Dear Dr. Sara:

On behalf of the City of Fort Pierce, I would like to express our appreciation for the services you have provided to the City, its residents and their pets between 2009 and 2019.

The reduced cost veterinary services provided through Dr. Dan's Animal Hospital from 2011 through 2019 was instrumental in helping the city achieve its spay and neuter goals of reducing the number of litters and stray animals in our community. Additionally, you also assisted with the City's Happy Hounds Program while working with the Humane Society of St. Lucie County.

While you no longer provide services to the City, we remain grateful for your ongoing advocacy for the animals of the Treasure Coast.

Sincerely,

Linda Hudson
Mayor
