Paul, I wanted to thank you and the DPW again for supporting our effort on Saturday, December 11th. The event was a great success and we made a real difference not just through cleaning up the blight but through connecting the neighbors in our community.

The two gentlemen that you sent to help out, Ernest Ricciardi & Troy Hall proved to be invaluable assets to the project we could not have accomplished our goal without them.

We would love the opportunity to work with Troy & Ernest again on future projects.

We will be Reaching out to Nick Mimms & Curtis Johnson regarding our next Clean Spree Event and will keep you in the loop, and thanks again for your support & tell Troy & Erni Great Job!
