Audria, thank you very much for the great job you and your crew did on the volunteer lunch yesterday. What you did with the room, the table settings, the program and the gifts and certificates was well beyond what I expected. I could not believe how nice it looked when I walked in and how well run it was. Lots of nice comments heard and overheard. Please let Rose (those were amazing table decorations), Faith, April, Damian, John, Mandral, Akeem, command staff, and anyone I missed know how much we appreciate the efforts.

As a special favor to me, please do not let Charlene know where you shop for the truly unique gifts and stuff you come up with!!!
