Dear Ms. Cox:

It is with great honor that the National Park Service presents this loan, in-perpetuity, of a rock taken from near the crash site of United Airlines Flight 93 within the Flight 93 National Memorial boundary, to the City of Fort Pierce, for use in the city's memorial honoring CeeCee Ross Lyles.

As a requirement of this loan, please provide photographs and a description of your completed memorial. Send to: Curator, Flight 93 National Memorial, P.O. Box 911, Shanksville, Pennsylvania 15560. These records will become part of the permanent Archives of the Flight 93 National Memorial. Researchers and National Park Service staff will have access to these records that chronicle the efforts of organizations across the nation who have built memorials to the three sites of impact.

Thank you for ensuring that the events and people of September 11, 2001 are not forgotten; that they will be remembered and honored for generations to come.

Sincerely,

Stephen M. Clark  
Superintendent
