Subject: Building Department - Thank You

Dear Mr Thomas,

I would just like to thank your department for their great support regarding my building permit number 20-2044.

Over the past year, we have been remodeling a bathroom and we have had the opportunity to interact numerous times with 6 different members of your department.

- Aramis Gil
- Ed Smith
- Frank Remling
- Paul Julin
- John Sellers
- Kim West

Your team members were always professional, polite, and helpful. Considering the past year includes Covid lockdowns, assorted shortages and closures (stressful things for everyone), it makes your teams performance that much better.

So much thanks again to your Team.

Sincerely,

Greg Dettmer
