Florida

TRAM APP NOW AVAILABLE

Using the City of Fort Pierce Tram mobile application from TSO Mobile, you can find the location and estimated time of arrival of the City Tram. This is a free application that runs on all smart mobile devices.

The City of Fort Pierce Tram was introduced in 2019 for convenience to visitors in the Downtown area. Passengers are welcome to hop on and off at any of the stops along the route and there is no need for a timetable, as the tram arrives at designated stops every 15 minutes. The tram service is free and operates its route with stops at the City Hall Parking Garage, 2nd Street, A.E. Backus Avenue, Indian River Drive, and Marina Square.

For more information, please visit www.cityoffortpiece.com
