COVID-19

Summary of Funding Sources

- **The Coronavirus Aid, Relief and Economic Security Act (CARES Act)** – \$5B allocation to supplement Community Development Block Grant (CDBG) funding to prevent, prepare for, and respond to coronavirus. Requires amendment of 2016-2020 Consolidated Plan, 2019 Action Plan, and Citizen Participation Plan. Eliminates 15% cap on Public Services for 2019 and 2020. Program flexibility has been extended to allow expedited services and less strict advertising requirements.
- **State Housing Initiative Partnership (SHIP)** - Funds local governments as an incentive to create partnerships that produce and preserve affordable homeownership and multifamily housing. The program was designed to serve very low, low and moderate income families. (2017/18 funds)
- **Community Development Block Grants (CDBG)** – Provides annual grants on a formula basis to states, cities, and counties to develop viable urban communities by providing decent housing and a suitable living environment, and by expanding economic opportunities, principally for low- and moderate-income persons. (2018/2019 Funds)
- **Fort Pierce Redevelopment Agency (FPRA)** – Agency established to guide redevelopment efforts in the City of Fort Pierce, to include the revitalization of the physical and economic environment within specifically designated boundaries. (Debt repayment to CFP)
