Subject: Request for Fine Stoppage - Permit 17-158

Good afternoon Shaun,

I am following up from the conversation you and Harry had today regarding permit 17-158. I was under the impression we had 180 days to close out this permit that was paid for in September but now I understand we have begun recurring fines. Can we request a hearing to cease fines as we are in progress of having our sub contractors complete their affidavits?

As you are aware, our primary focus has been on the community with disaster relief to Orange Blossom and Sabal Chase. I also thought we had until March to close this permit so I assume all responsibility and greatly appreciate the city's consideration to this request. Thank you in advance.

Respectfully,

Matthew Johns, Florida Operations
