Fort Pierce Officials:

On behalf of ALDI, thank you for your support these past few months. We are thrilled that our Fort Pierce store is now open, and we are excited to begin a great partnership with the community.

We look forward to bringing the Fort Pierce -area customers a wide range of premium groceries, including a robust fresh produce selection, organic offerings, USDA Choice meats, the SimplyNature line of products free from over 125 artificial ingredients and preservatives, the liveGfree gluten-free product line and more.

We hope you and the community will take advantage of Simply Smarter Shopping at ALDI, with high-quality exclusive brand products at prices that are up to 50 percent\* less than traditional grocery stores.

For over 40 years, ALDI has been a grocery store communities can count on to consistently provide great-quality products and low prices every single day. We look forward to continuing that tradition in the Fort Pierce-area and beyond.

Thank you again for your support.

Sincerely,

Chris Hewitt
