---	---

VIOLATIONS:

Section(s): 5-369 Vacant Buildings

FINDINGS/ORDER:

February 4, 2015 Special Magistrate Blandino found Vernon Dixon responsible for the violation and gave him 10 days to bring the property into compliance or a fine of \$250.00 per day would be assessed.

ACTION DATES:

1. February 17, 2015 an inspection was made; the property was not in compliance, the fines began.
2. October 15, 2015 the Order Assessing Fine and Imposing Lien was recorded.
3. May 5, 2016 an inspection was made; the property was now in compliance, the fines stopped.
4. April 9, 2019 received request for lien reduction. Mr. Dixon is requesting the reduction of lien through option 2 of Rule 17; offering to pay \$3,000.00 to satisfy the lien.
5. The total amount of fines is \$110,790.00 (includes \$40.00 recording fees).

RECOMMENDATION:

To be determined.

REQUEST FOR REDUCTION OF PENALTY

By completing this form, you are making statements under oath. Failure to be truthful is a violation of Fort Pierce City Code and Florida Statutes pertaining to perjury, which is a felony punishable by up to fifteen (15) years imprisonment.

INSTRUCTIONS:

1. Please fill in blanks completely.
2. Be specific when writing your statement. Use additional pages if necessary.
3. If you are claiming medical or financial hardship, attach supporting documentation (i.e. doctor's statement or proof of income).
4. Complete the appropriate application for lien reduction / rescindment.
5. For lot clearing or demolition liens, contact Kathy D'Arton in the Finance Department (772-467-3076) for cost / fees breakdown.
6. For code enforcement liens (those imposed by a Special Magistrate or Code Enforcement Board), contact Colleen Greer (772-467-3149) for cost / fees breakdown.
7. If you do not have access to a Notary Public, one will be provided to you by the Department at no charge. All forms must be signed in the presence of the Notary to be valid.
8. Return this form, the application and any other pertinent documentation to the Code Enforcement Department.
9. Requests for Reduction / Rescindment of code enforcement liens are governed by Rule 17 of the City's Rules & Regulation for Code Enforcement Board and Special Magistrate.

ORDER ASSESSING FINE AND IMPOSING LIEN

THIS CAUSE having come before the Special Magistrate pursuant to Florida Statute 162.09 on February 04, 2015 upon notification by the Code Enforcement Officer that the Special Magistrate's Order herein dated February 04, 2015 was not complied with by the date set forth therein, and being otherwise advised in the premises, it is

ORDERED AND ADJUDGED that the violator shall pay a daily fine as provided in such order in the sum of \$250.00 from February 17, 2015 and a like sum thereafter for each day the violation continues. A certified copy of this Order may be recorded in the Public Records of St. Lucie County and shall thereafter pursuant to Florida Statute 162.09(3) constitute a lien against the above described property and upon any other real or personal property owned by the violator.

Upon petition to the Circuit Court this Order may be enforced in the same manner as a Court Judgment by the Sheriffs of the State, including levy against personal property. The fine imposed herein shall continue to accrue until the violator comes into compliance or until judgment is rendered upon a suit to foreclose on this lien, whichever occurs first. The lien arising from this fine runs in favor of the City of Fort Pierce, a municipal corporation, and the City of Fort Pierce may execute a satisfaction of release of lien. This Order shall not be deemed to be a Court judgment except for enforcement purposes and may be foreclosed as further provided by law.

DONE AND ORDERED this 8th day of October, 2015.

ORDER DETERMINING VIOLATION

THIS CAUSE came before the Special Magistrate pursuant to Florida Statutes 162.07 on February 04, 2015, upon request of the Code Enforcement Officer. Having heard testimony and having considered any exhibits while being otherwise advised in the premises, it is accordingly, found and determined that VERNON DIXON failed to secure all windows and doors with commercial grade plywood and paint to match the structure in a workmanlike manner in violation of the Code of Ordinances as specified above, on property located at the above described location. In the event the violation is not remedied 10 days hereinafter, there shall be imposed a fine pursuant to Florida Statutes 162.09 at a daily, cumulative rate of \$250.00.

This Order may be recorded in the Public Records of the County and shall constitute notice to any subsequent purchasers, successors in interest or assigns wherein the violation concerns real property, and subsequent purchasers, successors in interest or assigns. If this Order is not complied with timely, then there shall be issued an Order pursuant to Florida Statutes 162.09 imposing the fine provided for herein.

The violator is responsible for notifying the Code Enforcement Department promptly at (772) 467-3149 when the violation is corrected. The violator has 30 days in which to file an appeal of the Special Magistrate's decision in the Circuit Court of St. Lucie County.

DONE AND ORDERED this 6th day of February, 2015.

Frank Blandino, Special Magistrate

I CERTIFY THAT THE ABOVE ORDER WAS
MAILED TO THE RESPONDENT ON THIS

RE: Address: 202 N 21ST ST
Tax ID #: 2409-605-0039-000/0

Pursuant to the City of Fort Pierce Code of Ordinances and the International Property Maintenance Code (IPMC) s. 108, the property located at the above referenced location has been found to be unsafe and is in violation of the following:

108.1.1 Unsafe structures.

An unsafe structure is one that is found to be dangerous to the life, health, property or safety of the public or the occupants of the structure by not providing minimum safeguards to protect or warn occupants in the event of fire, or because such structure contains unsafe equipment or is so damaged, decayed, dilapidated, structurally unsafe or of such faulty construction or unstable foundation, that partial or complete collapse is possible.

108.1.3 Structure unfit for human occupancy.

A structure is unfit for human occupancy whenever the code official finds that such structure is unsafe, unlawful or, because of the degree to which the structure is in disrepair or lacks maintenance, is unsanitary, vermin or rat infested, contains filth and contamination, or lacks ventilation, illumination, sanitary or heating facilities or other essential equipment required by this code, or because the location of the structure constitutes a hazard to the occupants of the structure or to the public.

108.1.4 Unlawful structure.

An unlawful structure is one found in whole or in part to be occupied by more persons than permitted under this code, or was erected, altered or occupied contrary to law.

108.1.5 Dangerous structure or premises.

For the purpose of this code, any structure or premises that have any or all of the conditions or defects described below shall be considered dangerous:

3. Any portion of a building, structure or appurtenance that has been damaged by fire, earthquake, wind, flood, deterioration, neglect, abandonment, vandalism or by any other cause to such an extent that it is likely to partially or completely collapse, or to become detached or dislodged.
6. The building or structure, or any portion thereof, is clearly unsafe for its use and occupancy.

C0086824

Atansyon: Dokuman sa impòtan an rapò avek droi è responsablità ou. Si ou pa kompran anglè relé nou ou bien chèché ou moun pòu nou espliké sa tou suit.*

7. The building or structure is neglected, damaged, dilapidated, unsecured or abandoned so as to become an attractive nuisance to children who might play in the building or structure to their danger, becomes a harbor for vagrants, criminals or immoral persons, or enables persons to resort to the building or structure for committing a nuisance or an unlawful act.

9. A building or structure, used or intended to be used for dwelling purposes, because of inadequate maintenance, dilapidation, decay, damage, faulty construction or arrangement, inadequate light, ventilation, mechanical or plumbing system, or otherwise, is determined by the code official to be unsanitary, unfit for human habitation or in such a condition that is likely to cause sickness or disease.

304.1 Exterior structure – General.

The exterior of a structure shall be maintained in good repair, structurally sound and sanitary so as not to pose a threat to the public health, safety and welfare.

304.1.1 Unsafe conditions.

The following conditions shall be determined as unsafe and shall be repaired or replaced to comply with the International Building Code or the International Existing Building Code as required for existing buildings:

5. Structural members that have evidence of deterioration or that are not capable of safely supporting all nominal loads and load effects;

7. Exterior walls that are not anchored to supporting and supported elements or are not plumb and free of holes, cracks or breaks and loose or rotting materials, are not properly anchored or are not capable of supporting all nominal loads and resisting all load effects;

8. Roofing or roofing components that have defects that admit rain, roof surfaces with inadequate drainage, or any portion of the roof framing that is not in good repair with signs of deterioration, fatigue or without proper anchorage and incapable of supporting all nominal loads and resisting all load effects;

304.2 Protective treatment.

Exterior surfaces, including but not limited to , doors, door and window frames, cornices, porches, trim, balconies, decks and fences, shall be maintained in good condition. Exterior wood surfaces, other than decay resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. Siding and masonry joints, as well as those between the building envelope and the perimeter of windows, doors and skylights, shall be maintained weather resistant and water tight. Metal surfaces subject to ruse or corrosion shall be coated to inhibit such rust and corrosion, and surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement.

304.4 Structural members.

All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.

304.6 Exterior walls.

All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.

304.7 Roofs and drainage.

The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.

304.13.1 Glazing.

All glazing materials shall be maintained free from cracks and holes.

304.15 Doors.

All exterior doors, door assemblies, operator systems if provided, and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 702.3. 304.18 Building security. Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property within.

304.18 Building security.

Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property within.

304.18.1 Doors.

Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from the side from which egress is to be made without the need for keys, special knowledge or effort and shall have a minimum lock throw of 1 inch (25 mm). Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, a sliding bolt shall not be considered an acceptable deadbolt lock.

305.3 Interior surfaces.

All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected.

604.3 Electrical system hazards.

Where it is found that the electrical system in a structure constitutes a hazard to the occupants or the structure by reason of inadequate service, improper fusing, insufficient receptacle and lighting outlets, improper wiring or installation, deterioration or damage, or for similar reasons, the code official shall require the defects to be corrected to eliminate the hazard.

604.3.2.1 Electrical equipment.

Electrical switches, receptacles and fixtures, including furnace, water heating, security system and power distribution circuits, that have been exposed to fire, shall be replaced in accordance with the provisions of the International Building Code.

702.1 General.

A safe, continuous and unobstructed path of travel shall be provided from any point in a building or structure to the public way. Means of egress shall comply with the International Fire Code.

702.3 Locked doors.

All means of egress doors shall be readily openable from the side from which egress is to be made without the need for keys, special knowledge or effort, except where the door hardware conforms to that permitted by the International Building Code.

703.1 Fire-resistance-rated assemblies.

The required fire-resistance rating of fire-resistance-rated walls, fire stops, shaft enclosures, partitions and floors shall be maintained.

704.2 Single- and multiple-station smoke alarms.

Single- and multiple-station smoke alarms shall be installed in existing Group I-1 and R occupancies in accordance with Sections 704.2.1 through 704.2.3.

704.2.1 Where required.

Existing Group I-1 and R occupancies shall be provided with single-station smoke alarms in accordance with Sections 704.2.1.1 through 704.2.1.4. Interconnection and power sources shall be in accordance with Sections 704.2.2 and 704.2.3.

The building, structure, or premise is condemned and repair/rehabilitation permit(s) shall be applied for within 30 days. If the building or structure is to be repaired, drawings prepared by a Florida licensed engineer or architect addressing any and all deficiencies will be required with the building permit application unless otherwise approved by the Building Official.

The building or structure has been posted with a Condemned placard / Notice of Unsafe Structure placard and ordered vacated to prevent further occupancy until work is completed and the final inspection has been approved. If no action has been taken by the legal owner to come into compliance within the time specified, the City may initiate demolition proceedings in accordance with all applicable codes, with all costs incurred charged against the owner of record and a lien filed upon such real estate.

Any person having any legal interest in the property may appeal this notice to the Construction Board of Adjustments and Appeals (CBAA); such appeal shall be in writing in the form specified in the Rules of Procedure of the CBAA and shall be filed with the Building Department within 20 calendar days from the date of this notice with a \$200 fee. Failure to appeal in the time specified will constitute a waiver of all rights to an administrative hearing.

Should you have questions regarding this matter, you may contact my office at (772) 467-3720.

Sincerely,

Margaret M. Arraiz

Unsafe structures

108.1.1 - Unsafe structure

Lacks adequate protection from fire Contains unsafe equipment All or part of building is likely to collapse

108.1.2 - Unsafe equipment

Unsafe boiler / heating equipment Unsafe electrical wiring / device Unsafe elevator / moving stairway

Flammable liquid containers within structure Other unsafe equipment

108.1.3 - Structure unfit for human occupancy

Unsafe or unlawful Unsanitary / contains filth / contamination vermin or rat infested

lacks illumination Location of structure constitutes a hazard lacks ventilation

lacks heat lacks maintenance lacks sanitary facilities

108.1.4 - Unlawful structure

Occupied by more persons than permitted Erected, altered or occupied contrary to law

108.1.5 - Dangerous structure or premises

(1) Any door, aisle, passageway, stairway, or exit that does not comply to requirements for exiting the building

(2) The walking surface of means of egress is so warped, worn, loose, torn or otherwise unsafe to provide means of egress.

(3) Any portion of a structure damaged by fire, wind, flood, earthquake, deterioration, neglect, abandonment, vandalism or any other cause that it is likely to partially or completely collapse, or to become detached or dislodged.

(4) Any portion of a building, appurtenance or ornamentations that is not of sufficient strength or stability, or is not so anchored or attached to be capable of resisting natural or artificial loads of one and one-half the original designed value.

(5) The structure or part of structure because of dilapidation, deterioration, decay, faulty construction, the removal or movement of ground necessary for support or any other reason is likely to collapse or under pining is likely to fail or give way.

(6) The building or structure, or any portion thereof, is clearly unsafe for its use and occupancy.

(7) The structure is neglected, damaged, dilapidated, unsecured or abandoned so as to become an attractive nuisance.

(8) Any structure that exists or has been maintained in violation of any specific requirement or prohibition to such an extent as to present either a substantial risk of fire, building collapse or any other threat to life and safety.

(9) Any structure intended to be used for dwelling purposes, due to inadequate maintenance, dilapidation, decay, damage, faulty construction, inadequate light, ventilation, mechanical or plumbing system is determined to be unsanitary, unfit for human habitation or in such a condition that it is likely to cause sickness or disease.

(10) Any structure, due to lack of sufficient fire resistance rated construction, fire protection systems, electrical system, fuel connections, mechanical system, plumbing system or other cause is determined to be a threat to life or health.

(11) Any portion of a building remains on a site after the demolition of the structure or whenever any building or structure is abandoned so as to constitute such building or portion thereof as an attractive nuisance or hazard to the public.

| <input checked="" type="checkbox"/> | 304.2 - Protective Treatment - Exterior surfaces, including doors, door and window frames, cornices, porches, trim, balconies, decks and fences shall be maintained in good condition. Exterior surfaces shall be protected from elements and decay by painting or other protective treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. Siding and masonry joints shall be maintained weather resistant and water tight. Metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion. |
| <input type="checkbox"/> | 304.3 - Address identification - Buildings shall be provided with approved address identification that are legible and placed to be visible from the street fronting the property. They must contrast with their background, be numerical and a minimum of 4" tall. |
| <input checked="" type="checkbox"/> | 304.4 - Structural members - Structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads. |
| <input type="checkbox"/> | 304.5 - Foundation walls - Foundation walls shall be maintained plumb and free from cracks and breaks and shall be kept n such condition so as to prevent the entry of rodents and other pests. |
| <input checked="" type="checkbox"/> | 304.6 - Exterior walls - Exterior walls shall be free from holes, breaks and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration. |
| <input checked="" type="checkbox"/> | 304.7 - Roofs and drainage - The roof and flashing shall be sound, tight and not have defects that admit rain. Drainage must prevent dampness or deterioration in the walls or interior portion of the structure. Drains, gutters and downspouts must be in good repair and free from obstruction. Roof water shall not be discharged in a manner that creates a public nuisance. |
| <input type="checkbox"/> | 304.8 - Decorative features - Cornices, belt courses, corbels, terra cotta trim, wall facing and similar decorative features shall be in good repair with proper anchorage and in safe condition. |
| <input type="checkbox"/> | 304.9 - Overhang extensions - Overhang extensions including canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be in good repair and properly anchored and kept in sound condition. All exposed surfaces of metal or wood shall be protected from the elements with weather coating material such as paint or similar surface treatment. |
| <input type="checkbox"/> | 304.10 - Stairways, decks, porches and balconies - Every exterior stairway, deck, porch and balcony shall be structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads. |
| <input type="checkbox"/> | 304.11 - Chimneys and towers - Chimneys, cooling towers, smoke stacks, shall be structurally safe and sound and in good repair. Exposed surfaces shall be protected by paint or similar surface treatment. |
| <input type="checkbox"/> | 304.12 - Handrails and guards - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition. |

- 304.13 - Window, skylight and door frames - Every window, skylight, door and frame shall be kept in sound condition, good repair and weather tight.
 - 304.13.1 - Glazing - Glazing materials shall be maintained free from cracks or holes.
 - 304.13.2 - Openable windows - Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.
- 304.14 - Insect screens - Every door, window and other outside opening required for ventilation or food preparation areas shall have tightly fitting screens of minimum 16 mesh per inch and every screen door must have self closing device is good working condition.
- 304.15 - Doors - Exterior doors and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door.
- 304.18 - Building security - Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property within.
 - 304.18.1 - Doors - Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall have a dead bolt designed to open from the inside without a key.
 - 304.18.2 - Windows - Operable windows located within 6 ft. above the ground that provides access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a window sash locking device.
- 304.19 - Gates - Exterior gates, gate assemblies, operator systems and hardware shall be maintained in good condition.

Comments

Section 305 - Interior Structure

- 305.1 - General - The interior of a structure and equipment shall be maintained in good repair, structurally sound and in a sanitary condition.
 - 305.1.1 - Unsafe conditions - The following conditions shall be determined as unsafe and shall be repaired or replaced to comply with the IBC or the IEBD as required for existing buildings.
 - 1. The nominal strength of any structural member is exceeded by nominal loads, the load effects or the required strength.
 - 2. The anchorage of the floor or roof to walls or columns, and walls and columns to foundations is not capable of resisting all nominal loads or load effects.
 - 3. Structures or components thereof that have reached their limit state.
 - 4. Structural members are incapable of supporting nominal loads and load effects.
 - 5. Stairs, landings, balconies, including guards and handrails, are not structurally sound, not properly anchored or are anchored with connections not capable of supporting all nominal loads and resisting all load effects.
 - 6. Foundation systems that are not firmly supported by footings are not plumb and free from open cracks and breaks, are not properly anchored or are not capable of supporting all nominal loads and resisting all load effects.
- 305.2 - Structural members - Structural members shall be maintained structurally sound, and capable of supporting the imposed loads.
- 305.3 - Interior surfaces - Interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked plaster, decaying wood and other defective surface conditions shall be corrected.
- 305.4 - Stairs and walking surfaces - Every stair, ramp, landing, balcony, porch, deck or other waling surface shall be maintained in sound condition and good repair.
- 305.5 - Handrails and guards - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.
- 305.6 - Interior doors - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer.

-------------------------------------	---------------------------------------

- 703.1 Fire resistance rated assemblies - The required fire resistance rating of fire resistance rated walls, fire stops, shaft enclosures, partitions and floors shall be maintained.
- 703.2 Opening protectives - Required opening protectives shall be maintained in an operative condition. Fire and smoke stop doors shall be maintained in operable condition. Fire doors and smoke barrier doors shall not be clocked or obstructed or otherwise made inoperable.

Comments

Section 704 - Fire protection systems

704.1 General - Systems, devices and equipment to detect a fire, actuate an alarm, or suppress or control a fire shall be maintained in operable condition at all times in accordance with the IFC.

704.1.1 Automatic sprinkler systems - Inspection, testing and maintenance of auto sprinkler systems shall be in accordance with NFPA 25.

704.1.2 Fire department connection - Where the fire department connection is not visible to approaching fire apparatus, the fire department connection shall be indicated by an approved sign mounted on the street front or on the side of the building. Such sign shall have the letters "FDC" at least 6" high and words in letters at least 2" high or an arrow to indicate the location. Such signs shall be subject to the approval of the fire code official.

704.2 Single- and multi-station smoke alarms - Single- and multi-station smoke alarms shall be installed in existing Group I-1 and R occupancies in accordance with Sections 704.2.1 through 704.2.3.

704.2.1 Where required - Existing Group I-1 and R occupancies shall be provided with single station smoke alarms in accordance with Sections 704.2.1.1 through 704.2.1.4. Interconnection and power sources shall be in accordance with Sections 704.2.2 and 704.2.3

704.2.1.1 Group R-1 - Single or Multi-station smoke alarms shall be installed in all of the following locations in Group R-1: 1 - Sleeping areas; 2 - In every room in the path of the means of egress from the sleeping area to the door leading from the sleeping unit; 3 - In each story within the sleeping unit, including basement. For sleeping units with split levels and without an intervening door between the adjacent levels, a smoke alarm installed on the upper level shall suffice for the adjacent lower level provided that the lower level is less than one full story below the upper level

704.2.1.2 Groups R-2, R-3, R-4 and I-1 - Single or multi-station alarms shall be installed and maintained in Groups R-2, R-3, R-4 and I-1 regardless of occupant load at all of the following locations: 1 - On the ceiling or wall outside of each separate sleeping area in the immediate vicinity of bedrooms; 2 - In each room used for sleeping purposes; 3 - In each story within a dwelling unit, including basements but not including crawl spaces and uninhabitable attics. In dwellings or dwelling units with split levels and without an intervening door between the adjacent levels, a smoke alarm installed on the upper level shall suffice for the adjacent lower level provided that the lower level is less than one full story below the upper level.

704.2.1.3 Installation near cooking appliances - Smoke alarms shall not be installed in the following locations unless this would prevent placement of a smoke alarm in a location required by Section 704.2.1.1 or 704.2.1.2:
1 - Ionization smoke alarms shall not be installed less than 20' horizontally from a permanently installed cooking appliance; 2 - Ionization smoke alarms with an alarm silencing switch shall not be installed less than 10' horizontally from a permanently installed cooking appliance; 3 - Photoelectric smoke alarms shall not be installed less than 6' horizontally from a permanently installed cooking appliance.

704.2.2 Interconnection - Where more than one smoke alarm is required to be installed within an individual dwelling or sleeping unit, the smoke alarms shall be interconnected in such a manner that the activation of one alarm will activate all of the alarms in the individual unit. The alarm shall be clearly audible in all bedrooms over background noise levels with all intervening doors closed.

704.2.3 Power source - Single station smoke alarms shall receive their primary power from the building wiring provided that such wiring is served from a commercial source and shall be equipped with a battery backup. Smoke alarms with integral strobes that are not equipped with battery backup shall be connected to an emergency electrical system. Smoke alarms shall emit a signal when the batteries are low. Wiring shall be permanent and without a disconnecting switch.

THE SUNRISE CITY

FORT PIERCE

CODE ENFORCEMENT

Florida

704.2.4 Smoke detection system - Smoke detectors listed in accordance with UL 268 and provided as part of the building's fire alarm system shall be an acceptable alternative to single or multi station smoke alarms and shall comply with the following: 1 - The fire alarm system shall comply with all applicable requirements in Section 907 of the IFC; Activation of a smoke detector in a dwelling or sleeping unit shall initiate alarm notification in the dwelling or sleeping unit in accordance with Section 907.5.2 of the IFC; 3 - Activation of a smoke detector in a dwelling or sleeping unit shall not activate alarm notification appliances outside of the dwelling or sleeping unit, provided that a supervisory signal is generated and monitored in accordance with Section 907.6.5 of the IFC.

8-20-19

To whom it may concern:

My name is Ronald L. Sweeting, Sr.
I am the owner of the property at
202 n. 21st Street,

I would like to appeal the con-
demnation of the property at 202 n.
21st Street.

I would like very much to repair the
damage that was done to the house, which
was caused by fire.

The reason that I want to have this place
repaired is because my daughter and her three
children need a place of their own, as of now
they are living with my wife and me.

They need three bedrooms and two bath-
rooms. This place at 202 n. 21st street would
be ideal for them. Please consider her
and her three children whenever you make your decision
(over)

8-20-19

To whom it may concern:

I admit that I have made mistakes in having work done on the property without a permit, and I apologize for that. However; since I have paid taxes on the property for thirty-six years, I feel that some leniency should be considered, and the fact that I am the victim in this fire incident. All that I am asking of you, is that you allow someone who is qualified to correct whatever needs to be corrected on the entire house rather than to tear any part of the house down. And I am willing to pay extra for the permit as a penalty for the illegal work that was done on the property.

I need this place for my daughter and her three children, so, please have some leniency and permit the work that needs to be done on the property. Thank you in advance for your consideration.

Sincerely,

Ronald L. Sweeting, Sr.

Mr. Menard,

8-2-17

After reflecting back over the years, I do remember when there was a terrible leak in the kitchen area, and we tried to stop the leak by building another roof over that kitchen area, that is why there is a number of layers in that particular area of the kitchen. That is the only area where there is a number of layers.

Ronald L. Swearing, Sr.

P.S. The house was built in 1954.

my wife and I bought the house
in 1983.

The property identification page gives the legal description of the property, the year it was built, square footage of the property, the gross sketched area, etc.

8-7-19

Mr. Menard,

Since I have been forthright and honest about telling you what we did with the roof over the kitchen area, some years ago and having the mortgage deed with the legal description of the property, a fire report from the fire department, a history of the taxes that I have paid on the property, and some historical facts about the property, etc. My question to you, Sir. Shouldn't this information be enough to approve the proposal that Mr. Andros has presented to me? I have given you a copy of the proposal, which I feel is a very reasonable and honest one.

Sincerely,
Ronald L. Sweeting, Dr.

8-8-19

Mr. Menard,

The fire report specified that the fire was contained to the kitchen area, which means that the rest of the roof was not damaged, so why can't we concentrate on repairing the kitchen area. I have tried to explain to you why there is a number of layers in the kitchen area and that was because we tried to build another roof over the roof in the kitchen area to stop a leak. I would appreciate if you could take a look at the proposal that Mr. Andros presented to me. I feel that his proposal is reasonable and honest. I would really like to get started on this project as soon as possible.

Thank you, Sir. Ronald P. Sweeting, Sr.

8-12-19

Mr. Menard,

I hope that you could understand why it is so important to me to get this project started. It is because I want to provide my daughter and her three children with a home. As of now, she and her three children are living with me and my wife. They really need a place of their own. Her children are still in school, her youngest daughter is in second grade, her oldest daughter is in the seventh grade, and her son is in the sixth grade.

They really need a home with three bedrooms and two bathrooms. That place would be perfect for them.

So, if we could get started on this project as soon as possible, it would be greatly appreciated. Thank you very much.

Sincerely,
Ronald L. Sweeting, Sr.

My name is Ronald L. Sweeting, Sr., my wife and I have been married for forty-six years.

We have two sons and two daughters, with six grand kids. We are members of St. Andrew's Episcopal Church, my wife and I. I was born and raised in Key West, Fl., that's how I was able to learn to speak Spanish because there are many cubans living there. Key West is only ninety miles from Cuba.

I taught Spanish and language arts in St. Lucie County for thirty-three years. I have been retired for twelve years, and I have dedicated my life to helping low income individuals with affordable housing, this is why I never considered 202 n. 21st property as a rooming house, I considered it as affordable housing because I would give individuals a place to stay according to their income. The average person living at 202 n. 21st Street would only pay \$ 350.00 per month and that would include cable T.V., and utilities;

however, there were some exceptions, for example, there was one tenant, living at 202 n. 21st street, whose check was less than \$ 700.00 per month, her check was only \$ 521.00, in her case I only collected \$ 280.00 per month from her. And there was another tenant, living at 202 n. 21st street, she worked at a motel, making only a hundred and twenty-five dollars per week, in her case, I only collected \$ 50.00 per week from her. There were other tenants at 202 n. 21st street who paid low rent due to financial difficulty. As long as they were not dealing in drugs, I would try my very best to help them, because I felt that by helping these individuals with low income housing was my small way of giving back to the community.

Many people feel that I should be angry at Mr. Able Matthew for burning up my kitchen the way that he did but I am not angry at him because I feel that it happened for a reason,

My daughter, Felicia, along with her three children have been living in one of the Housing Authority houses for four and a half years in a very rough neighborhood. Things got so bad out there until she decided to come live with my wife and me. My daughter can tell you just how bad things got out there.

(Pause here) My daughter and her three children need a place of their own. They need a place with three bedrooms and two bathrooms.

I really feel that 202 n. 21st street would be an ideal place for them. I would like very much to pursue the proposal that Mr. Andros presented to me, which seems to be a very reasonable and honest one, especially, since I have to pay for this project out of pocket, and the fact that I have no home insurance.

So, if the city would approve this proposal, it would be greatly appreciated. Thank you

AUG 12, 2019

TO WHOM IT MAY CONCERN,
I'M WRITING THIS LETTER TO INFORM
YOU OF MY DESPERATE NEED OF A SAFE
ENVIRONMENT TO STAY WITH MY THREE
CHILDREN. I WAS CURRENTLY LIVING IN
A ROUGH NEIGHBORHOOD FOR FOUR AND A HALF
YEARS. AND IT GOT TOO HARD TO BEAR. MY
HOUSE GOT ROBBED, MY CAR GOT VANDALIZED
AND MY SON GOT INTO TROUBLE WITH THE
LAW. I WAS THE VICTIM OF ALL THREE INCIDENTS.
AND NOTHING WAS DONE, NOTHING WAS RETRIEVED
OF MY POSSESSIONS AND MY PEACE OF MIND
GOT SHIFTED TO OBIVION. RIGHT NOW I'M
STAYING WITH MY MOTHER AND FATHER AND
THEY WHOLE-HEARTEDLY OPEN THEIR DOORS TO
ME AND MY CHILDREN. WE WOULD SO MUCH
WOULD APPRECIATE IT IF YOU WOULD HELP MY
DAD SPEED UP THE PROCESS FOR US TO MOVE
INTO THE APARTMENT HE'S GOING TO PROVIDE
FOR ME AND MY CHILDREN UNTIL I CAN GET
ON MY FEET. WE REALLY WOULD APPRECIATE
IT.

33

and shall perform, comply with and abide by each and every the agreements, stipulations, conditions and covenants thereof, and of this mortgage, then this mortgage and the estate hereby created, shall cease, determine and be null and void.

And the mortgagor hereby further covenants and agrees to pay promptly when due the principal and interest and other sums of money provided for in said note and this mortgage, or either; to pay all and singular the taxes, assessments, levies, liabilities, obligations, and encumbrances of every nature on said property; to permit, commit or suffer no waste, impairment or deterioration of said land or the improvements thereon at any time; to keep the buildings now or hereafter on said land fully insured in a sum of not less than the highest insurable value.

In a company or companies acceptable to the mortgagee, the policy or policies to be held by, and payable to, said mortgagee, and in the event any sum of money becomes payable by virtue of such insurance the mortgagee shall have the right to receive and apply the same to the indebtedness hereby secured, accounting to the mortgagor for any surplus; to pay all costs, charges, and expenses, including lawyer's fees and title searches, reasonably incurred or paid by the mortgagee because of the failure of the mortgagor to promptly and fully comply with the agreements, stipulations, conditions and covenants of said note and this mortgage, or either; to perform, comply with and abide by each and every the agreements, stipulations, conditions and covenants set forth in said note and this mortgage or either. In the event the mortgagor fails to pay when due any tax, assessment, insurance premium or other sum of money payable by virtue of said note and this mortgage, or either, the mortgagee may pay the same, without waiving or affecting the option to foreclose or any other right hereunder, and all such payments shall bear interest from date thereof at the highest lawful rate then allowed by the laws of the State of Florida.

If any sum of money herein referred to be not promptly paid within 30 days next after the same becomes due, or if each and every the agreements, stipulations, conditions and covenants of said note and this mortgage, or either, are not fully performed, complied with and abided by, then the entire sum mentioned in said note, and this mortgage, or the entire balance unpaid thereon, shall forthwith or hereafter, at the option of the mortgagee, become and be due and payable, anything in said note or herein provided shall notwithstanding. Failure by the mortgagor to exercise any of the rights or options herein provided shall not constitute a waiver of any rights or options under said note or this mortgage accrued or thereafter accruing.

In Witness Whereof, the said mortgagor has hereunto signed and sealed these presents the day and year first above written.

Signed, sealed and delivered in the presence of:

This Instrument prepared by:

Address

To Have and to Hold the same, together with the tenements, hereditaments and appurtenances thereto belonging, and the rents, issues and profits thereof, unto the mortgagee, in fee simple.

And the mortgageor covenants with the mortgagee that the mortgageor is indefeasibly seized of said land in fee simple; that the mortgageor has good right and lawful authority to convey said land as aforesaid; that the mortgageor will make such further assurances to perfect the fee simple title to said land in the mortgagee as may reasonably be required; that the mortgageor hereby fully warrants the title to said land and will defend the same against the lawful claims of all persons whomsoever; and that said land is free and clear of all encumbrances except those taxes accruing subsequent to Dec. 31, 1983.

Provided Always, that if said mortgageor shall pay unto said mortgagee the certain promissory note hereinafter substantially copied or identified, to-wit:

\$ 22,000.00 Fort Pierce, Florida December 28 1983

As hereinafter specified after date, I, we or either of us promise to pay to the holder of

MARIE O'NEILL

Twenty Two Thousand and no/100----- DOLLARS

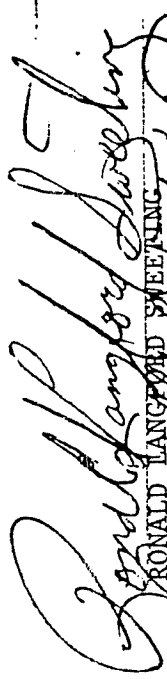

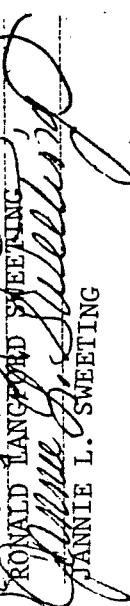

for value received, payable at 635 Pamela Terrace with interest
Naples Beach, Florida 34103 and principal monthly
from date at the rate of 9 per cent per annum until paid; interest payable monthly

And each of us whether maker, guarantor or endorser, hereby severally waives and renounces any and all homestead exemption rights we may have under the Constitution or Laws of the State of Florida, or any other State, or United States, as against this note; and each further waives demand, notice of non-payment and protest, and in the event it becomes necessary to collect this note through an attorney, agrees to pay all costs of collection, including reasonable attorney's fee.

Payable in One Hundred Eighty (180) equal and consecutive monthly installments of Two Hundred Twenty Three Dollars and Fourteen Cents (\$223.14) including principal and interest. First payment beginning January 28, 1984, and monthly thereafter until said principal and interest due thereon are paid in full.

This obligation may be paid in whole or in part at any time without penalty.
