

Impact Fee Moratorium

Conference Agenda – January 10, 2022

Overview

Since infill locations are within the urban core of our community, typically they already have much of the needed infrastructure.

There has been limited new construction in the FPRA district over the past several years.

Assist businesses by reducing their startup costs and encourage new residents to build homes.

Timeline

Building Permit Comparison

Within the FPRA

20 new construction building permits.

4% of all new construction building permits were within the FPRA.

Outside the FPRA

459 new construction building permits.

96% of all new construction building permits were outside of the FPRA.
