CODE ENFORCEMENT

Florida

TO : Rebecca Grohall, Director of Planning
FROM : Peggy Arraiz, Code Compliance Manager
SUBJECT : FPRA Lots
DATE : January 5, 2018

I have reviewed the lots identified and proposed to be declared surplus and provide the following information:

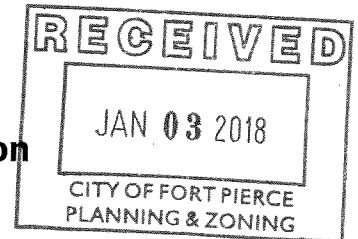

- 2409-518-0001-000/8
 - There is a code enforcement lien in the amount of \$67,650.00. I have researched the public records and do not find a Lis Pendens that would have eliminated the lien or a Release of Lien indicating the amount has been satisfied.
- 2410-601-0119-000/7
 - There is a code enforcement lien in the amount of \$2,220.00. I have researched the public records and do not find a Lis Pendens that would have eliminated the lien or a Release of Lien indicating the amount has been satisfied.
- 2409-516-0043-000/8
 - There is a code enforcement lien in the amount of \$46,250.00. I have researched the public records and do not find a Lis Pendens that would have eliminated the lien or a Release of Lien indicating the amount has been satisfied.

RE : FPRA Properties Proposed for Surplus Disposition
DATE : January 2, 2018

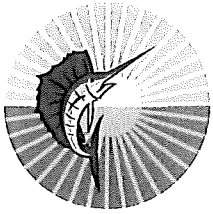

As requested, we have reviewed the list of properties proposed to be declared surplus, that was provided on December 20, 2017, and have the following comments:

Item #

Item #	Comments
1-3	The first three lots listed, are part of The Oaks at Moore's Creek plat. Access to these lots would be from an unimproved, substandard right-of-way. I recommend a revision to the plat to provide a minimum of a 60' right-of-way prior to individual disposal of these lots.
4	This lot is located on the south side of the Moore's Creek Linear Park on 13 th Street. This lot is convenient for staging of equipment for creek cleanup and other maintenance operations, but is not a necessity to keep.
5	This lot is also part of The Oaks at Moore's Creek, but has access from 13 th Street. Engineering has no objection to declaring this lot surplus.
6-13	Refer to #1 above. Recommend revision to plat prior to disposal.
14-15	Both of these lots are adjacent to the Moore's Creek Linear Park. Both lots have encroachments of the park improvements. Recommendation is for the City to retain these lots.
16-17	Engineering has no objection to declaring these lots surplus.
18	This lot is located on the northeast corner of Dundas Court and Avenue E. Avenue E is currently a sub-standard right-of-way. Engineering recommends retain this parcel for future right-of-way and intersection improvements.
19	No objection
20	Refer to #1 above. Recommend revision to plat prior to disposal.
21-24	Engineering has no objection to declaring these lots surplus.

Q:\ENGINEERING\City General\FPRA\2018\Review of Properties for Surplus Disposition.docx

25	Refer to #1 above. Recommend revision to plat prior to disposal.
26-28	Engineering has no objection to declaring these lots surplus.
29	Refer to #1 above. Recommend revision to plat prior to disposal.
30-31	Engineering has no objection to declaring these lots surplus.
32	Refer to #1 above. Recommend revision to plat prior to disposal.
33	No objection
34	This lot is also part of The Oaks at Moore's Creek, but has access from 12 th Street. Engineering has no objection to declaring this lot surplus.
35	Refer to #1 above. Recommend revision to plat prior to disposal.
36-43	Engineering has no objection to declaring these lots surplus.
