Subject: The naming of the Kayak Park donated to city of Ft. Pierce by Rick Reed and associates

Dear Madam Mayor and Commissioners,

My name is Robert J. Lowe Sr. I live at 4949 Atlantic Beach Boulevard, Hutchinson Island. A little background about myself. I moved to Ft. Pierce 45 years ago and my first home was in Ocean Village and later moved to North Hutchinson Island. I currently serve on the P & Z Board and the Board of Adjustment for St. Lucie County. I am a past president of Hibiscus Children's Center and a past Board President of New Horizons of the Treasure Coast. I am a Governor's appointee to the Treasure Coast Regional Planning Council. I also serve on the board of the Sheriff's 100 Club of St. Lucie County. I have been a Real Estate broker for 35 years serving this area. To be open with all concerned and for full disclosure I have been selected to market and sell the River Palms Condo project for Mr. Reed and his associates.

I am writing this letter because I have been following the naming of the Kayak Park issue with the city. Mr. Reed donated the \$500,000.00 park to the people of the city and St. Lucie county. What a run-around Mr. Reed has received over this naming issue of the Kayak Park. I understand everyone has their right to their opinion but in this case it should be a no brainer. I feel the city should welcome and thank Mr. Reed for his \$500,000.00 donation. They should also agree with his recommendation to name the park after Ms. Sylvie Kramer Marceau. Ms. Kramer Marceau was a TRUE caring person and it is a shame a property could not have been named when she was alive. Mr. Reed is also known in this city for the hundreds of people he has helped in the past.

As a member of the boards I have served on I have NEVER looked at or made a decision based on my personal feelings or if I did not care for the individuals involved. I consider it an honor to serve on boards and one must leave personal feelings aside when voting. You are a representative for the people of the community you serve.

I hope and pray that the Fort Pierce City Commission will do the right thing and choose Ms. Sylvie Kramer Marceau as the name for the beautiful Kayak Park. May the feelings between Mr. Reed and the City of Ft. Pierce be healed. Let's all be united to help and serve the people of Ft. Pierce and St. Lucie County. I thank you for your time and consideration in this matter. If I may ever be of help to this beautiful and growing city please do not hesitate to call on me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Robert J. Lowe Sr.", written in black ink.
