

THE SUNRISE CITY
FORT PIERCE
PUBLIC WORKS
DEPARTMENT

FORT PIERCE
Florida

TO: Director of Public Works: Mike Reals

FROM: Parks and Grounds Manager: Paul Bertram

RE: Heathcote Botanical Gardens

DATE: 08-06-2020

Good morning Mr. Reals,

I have received a thank you card of appreciation for the fine work that four of our employees received from Mrs. Joan Friedman, Executive Director and Marketing Manager Mrs. Holly Theuns of Heathcote Botanical Gardens.

The task required great skills and workmanship to remove a fallen tree that fell during Tropical Storm Isiah which temporarily closed the garden to the public. Due to the location of the tree it had to be cut by hand without the use of heavy equipment or a bucket truck. As a result of their workmanship the tree was removed safely without any plant or property damage and safely hauled away.

Heathcote Gardens was able to reopen to the public 08-05-2020.

Please recognize the employees listed below for a job well done with pride to our Department and the City Of fort Pierce.

The employees on the job are listed below:

Troy Hall

Chris Dimaiio

Michael Amelca

Jose Sanchez

CC: Deputy Director of Public Works

Holly Theuns

Grants and Marketing Manager

Office: 772.464.4672 Fax: 772.464.2676

210 Savannah Rd., Fort Pierce, FL 34982

Thank you for being such good neighbors! Fort Pierce is a wonderful place to live, work and play.

Thanks for removing our fallen tree and allowing us to re-open to the public.

The Team at Heathcote Botanical Gardens
