Thank you for sharing this with me. I so appreciate hearing positive words about our city staff, and especially our police officers. I know how hard they work and their dedication to doing the right thing. It's wonderful when someone else notices and writes about it. Good luck to you and your daughter.

Hi,

My name is Sarah, my daughter came to FL for drug treatment. She has a mental illness and walked away from the facility that was trying to help her. I reached out to the Ft. Pierce Police Station and was luckily transferred to Detective Alexander Quiles. I was worried that no one would look for my daughter considering the circumstances. Detective Quiles went above and beyond what I ever expected. He followed up on leads I had in real time. He located her and convinced her to check herself into the hospital. We are working on getting her home. I can't thank Detective Quiles enough. Thank you for having such caring detectives.

Thank you,
Sarah Nutt
