Dear Mr. Mimms,

My husband and I have travelled for the past year on our tugboat, Gypsy Spirit. Ergo, we have had the pleasure of staying in many different marinas. We want you to know that to date, your Fort Pierce City Marina is our favorite.

The marina is only as good as its staff. The entire staff is excellent. One staff member, Becky, is outstanding. She absolutely is efficient, unflappable, totally competent in getting things done, and she always wears a genuine smile. If I still had my business running (I am retired), I'd try to steal her from you!!

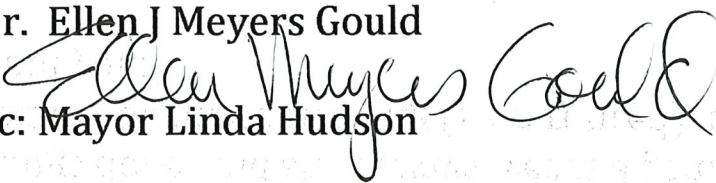

At any rate, you should get a round of applause and a "well done" from two cruisers who appreciate a clean, well running marina. We hope to stay here again, and will definitely recommend this marina to fellow cruisers.

We are Great Loop cruisers, so we will be through here again. Upon our return, we will definitely stay with you.

Many thanks and congratulations,

Dr. Ellen J Meyers Gould
