Hosted in different locations across the country, NBC-LEO's conferences give local elected officials the chance to share success stories, learn how other communities plan for the future and focus in on specific issues.

This year's theme will focus on local procurement.

Looking at your community's procurement policies is a key way city leaders can take concrete steps towards supporting small, women and minority owned businesses; at the conference, you'll learn how to take action and how you can be most effective in your community.

Located between Fort Lauderdale and Miami, Hollywood is a prime travel destination anytime of year, and a great backdrop to a vibrant and exciting conference. With networking and learning activities alike, you can expect to:

Enhance your network of elected officials and statewide leaders

Learn about timely issues in special seminars that will expand your skill sets

Strengthen your governance skills

- ▶ Adapt community programs as best practices for your community
- ▶ Attend the NBC-LEO General Membership Forum
- ▶ Participate in NBC-LEO Committee Meetings
- ▶ Find solutions to challenging problems in your hometown
- ▶ Consider becoming a leader in NBC-LEO and NLC
