

Recreation Division FireHawks Football & Cheer Update

FireHawks join Pop Warner Football Scholars

Pop Warner was founded in 1929 and continues to grow and serves as the only youth football, cheerleading and dance organization that requires its participants to maintain academic standards in order to participate.

Objectives include:

- To ensure a safer and positive playing environment for all participants.
- To instill life-long values of teamwork, dedication and a superior work ethic in the classroom and on the playing field.
- Pop Warner programs have no tryouts or cutting of rosters.
- Everyone participates under mandatory rules of play.
- On-field coaching is allowed for younger age levels.
- Individual awards are given only for academic excellence, not for on-field activities
