Subject: COvid-19 test

I had my antibody test for COVID-19 on Sat, on Ave O at the Ellis Park in Fort Pierce. I just wanted to say that I thought it was very well organized by the county/DYNIX. The wait was the only slight discomfort. The nurse I had was very professional as she had to take blood from my hand. The results came just as they said and although I was very sick the end of February, I was negative. Thanks to all for providing this opportunity for free testing.
