NATIONAL POW/MIA FLAG ACT SIGNED INTO LAW November 7, 2019

Neshanic Station, NJ – November 14, 2019 – Rolling Thunder®, Inc. National was instrumental in amending the original legislation Defense Authorization Act Public law 105-85 which was signed by President Clinton on Nov 18, 1997 mandated that POW/MIA flag would fly six days a year. During the 116th Congress 2019, Senator Warren and Cotton led the bipartisan group of Senators to ensure the POW/MIA Flag will be displayed alongside the U.S. Flag 365 days a year. "Rolling Thunder® Inc. National appreciates Sen. Elizabeth Warren for her dedication to the POW/MIA issue, and for her effective assistance in helping our organization to introduce legislation in the Senate, and in the House through Rep. Chris Pappas. The passage of this legislation ensures that the POW/MIA flag will be displayed appropriately with the flag of the United States, and remain a potent symbol of our Nation's concern and commitment to resolving as fully as possible the fates of some 82,000 Americans still imprisoned, missing and unaccounted for from all wars. The POW/MIA flag flying over the U.S. Capitol will be a steadfast reminder to both the families of our missing and the American public that our government has not forgotten those who did not come home" stated Gus Dante, Government Affairs Chairperson Rolling Thunder®, Inc. National.
