## ADDITIONAL INFORMATION

### Termination of Contract

If customer terminates a multi-year contract prior to completion of term, all discounts taken in each of the years that holiday lighting was installed, will be returned to Lighting by Design as liquidated damages. Cancellation must occur in writing no later than January 31st of the current year. If written cancellation is not received, the customer will also be responsible for prior year's discounts and the full contract amount in the current year.

### Installation of Lights

Installation dates are booked upon receiving your signed contract and 50% deposit. Installation can occur up to 60 days prior to turn on date.

### Maintenance of Materials

Lighting by Design owns all materials. We will repair and/or replace any materials that malfunction from November 1st through January 31st with the exceptions noted below. Any lights left up after January 31st will incur additional charges.

Lighting repairs needed, beyond the control of Lighting by Design, i.e., 'acts of nature', electrical outages, vandalism, theft, damage from lawn maintenance equipment, electrical surges, not pruned palm fronds, etc. will be charged hourly and invoiced separately.

### Maintenance

Lighting by Design understands that your holiday lighting is lit for a limited amount of time and that you want service issues to be addressed as quickly as possible. We have taken several steps to help minimize service issues, however, if service is required, please email [admin@lightdesignfl.com](mailto:admin@lightdesignfl.com) or call **561-714-4233** so that we can address your needs as quickly as possible.

### Tree and Hedge Trimming

To ensure that your holiday lighting and decorations are installed properly, your trees must be substantially pruned by **September 1st**. Failure to do so will result in pruning charges.

### GFCI (Ground Fault Circuit Interrupter)

A GFCI is a device that has been installed that offers personal protection against electrical shock. When your holiday lights or outlets get wet from rain or sprinkler systems while they are on, your GFCI will trip and need to be reset. **Please have your sprinkler times changed to a time when your holiday lighting is off.** To reset your GFCI outlet simply depress the red *reset* button. This can only be done when lights and outlets are dry and power to the outlet is on. **Lighting by Design is not responsible for resetting the GFCI outlets and may result in additional charges.**

**Part II Certification**

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and

- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.  
 Future developments. The IRS has created a page on [irs.gov](http://irs.gov) for information about Form W-9, at [www.irs.gov/w9](http://www.irs.gov/w9). Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

**Purpose of Form**

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1445 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1445 require a partnership to presume that a partner is a foreign person, and pay the section 1445 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1445 withholding on your share of partnership income.
