March 31, 2020

Dear Mr. Hyppolite

I, Mayor Ashira Mohammed, and the Town of Pembroke Park Commissioners would like to personally thank you for donating your time and your professional expertise on March 21st, 2020. We would like to thank you Allied Health for providing screening and testing to our community including the testing kits from your testing lab "Testing Matters Incorporated" that your company provided at our Community food drive giveaway in Pembroke Park.

The Covid-19 virus has changed our community forever. These services were invaluable to our community in identifying those who needed testing and helped identify those that needed treatment which helped to insure the safety and wellbeing of our families and children within our community. We thank you for the services and support you provided to our community and look forward to working with you on future endeavors.

Sincerely,

Mayor, Ashira Mohammed
