Nick, Mike and Joe:

I'm sending this note to thank you for your interesting and informative presentation on Tuesday, June 19 at the Hibiscus Park Neighborhood Association Meeting. Several of our regular attendee were absent and I wish that they had been there to hear you.

The news that we would be having so many streets paved or resurfaced was beyond exciting! That is going to be so important for our neighborhood. The improved appearance plus the ease of driving will be fantastic. It will encourage residents to take particular care of their property and street. We are all appreciative of this wonderful enhancement to our neighborhood.

Thanks to each of you for your great service.

Sincerely,

Martha Wright
