**Staff Analysis:**

This is a request for a voluntary annexation of three (3) properties (Parcel ID's 2428-601-0264-000-3, 2428-322-0002-000-3, and 2428-322-0003-000-0) generally located on the east side of South 25<sup>th</sup> Street, between Elizabeth Avenue and Dade Road and 120 feet from the northwest corner of Sharon Terrace and Sunrise Boulevard in Fort Pierce, Florida.

The current St. Lucie County Future Land Use for the subject parcels are Residential Urban 5 Dwelling Units/Acre (RU) (2 Parcels) and Medium Density Residential (RM) (1 Parcel) with Zoning Designations that include Residential Multi-Family 9 Dwelling Units/Acre (1 Parcel), (RM-9), Agricultural Residential/Institutional (1 Parcel/Split Zoning), (AR-1 / I) and Agricultural Residential (1 Parcel), (AR-1). To ensure consistency with Policy 1.11.5 of the City's Comprehensive Plan, the proposed Future Land Use Designation for all parcels will be Medium Density Residential (RM) with a compatible Zoning Designation of Medium Density Residential (R-4).

Staff has confirmed that the properties are located within unincorporated St. Lucie County and, if approved simultaneously, will become contiguous to the Fort Pierce City municipal boundary. The properties are also within the Fort Pierce Utilities Authority (FPUA) service area. Moreover, there are signed Annexation Agreements encompassing the subject properties from the FPUA which grant water service and/or sewer service outside the City limits of the City of Fort Pierce.

These proposed annexations are also consistent with Chapter 171.044, F.S., whereas the properties will be contiguous to a municipality and reasonably compact; and the annexations will not result in the creation of any enclaves.

The current taxable value of each of the properties are approximately \$137,610, \$0 (this property is the site of the Storybrooke Preschool Academy), and \$76,702. If the Applications for Annexation are approved, it would create three (3) new sources of ad-valorem tax revenue annually to the City of Fort Pierce, depending on the millage rate per year, which currently is 6.9000.

**Comprehensive Plan:**

Staff has reviewed the Comprehensive Plan and finds the three (3) proposed annexations are consistent with the following Objectives and Policies:

Objective 1.11 of the Comprehensive Plan states: "Annex properties within the Fort Pierce Utilities Authority Boundary in an orderly manner that promotes efficiency of public service provision and economic vitality of the City."

The property is within the FPUA service boundary. Pursuant to Policy, 1.11.1 of the City Comprehensive Plan: "The City shall evaluate proposed annexations within the urban service boundary based upon the following criteria:

1. The ability of the City to provide public services at a level equal to or better than that available from the current service providers;
2. The ability of the City to provide public services at the City's adopted levels of service;
3. Whether the annexation would eliminate an unincorporated island or could be expanded to eliminate an unincorporated island; and
4. Whether the annexation would eliminate an irregularity or irregularities in the City's boundaries, thereby improving service delivery"

The surrounding area has an even mix of properties both within St. Lucie County and the City of Fort Pierce jurisdictions. The annexation of these properties will help to continue eliminating irregularities along the City's boundary in this area and assist in providing more efficient public services.

The City of Fort Pierce Future Land Use and Zoning designations will remain consistent with the current County designation and the City's Comprehensive Plan. Additionally, the Future Land Use and Zoning Designations of RM and R-4, respectively, will be consistent with Policy 1.11.5.

Pursuant to the Future Land Use Element of the Comprehensive Plan, annexations are reviewed for fiscal impacts, the effect upon adopted level of service standards for public facilities, and the elimination of the municipal boundary irregularities to improve service delivery.

**Public Notification:**

In accordance with Policy Section 4.11 of the Joint Planning Agreement between the City of Fort Pierce and St. Lucie County, the City Planning Department will provide notice of these annexations by mail to the St. Lucie County Administrator's Office on October 16, 2019, no fewer than thirty (30) days prior to the first reading of this annexation by the City Commission.

**Technical Review Committee:**

All affected Departments have reviewed the submittals and provided comments regarding the proposed voluntary annexation applications based on compliance with the requirements of the City Code and Comprehensive Plan and have no objections.

**Staff Recommendation:**

As proposed, the annexations meet the above standards of the City's Comprehensive Plan, specifically Policy Section 1.11 regarding annexations. Planning Staff recommends that the Planning Board recommend approval of the proposed three (3) annexations with associated changes to the Future Land Use and Zoning Designations of RM and R-4, respectively, for each of the subject parcels.
