Letter of Recommendation

January 27, 2022

To Whom it May Concern:

I am pleased to recommend Joe Harmon for a local contractor. I have personally worked with Joe for three years as he has managed and overseen multiple land development projects successfully.

Joe is highly knowledgeable in multiple aspects of the construction industry and continues to excel in overseeing a wide range of land development projects such as earthwork, land clearing and grading operations.

I have the upmost confident in Joe as a contractor to perform his roles in a safe, quality, and productive manner. I have seen the completion of many of his projects to date and feel he continues to perform on the highest level of efficiency and safety.

Sincerely,

Jason Rauschenberger, President

I, Darci Margeson have had the pleasure of working directly with Mr. Harmon and brought several clients onsite to see him and his projects. Mr. Harmon has illustrated his attention to detail, quality, and safety on several occasions. Mr. Harmon strives for the highest safety standards. Scheduling within the construction industry is typically an art form and Mr. Harmon has been able to effectively meet project schedule requirements. He and his crew have been able to quickly adapt to schedule changes from other subcontractors to keep his schedule on time and aligned with the overall project schedule. In addition, Mr. Harmon has been exceptionally accommodating when dealing with unforeseen conditions and potential change orders. He has been in the land clearing business for the past three years and I've seen his work. I highly recommend Mr. Harmon please consider Mr. Harmon as a contractor. I recommend him and look forward to working with him again.
