Mr. Messer asked Mr. Benton how the city will ensure the establishment of an ingress easement is accomplished and if the ingress and egress easement is what is being referred to in the first condition. Mr. Benton stated the easement is what is being referred to in the first condition in the staff report and the capacity has been left open for various ways of accomplishing the shared access, whether it is a private agreement or an actual access easement.

Gus Gutierrez, Applicant, stressed that the parking lot is private property and after hours cars are being towed for liability reasons. Mr. Gutierrez said to prevent cars from being towed during special events and after hours, a parking lot attendant would collect for parking, and in turn the
