**NOTICE OF  
REDISTRICTING WORKSHOP  
CITY OF FORT PIERCE**

The City Commission of the City of Fort Pierce, Florida, will hold a second public workshop on the proposed redistricting maps on Tuesday, March 29, 2022 at 6:00 p.m. in the City Hall Commission Chambers, 100 North U.S. #1, Fort Pierce, Florida. All interested parties are encouraged to attend and provide public comment.

The City of Fort Pierce recently contracted Kurt Spitzer and Associates to assist with the City's redistricting requirements following the 2020 Census. Mr. Spitzer has produced two map options for the City's consideration that will revise the election boundaries in an effort to provide two districts with as close to equal population as possible in accordance with City Charter and state statutes. These maps are available for review on the City's website at <https://www.cityoffortpierce.com/1027/Redistricting-2022> and are on display in the City Hall lobby.

Mr. Kurt Spitzer, the City's consultant and creator of the maps, will explain the process that he undertook to create the proposed boundaries and will be available for questions at the meeting.
