FINAL ORDER

THIS MATTER came before the Board of Examiners of Contractors of the City of Fort Pierce, Florida, (the "Board") for hearing on May 14, 2019 upon the Complaint filed by the Complainant, Shirley Ann Gibson, against the Respondent, Patrick Silas, Jr. d/b/a Patrick Silas Jr. Land Development Co., Inc., dated February 8, 2019, and the Notice of Alleged Charges also filed with the Building Department of the City of Fort Pierce, Florida (the "Department") dated February 8, 2019, based upon said Complaint. The Respondent, the Complainant, and the Department appeared at said hearing. At the commencement of said hearing, the Board heard and considered the following findings and determinations pursuant to §5-52 of the Code of Ordinances of the City of Fort Pierce, (the "Code") and that there is evidence supportive thereof:

A. The Respondent is a State of Florida certified building contractor and the holder of a contractor's Certificate of Competency from the City of Fort Pierce, Florida.

B. On or about August 27, 2018 the Complainant engaged the Respondent to make renovations and repairs at the real property located 424 N. 29th St., Fort Pierce, Florida. Delays and misconduct in performing such services resulted in the filing of the Complaint, and, thereafter, the Notice of Alleged Charges. Such services remained incomplete almost nine (9) months by the Respondent with resulted in the Complainant recently filing the Complaint and the matter proceeded to the Board.

C. At this meeting, having heard testimony and having considered any exhibits while being otherwise advised in the premises, the Board voted individually on each of the following acts of misconduct:

Section 5-52 (2) of the City of Fort Pierce Code of Ordinances: Committing fraud or deceit in the practice of contracting as substantiated by complainant's testimony providing false information to the customer and proceeding with work on the property without obtaining all required permits;

(3) Committing incompetency or misconduct in the practice of contracting, as substantiated by complainant's testimony and photographic evidence depicting substandard construction practices;

(4) Committing gross negligence, repeated negligence, or negligence resulting in a significant danger to life or property as noted by the Board, as substantiated by complainant's testimony and photographic

Financial mismanagement occurs when: (b) the contractor has abandoned the customer's job, and the percentage of completion is less than the percentage of the total contract price paid to the contractor as of the time of abandonment, unless the contractor is entitled to retain such funds under the terms of the contract, or refund the excess fund within thirty (30) days after the date the job is abandoned, as substantiated by complainant's testimony and photographic evidence considered, the Board determined that the percentage paid exceeds the percentage of work completed;

(8) Knowingly or deliberately disregarding or violating any applicable building codes or laws of the state, county or city, as substantiated by complainant's, department's and respondent's testimony that required permits were not obtained but should have been obtained prior to work commencing;

(9) Willfully and deliberately engaging in a type or class of contracting for which the contractor is not licensed or registered;

(11) Failing to actively supervise construction projects for which the contractor has applied for and obtained a building permit; or for projects for which the contractor is, by contract; responsible, as substantiated by complainant's testimony and photographic evidence considered. Work completed by sub-contractors is substandard and unpermitted. Respondent failed to identify sub-contractors in order to verify proper licensing;

D. At this meeting, having heard testimony and having considered any exhibits while being otherwise advised in the premises, the Board voted on each charge individually and found the Respondent guilty of eight (8) of the ten (10) alleged charges listed above. In disposition of said finding of guilt, imposed the measures specified herein below against the Respondent. Accordingly, it is ORDERED AND ADJUDGED as follows:

1. The Respondent is GUILTY of the acts or omissions as alleged above in the Notice of Alleged Charges, with the exception of charges: (9) Willfully and deliberately engaging in a type or class of contracting for which the contractor is not licensed or registered; and (12) Contracting with persons or firms not having a Certificate of Competency issued by the City for work or services to be performed within the City when said persons or firms are required by this chapter to possess such a Certificate of Competency in order to perform the contracted work or services.

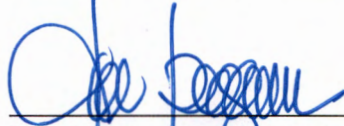

2. Based thereon, the following measures are imposed against the Respondent: A memorandum reprimanding the Respondent for such conduct for which the Respondent was found guilty and containing therein a finding that such conduct falls below the acceptable standards of conduct in the business of contracting shall be made part of the Respondent's record maintained by the City of Fort Pierce, Florida, pursuant to §5-50 of the Code.

This Final Order shall serve as such memorandum reprimanding the Respondent by making it, or a copy of it, a part of the records of the proceedings and a part of the Respondent's record maintained by the City of Fort Pierce, Florida pursuant to said §5-50 of the Code.

Both the Respondent and Complainant were present. The Complainant and her nephew, Darren Gibson were present and provided photos of the work completed at the site. It was noted that no permits were obtained. Mr. Silas indicated that work was supposed to recommence after a project meeting attended by himself and the Complainant, but he was locked out of the site. The Board, after much discussion, took a roll call vote on nine (9) alleged charges, finding Mr. Silas guilty of seven (7) of those charges.

The Board chose to take disciplinary action against Mr. Silas', including suspended permitting privileges, a letter in his file at the City, and a Letter of Reprimand to the Construction Industry Licensing Board at the Department of Business and Professional Regulation.

Motion was made by Ralph Fogg, seconded by Michael Waldrop to find Mr. Silas guilty of the following charges under Section 5-52 of the City of Fort Pierce Code of Ordinance:

(1) Committing fraud or deceit in the practice of contracting; (3) Committing incompetency or misconduct in the practice of contracting; (4) Committing gross negligence, repeated negligence, or negligence resulting in a significant danger to life or property; (6) Committing mismanagement or misconduct in the practice of contracting that causes financial harm to a customer, financial mismanagement occurs when: The contractor has abandoned a customer's job and the percentage of completion is less than the percentage of the total contract price paid to the contractor as of the time of abandonment, unless the contractor is entitled to retain such funds under the terms of the contact or refunds the excess funds within thirty (30) days after the date the job is abandoned; (8) Knowingly or deliberately disregarding or violating any applicable building codes or laws of the state, county or city; (11) Failing to actively supervise construction projects for which the contractor has applied for and obtained a building permit; or for projects for which the contractor is, by contract; responsible; (13) Proceeding on any job without obtaining the applicable building department permits and inspections. A Letter of Reprimand would also be filed with the Construction Licensing Board at the Department of Business and Professional Regulation, and placed in the contractor's file at the City, and permitting privileges would be suspended for 180 days.

Ms. Gibson was present for the hearing, however the Respondent, Mr. Silas, was not. Mr. Sudderth indicated that he would like to recuse himself from this agenda item because although he was not working in a plumbing contractor capacity with his company CRS Plumbing on this project, that he was working with another project in which Mr. Silas was hired as the contractor.

Motion was made by Ralph Fogg, seconded by Holly Theuns to continue this item to the next regularly scheduled meeting of Tuesday, April 9th, to give Mr. Silas a chance to appear before the Board. A vote was taken and the motion passed unanimously.
