City of Fort Pierce  
100 N. US Highway 1  
Fort Pierce, Florida 34950

Dear Selection Committee,

I am pleased to present this proposal for the purchase of the property located at Dundas Court Parcel ID #2410-604-0156-000-7, Fort Pierce, Florida. I am very familiar with the location of this property and the intimately knowledgeable of the City's proposed revitalization plans for the Lincoln Park community. I believe the proposed development plans presented in this offer for purchase further the mission of the City's revitalization vision for Lincoln Park and addresses the need of the community for affordable housing.

I am a veteran woman owned minority business since 2016. I am uniquely in tune with the cultural and heritage of Lincoln Park and view the development and workable housing infill through the lens of the community. The current entry-level housing market is in need of single-family homes that will complement the existing infrastructure, in line with future growth and development for the surrounding area while increasing property values.

The current trend in building materials and supplies has increased on average some 35% since the onset of the pandemic. This price cycle will run its course as production of materials resumes and transportation of these materials began to meet demand as the nation moves to acceptable standards of normal commerce. By the end of the year, supply will catch up with the market and costs will return to normal pricing. This will be timely for our project as permits will be obtained and land clearing will take place.

Our team is excited about the opportunity to build homes for working families to make memories and support the local economy at the same time.

I look forward to presenting our vision to your committee.

Sincerely,

A handwritten signature in blue ink, appearing to read "P. Carithers", is written over the typed name and title.

Pamela Carithers  
Managing Partner

### ***Intended Use of Property***

The intended use of the subject property is to construct a single family 3 bedroom 2 bath one car garage with two parking spaces. The proposed construction will be consistent with the existing Oaks at Moore's Creek subdivision homes. It is our goal to provide access to entry level homes that are workable and affordable to the community while maintaining the historical integrity of the area. This intended use of the property will improve the availability of affordable housing and home ownership. The intended use will create equity in the neighborhood and support various uses associated with the neighboring redevelopment plan of the City of Fort Pierce.

### ***Minority Participation and Outreach Plan***

Progression Properties is a Woman Owned Minority Business Enterprise located in Vero Beach, Florida. Our policy is to make a concerted effort to contract with minority and women owned businesses in Fort Pierce and St. Lucie County. The local projects have been contracted with the same General Contractor, which is a minority; the Electrical, Plumbing, A/C subcontractors are all minorities; and the crews consists of members of the minority group. This team is the same team that moves from one house to the next for all local projects. This model ensures a consistent, professional work product and contributes to the local economy. Our outreach program is to continue to contract with minority vendors in the Fort Pierce and St. Lucie County area in every phase of the project. This approach bridges the generational investment in the local workforce and levels the playing field in the contracts awarded to minority/women owned business enterprises (M/WBE).

### ***Proposed Commitment Date***

The proposed commencing date is within six months after the sale of the property to develop a full set of plans and apply for permits. Upon approval of permits, we will break ground and commence to land clearing and building the single-family home. **Anticipated project completion 18-24 months.**

### ***Value of Improvements:***

Total cost of construction is \$114,000.00. This figure is based on contractor grade materials and supplies and estimated at labor for a rate of \$95.00 per square foot for a 1,200 square foot single-family home. Landscape improvements will be living trees, and shrubs planted for the purpose of enhancing the aesthetic value of the property. ***See attachment A.***

### ***Proof of Financial Ability***

Bader's Financial Center, 359 Lanternback Island Drive, Satellite Beach, FL has provided a proof of funds by an approval letter. ***See attached as attachment B.***
