I just wanted Main Street & The City of Ft Pierce to know how much we appreciate you!

In this uncertain time we need to work together more than ever. Because of your efforts this Holiday Season some of us have had records sales. I can't speak for everyone downtown , however I do know some of us are doing well!

The first 2 weeks of December have been my best sales in 5 years exceeding the ENTIRE month of December last year. This is our third annual Sip & Shop and due to the music and additional advertising it has by far been the best year!!!! Saturday with Santa and setting up the Parklet for kids to send their letters to Santa have been great. I know you don't often get the recognition you deserve. I just want to thank you from the bottom of my heart!
