Dear Mr. Coss:

Jean Dantilus has retained Native Design to produce permit documents for the work he has begun on his home on 13th Avenue. The permit documents will not be ready before November 18th, which is the current deadline for him to submit a permit application. Please request an extension on his behalf with our assurances that a building permit application will be filed in the next several weeks.

Please feel free to call me with any questions.

Appreciatively,
