Re: Letter of Appreciation

On behalf of the Police Department, I would like to take this opportunity to acknowledge the positive changes that has transpired since the restructuring of the Fleet by Mr. Reals, the Director of Public Works. It has had a positive impact on our department that has elicited numerous comments, from both officers and supervisors, on how quickly our patrol vehicles are being serviced.

In previous years there has been long waits with an overabundance of patrol cars sitting on the ready-line waiting to be serviced. Officers and supervisors would have to wait up to several weeks to pick up their patrol cars. This is no longer the case, and it is a credit to Mr. Reals and his staff at the garage and a result of the changes he has made to the Fleet Division.

I would like to formally recognize both Mr. Reals and Ms. Briggs at the next City Commission Meeting and have the letter of appreciation included in the commission packets. Thank you.
