Dear Mayor, I came across a YouTube video of the Police Chief Diane Hobley-Burney regarding the recent issue at a mental health facility there. I want to applaud the Chief for her handling of the issue, all be it a sad situation. Watching this, Chief Burney handled the issue in the press conference very well and professionally. It must have been hard for her to do this since it happened under her watch, but one cannot control everything.

Its unfortunate that this happened but Chief Burney was swift to take action and came forward quickly to the public to detail her and the departments action regarding.

Please let Chief Burney know she is "Top Notch" and the city is lucky to have her at the helm of the police department.
