TO WHOM IT MAY CONERN

I am writing this letter to keep you updated of our progress, we are waiting on completion of engineer's drawings for outside shed located at back of building. The plans are 95% complete. I have spoken with Engineer and he has assure one week to completion.

We ask for your patients and consideration in this matter. Inlet Bait INC will like to keep its doors open and avoid any future liens. Please review attached drawings as you will see, we are almost there 95% completed.

Yours Respectfully  
Sanjai S Sohan & Carmen R Sohan
