*Know All Men by These Presents*, that the undersigned

for and in consideration of the sum of One Dollar, to them in hand paid by **Fort Pierce Utilities Authority of the City of Fort Pierce, Florida** (located at 206 South Sixth Street), a municipal corporation under the laws of the State of Florida, receipt whereof is hereby acknowledged, do hereby convey and grant to the **City of Fort Pierce, Florida, for the use and benefit of Fort Pierce Utilities Authority**, the privilege and easement for the installation maintenance, operation, repair, replacement and/or removal of their municipal-owned electric, water, sewer and natural gas utilities, in, under, upon, along, over and across the following-described land in St. Lucie County, Florida, to wit:

**SEE LEGAL DESCRIPTION AND SKETCH ATTACHED HERETO**

Access to the above strip of land over the adjoining lands of the GRANTORS is hereby granted. The GRANTEE may cut or trim trees, bushes and saplings growing upon or extending over said strip of land so far as may be reasonably necessary in the installation, maintenance, operation, repair, replacement and/or removal of said utilities. Patrolling said easement shall not constitute grounds for a claim for damage.

The GRANTORS reserve the use of said strip of land for any use not inconsistent herewith, but no buildings or structures shall be erected or placed on said strip of land by GRANTORS.

The GRANTEE will indemnify and save the GRANTOR harmless from any damages, injuries, losses, claims, demands or costs proximately caused by the sole fault or negligence of the GRANTEE, its representatives, subcontractors, or agents in the installation, maintenance, operation, repair, replacement and/or removal of said utilities and the equipment and facilities connected therewith, over and across said strip of land. Provided, however, that regardless of whether any such obligations are based on a tort, contract, statute, strict liability, negligence, product liability or otherwise, the obligations of the FPUA under this indemnification provision shall be limited in the same manner that would have applied if such obligations were based on, or arose out of, an action at law to recover damages in tort and were subject to Section 768.28, Florida Statutes, as that section existed at the inception of this Contract.

The GRANTOR hereby covenants and warrants that it owns the said land and has the right to grant this easement.

*In Witness Whereof*, the GRANTOR has caused these presents to be executed in its name, by its proper member thereunto duly authorized this
