

**City of Fort Pierce Retirement & Benefit System
 Membership for Elected Officials**

As an elected official whose position is excludable by reason of the City Charter, you may elect to become a member of the City of Fort Pierce Retirement & Benefit System. Enrollment is optional for elected officers. You may elect membership at any time during your appointment with the City. If you elect to become a member, the election is irrevocable; you cannot reverse that decision in the future.

If you worked for the City as an elected official prior to your election to enroll in the Retirement System, you may purchase retirement service credit for that time by paying the actuarial cost of the service credit in a lump sum at the time you elect to become a member.

Please complete the form below and return it to the Retirement Clerk. If you need additional information, please contact the Retirement Clerk at (772) 467-3080.
