RE: Case # 21-0962

Date: August 17th 2021

In response to the letter that I received on August 5, 2021 I disagree with the findings of that letter.

I met with the Code Enforcement Officer and it was discussed what we need to do to make this property compliant and then I received this letter of intent to place a lien on the property.

With that being said I am asking for schedule meeting with the Special Magistrate to settle this dispute.

Thank you
