questions, etc), I have seen a lot of disfunction and it mostly lies in the upper office management areas. I came to the theater last night for the open discussion and brought team members from my company with me (who got up and spoke) because I believe in this theater, I love the lighting director, and stage hands, and stage manager and we all work great together. We have become friends over the years and a few of us all see this disfunction and have held on because we want to see it change and because we are passionate about what we do. Since day one, all I hear about from the employees is how they wish someone of my caliber would stay and help them fix things. I continue to work there as a freelance engineer because I want to see things change and I see the potential in a place like the Sunrise Theater. I want to be part of my local community and the arts around here. I love the area and I am passionate about bringing great productions and managing great shows for the Treasure Coast. Unfortunately I have to travel around the country because nothing here has ever been excellent enough to warrent me staying in town. I would stay and help if things ran professional. Its my passion and heart in life to make things of this nature excellent. I try to do that over and over when I work at the sunrise, and everywhere else I travel. I would love to see the theater managed by a company that knows how this business works. I would love the opportunity to help be that company. I have 26 years of management experience under my belt and 18 of those as a Professional production manager for concerts, live events, and theater. I manage several teams all over the US at once and would love to see our local theater managed in a professional manner also. I would also love to see the marketing take a jump into the 21st century from online ticket sales to social media promoting. The Sunrise has been a theater lost in time for far to long and it could be an amazing center piece to our treasure coast with ongoing profit for the area. thank you for your time I appreciate it so much!	6/28/2018 3:16 PM
125	I like the Sunrize venue and hope you become Even more successful.	6/28/2018 3:03 PM

127	More of an effort should be to engage our black and Hispanic citizens. I've been at several shows that have attacted large numbers of African-American attendees. I have yet to see many Hispanic attendees. More well known black and Hispanic performers should be engaged. Ideally, the performers should appeal to all races. Also, very few young people are seen at the various shows. Perhaps an effort to engage younger attendees could be made at a venue like The Black Box.	6/28/2018 3:00 PM
128	The Sunrise is wonderful for the city if Ft. Pierce. Please fight to keep it.	6/28/2018 3:00 PM

153	Because the Sunrise Theatre has failed to pay its media bills in a timely manner, most publications in Vero Beach no longer print press materials--including the publication with the largest readership (also in Fort Pierce), the Vero Beachside News (affiliated with the New York Times New Service/Syndicate). Currently the Vero Beachside News has more than 65,000 readers from Palm Beach to Melbourne with an average household income of more than \$140,000. Readers of the Vero Beachside News actively support the Atlantic Classical Orchestra, Riverside Theatre, the 2019 Festival of Orchestras (Indian River Symphonic Association), the Kravis Center, the King Center, etc. The audience of the Vero Beachside News enjoys theatre, music, opera, special performances i.e. Chinese acrobats, drummers, etc. But the publication no longer writes about offerings from Sunrise. Nor will it until bills can be paid in a timely manner. Bills were paid on time when Susan Hunt was there... It is Sunrise Theatre's own fault that it is "broke." Many who would willingly supple funds for the organization--or create massive amounts of publicity--have abandoned the organization because of grave mismanagement.	6/28/2018 2:24 PM

Dear Nick Mimms,

We regret that we missed the recent Sunrise Theater meeting as we were out of the country.

Nick, I don't believe we've met but please know that we have lived in the Renaissance on the River 20 Orange Ave for the past 4 plus years. We moved to The Renaissance, and Harbor Isle before the Renaissance was built, after 20 years in Stuart. We located downtown because of the Sunrise Theater. We will quickly sell and leave town if the theatre ever closes as we believe the downtown will die and property values will drop.

We are proud members of the Sunrise and we are also members of the Lyric and the Kravis and at least 3 other theaters out of town. I grew up in New York hooked on theater. My husband and I have been major supporters of the Sunrise Theater for years and have been known to buy the most amount of tickets in a season in addition to our substantial contributions. We are also amongst the highest tax payers in the city of Fort Pierce and support all of our restaurants and yacht clubs, main street, the museums and markets.

Living in the neighborhood, we find it frightening that Downtown Fort Pierce is a ghost town any night that the theater is not lit unless there is an event at the Marina Square. The theater is the economic engine for downtown and has helped it to become vibrant on theatre nights. It brings a cultured group to the town with money they are ready to spend on more than beer.

A quick survey of all the local restaurants including those across the bridge on Seaway and the local retailers (that stay open in the evening), will quickly show their uptake in sales revenues and the number of people each establishment must additionally employ on any night that the theater is open.

We have never known a theater to be self-sustaining in any community and any theater to be viable needs some community tax support as well as strong membership and attendance.

Interestingly it has come to our attention (unless that has just changed as they may have been shamed into it at the last meeting) that none of the commissioners are members of our theater and nor have they attended theater performances unless they have been comped!

We strongly urge your full support of the theatre.

It has been the lack of support that resulted in a cheap malfunctioning telephone system that resulted in the theaters inability to access many phone messages, which got members so angry. True that a senior staffer notoriously didn't return calls even

internally, but that only applied to one of the otherwise exceptional and diligent employees.

John Wilkes enjoys huge contacts in the theatre industry and could attract talent despite the severe limitations of his budget and huge competition from larger theatres. In thinking about a new executive director theatre contacts are essential as well as managerial fiscal and fundraising ability.

I have run a national executive search firm for 30 years Tower Consultants, Ltd. And no I don't specialize in the entertainment industry and I'm not looking for business, but I do know enough about the search industry to help in any firm and candidate selection process should you go the route of a national search or not.

My sense is that a search firm is not affordable and nor is the heavy cost of relocating distant candidates and I do not believe that any current staffers could begin to do the job ahead.

While we enjoy our summers in Massachusetts I am always available by phone and happy to volunteer any advice or assistance.

I'd suggest polling the members and broader community for suggestions of suitable candidates. I'd suggest placing direct solicitation/ referral calls to all of Florida's theater Executive Directors. I'd try to access a directory of theatre directors and consider an advertisement.

We love our Sunrise and believe all the staff and particularly the box office crew do an awesome job. It would be helpful to make them partners in planning for the Theatre's future and not risk losing them.

The theatre needs tax dollars and membership but also active fundraising. Contributions now support the Missoula Theater but I am not aware of any fund that supports the actual theatre. Perhaps an endowment fund should be created. We would also suggest a (required) contribution from all the local restaurants and bars and retailers with evening hours that benefit from proximity to the theatre.

We were surprised that we could not find an email address for you on the city's website Glad to chat with you about any ideas and the pleasure of your reply is appreciated. Donnaregan111@gmail.com Please feel free to share this letter with all the Commissioners and appropriate personnel. Thank you.

Please don't let the sun go down on our beautiful Sunrise!

Cheers!

CITY OF FT. PIERCE
CITY MANAGER'S OFFICE

Thank you for giving the community the opportunity to hear about the Sunrise Theater's financial issues and the public's support and suggestions for improvement. It was very enlightening.

We came away realizing that there are people in this community and area who have the expertise to help us reach our goal of a viable, self-sustaining theater district. I use the word district, because the one thing that was missing from the discussion, which may not have been appropriate at the time, but needs to be realized is that we have the potential to be a mega theater entertainment area. We not only have the Sunrise Theater which is up and running, we have the Lincoln Park Theater which is under renovations and the non-profit, wonderful Pineapple Playhouse. The expertise needed for one can be feed, transferred over to the others, thus will build up all.

Three things I noticed at last night's meeting:

1. Unresponsive communication from the Sunrise staff. This has been true for a long time — going back to 2009. I thought it was me they didn't want to talk to. It was clear we have an administrative issue. All communication must be logged and responded to in a timely manner otherwise the business fails. This can be remedied by having volunteers answer phones. Return calls — at least acknowledge they were received and prioritized issues.
2. Lack of the public relations. We use to get emails, but they seems to have stopped. There are high school and college students who need experience & credit for community involvement. Interns are one of the best ways to get the tech knowledge, excite future generations, and include our youth. With the right administration this would work well for all.
3. Business acumen: Last night we heard from experts in the business. I totally understand the need for the right people in the right position. In my business career I worked documenting procedures for a friend whose company manufactured diamond-plated metal plates (running boards for trucks is one example of the items on the production line). The company began to experience issues (one pay period from closing) because he had the wrong person running the place while he took family time. He was smart enough to hire a consulting company who not only saved the company in a short time, but increase revenue tremendously because it was hired to make the business work. They got rid of the "deadwood" that we knew internally needed to go because their territorial demeanors were sabotaging the business but we were too afraid to get rid of them. It was a real lesson in right people, right

job - and document, document, document. The consulting company was under contract for approximately a year (it might have been less), but they were experts in the field. This approach might be the right option for the city. Because they are not "connected" or "partial" to anything other than the contract, they can establish the right people from the community in right job to success. Mark's business is in the small town of East Stroudsburg, PA - a seasonal town in the Poconos.

You are correct that governments are not often in the theater business but they benefit from them if done correctly. Look at other cities. Put together a group of volunteers to explore other successfully cities and report back to you.

One more suggestion: The St. Lucie Chamber of Commerce is setting up to take reservations for boat cruises and other activities. Why not allow them to sell tickets to visitors out of the Seven Gables House. Do like they do in New York — offer discount tickets on the day of the event that isn't sold out. This is where experts in the entertainment business — consultants who get paid to be successful can help us.

All of these suggestions require setting in place clear, crystal clear instructions — documented, bound, and delivered — so that everyone knows what to do and how to processes everything: contracts, sales and receipts, to answering the phone. It may already exist and just needs to dusted off.

As a sideline: My husband and I were on our way back from the Midwest one year when we stopped for gas in the middle of the night in Vicksburg, Mississippi. My husband got talking with an individual about the town. The gentleman (African American) offered to show us the downtown area. We followed him into town. It reminded us of Fort Pierce. It has a river and we stopped at the theater which was supported by Morgan Freeman. While it was late and the town was closed, we could feel the pride in his voice as he explain how important the theater was to the community which featured current and future actors, artists, and musicians. We left feeling the same about our town... We can do this....We're the same. One day we'll have our own Morgan Freeman.

Thanks again for the wonderful time last night. We are so proud of our city officials and our fellow residents. Keep up the good work.

Best wishes always,

Buster & Jeanne Johansen

Subject: Sunrise Theatre Observations

Dear Mayor Hudson and Mr. Mimms,

I am writing to thank you both for organizing and hosting the recent Community Meeting for the Sunrise Theatre. I found the dialogue and information exchange to be both extremely insightful and productive.

By means of introduction, I am a member of the Sunrise Theatre Advisory Board and am in my third year on the board. I joined the board because I wanted to contribute to advancing the Arts in our community. I am a third generation Fort Pierce native; my grandfather was the very first postal delivery man in our city; my father and Aunt were born here in 1925 and I grew up here and graduated from John Carroll in 1982. Both of my parents were actively involved in the Arts (my father sang in the Treasure Coast Opera and my mother played cello in the Treasure Coast Symphony) so my desire to support the Sunrise is partly driven by honoring their legacy.

That being said, my time on the board has largely been a disappointment. Traditional boards are designed to provide advice, council and strategic direction to the entity that they support. The Sunrise board in my tenure has done none of that. Our board meets every other month so that means if everything goes perfectly, we would meet 6 times a year which is simply not sufficient to effectively execute our duties (last year I believe the board met less than 3 times due to lack of quorums).

However, the purpose of this correspondence is not to discuss the past but rather to speak about the future and a path to get there. My professional background is rooted in Finance, Technology, Operations and Executive Management Consulting and looking through this lens there are several areas of opportunity and improvement:

1. **Complete A Thorough Financial Analysis:** Part of the frustration as a board member is that we have only been presented with part of the story. Each board meeting we are given a very top level review of the performance of the shows at the Theatre. This analysis only includes the cost of the event, some ancillary cost items such as security and the ticket sales (revenue). On the surface, events that *appear* to have either turned a profit or broke even really did not when accounting for the rest of the expense items allocated to the Sunrise's annual budget. Information is power and leads to better decision making. We need financial tools that will enable the management team to make informed choices based on empirical data rather than a subjective one. Let's change the perspective from being reactive to being proactive.
2. **Empower the Board:** The board needs to be more actively involved in the strategic decisions that impact the Sunrise. An excellent example of this is the annual event programming. At no point during my tenure on the board were we ever included in discussions around event and program selection for the upcoming year. Just as we all learned at the Community Meeting, the 2018 schedule is locked in and in composition is not materially different from the 2017 schedule. How can we expect improved results if we keep doing what we are doing. Let's establish a committee made up of the Sunrise management team, board members and perhaps a representative from the City that is tasked with reviewing and approving the schedule based on event cost, perceived interest from our patrons and alignment with the programming goals of the Theatre.
3. **Create Executive Search Committee:** As we gear up our national search for a new Executive Director, the creation of a cross-team selection committee is paramount to securing the right person for the next phase of the Sunrise Theatre's growth. Review and input from a broader and more diverse team will ensure that all needs are addressed during the selection process.
4. **Leave No Stones Unturned:** There should be no holy grails when it comes to addressing the issues that are driving the less than satisfactory performance at the Sunrise. All areas of the operation should be reviewed. One area of particular interest to me is how we approach the pricing of our tickets. For shows that are not selling well, why not offer discounts to fill the seats? We have

fixed expenses that need to be covered so selling a seat at a discounted price is far better than not selling it at all. Let's be open to thinking outside of the box and in creative, non-traditional ways to solve this puzzle.

In closing I want to reiterate that I am eager, energetic and dedicated to improving the performance of the Sunrise Theatre with the primary goal being that it remains a gem for the City of Fort Pierce; an asset that contributes positively, productively and ultimately provides value to all members of our community.

Thank you for your time and consideration.

Kind Regards,

Luke A. Croghan

Hi Nick,

It was nice seeing you on Wednesday evening. I spoke to you after the meeting with regards to possibly being on a committee for marketing. I have two other friends (business associates) that are also members of Sunrise that interested in assisting with marketing.

I would also like to be on the advisory committee when an opportunity arises.

I have a great feeling about the future of the Sunrise Theatre and look forward to helping any way I can.

Dear Mr. Mimms,

Just a quick note to say thank you for the meeting and presentation in regards to The Sunrise Theater last evening.

I don't get to spend much time to be involved with the Theater, mostly because of work constraints. My mother who has volunteered since the theater opened with my father and since his passing, has spent many hours supporting the process, while in attendance last night, in her uniform! Watching those people can't help but to keep me proud of what the local people accomplish. Along with the City Commission and it's staff working late hours to listen to us speak and advise.

In many conversations, for many years in the Arts business, I have found that fellow colleagues are happy to input their support, should you seek it. I have found that small theaters are successful financially and economic engines to their communities, Jupiter Theater as one. Hats off to the visual and sound effects person who spoke about Miami to California with his work! I would like to suggest we discuss his company and more like his, to support the theater. I like many other colleagues know that when something is not working we must look at different avenues and continue to educate ourselves in this line of work. This is not a numbers business that continues to be consistent year after year. Fashion, art, theater and interior design are some of the areas that take continued change and nurturing, almost like a seasonal garden.

I would also like to input that I have in my survey, an outside company is a direction we should considered enthusiastically. As he explained "he is not successful if the theater is not successful". The costs of doing business with contracted professionals is not always more costly, but most times less when retirements and insurances are equally considered. I am not suggesting we loose supportive employment though consider the weight of a new director versus an outside company, financially, successfully and resourcefully with contacts far reaching our local zip codes.

In terms of Arts Education, I am still on board with support the Kennedy Center Partners in Education Program.

Thank you for all of your work and leadership to bring the Sunrise issues to light with complete transparency.

Best regards,

Linda Fasano

Hi Libby,

Just a thought, I am not a theater person in regards to directing the organization but thinking of options.

One is to sort of piggy back on companies that travel to the South East to incorporate their performance in Ft Pierce.

Say there is a theater company at the Riverside in Vero, organize a plan in where they stay a day or two extra and incorporate a show at the Sunrise.

This would add additional funds to their visit and support the Sunrise in ticket sales.

The Kravis to Miami there are many shows that travel right passed us that may help.

Not sure if this is a communication with support from the Riverside staff or agent process. Some of the larger shows are costly though working together this may open a

door that the Sunrise may not have had a chance to entertain.

Second, I have heard of companies and artists who support local venues with workshops and schools. Maybe looking into this would help as well.

Considering the Kennedy Center Arts in Education Partnership will help foster this process with the schools.

Talk soon, I will attend the session next week too!

Linda

Subject: Sunrise Theatre's Future

Mayor, Commissioners and Mr. Mimms:

First off – I want to thank you all for appointing me to serve on the Sunrise Theatre Advisory Board. As a nearly 20-year resident of Fort Pierce and someone who has worked for six years at Riverside Theatre in Vero Beach – I understand how vital the Sunrise is to the quality of life and the economic development of not just Fort Pierce, but St. Lucie County as a whole.

Secondly – I want commend the City for hosting last week's open house on the future of the Sunrise Theatre. You and City staff showed great interest and a commitment toward listening to the suggestions and criticisms from our residents. While I was in attendance at the meeting, I did not get up to speak. As an Advisory Board member, I wanted to listen to the suggestions before sharing my input.

So here are my suggestions on the future of the Sunrise:

- Find an Executive Director/Manager with not just theatre experience, but someone who also understands marketing and professional development/fundraising. It would help if they knew and understood the community. But most of all – they need to be focused on customer service. As Mr. Westbury wrote in his column, it is extremely disappointing to hear potential rental customers say that emails/phone calls weren't returned and they choose to use venues outside of our county. I think it would be helpful if the City utilized the expertise on the Advisory Board to help review resumes and even take part in the interview process. I personally would be honored to participate in the selection process.
- Focus on development. The Advisory Board recently discussed the fact that typically ticket sales only cover 60 percent of a theater's operations. The other 40 percent comes from grants, sponsorships and fundraising. In reading the minutes of the advisory board before I was appointed – there were discussions about hiring a Development Director. I understand that seems counter productive: Adding additional staff and costs to a budget that is already in the red. But maybe this could be a contracted position that works on commission only. They secure a \$10,000 sponsor; then they earn 20 percent of that revenue. This same concept could be applied to an Events Manager/Sales Rep. They only earn money – once they secure rentals that create revenue. I also feel the Membership benefits could be expanded. Right now - there is an option for Sunrise Members to receive discounts at downtown restaurants - but that could be expanded to include places like Sailfish and the Pierced

Cider. Maybe even offer Sunrise Members a free round of golf a Indian Hills or discounts at other city facilities such as events at the Riverwalk or Manatee Center.

Update/Improve the theatre's equipment and infrastructure. I know the City is currently contracting the County's Legislative Affairs Manager to help with lobbying efforts. Make it a priority for her to seek State funding for capital projects and equipment. Another source of revenue could be the Tourists Development Tax (the .33 percent of 1 percent for capital projects north of Midway Road). These are the same funds used in recent years for the Backus expansion and the new signs for the Hurston Trail. A final option might be to look at the Florida Arts Licenses Plates. A portion of every one of those plates sold in St. Lucie County is supposed to go back to that county for the arts.

Offer More Diverse Programing. As stated multiple times, the Sunrise staff should look at a more diverse lineup of events and artists. Look to partner with existing groups such as the new St. Lucie Cultural Alliance. During the summer, partner with Summer Crush Winery, Sailfish or the others on the Treasure Coast Wine & Ale Trail to host a Sunday afternoon Rock Doc Series; where the various breweries & winery serve their products and the theatre shows classic music movies like The Last Waltz, Pink Floyd's The Wall or Prince's Purple Rain. There could even be a series of surfing/skateboarding documents with a tie to local surf shops. Personally – I've driven down to Miami; Fort Lauderdale; Orlando and Tampa to see artists such as Jason Isbell, Ryan Adams, Wilco and others in venues comparable to the Sunrises such as the Parker Playhouse and the Plaza.

Marketing: Again it was stated that the Sunrise needs to diversify its marketing efforts. One issue I see – is that the emails the Sunrise sends out always end up in my spam filter (both at home and at work). More promotion can also be done on FPTV for the Sunrise. Most of the artists that play the Sunrise would provide staff with free promotion videos that can be easily edited by staff to add graphics over the video, stating the date and times the artist is performing at the Sunrise with a phone number for tickets. These could be shared not just on FPTV but other local government channels and social media. Furthermore – if you are booking an up-and-coming artist – why not look into spending marketing dollars on social media to target fans of that area in Florida. Or consider advertising on music services such as Pandora or Spotify. If people are using those apps to create a playlist for an artist coming to the Sunrise – ads could alert them. Also reach out to free mobile apps like Bands in Town to make sure all Sunrise events are listed and promote to its subscribers.

I know this a lot of information. But I feel strongly about keeping the Sunrise Theatre up and running. If you have any additional questions or follow, please feel free to reach out to me.
