This is the contact information for the caller. I spoke with him as well today. He was very complimentary. In short, Chad responded to his neighbor's property in response to a complaint. He saw violations in Mr. Clinton's yard and went over and spoke to Mr. Clinton. He was very polite when explaining what needed to be addressed and provided the time needed for Mr. Clinton to take care of the violations. He stated that Chad was a true gentleman and very good reflection on the City throughout the process.

I will be making a note for Chad's file.

Good afternoon Peggy,

Mr. Gary Clinton called in reference to Chad Dawson. He wanted to express his gratitude towards Dawson and also to let us know how polite and helpful he has been. He has lived in the City of Fort Pierce since 1969 and Dawson is one of the nicest people he has ever met.

He did ask if there is someone else he can share this with. I told him someone might be contacting him. His phone # is 772-618-3039, if he does not answer to please leave a message.

Chad thank you for serving our Community and for your quality of work!

*Warm Regards,*
