

Shelter Update

October 3, 2022

THE #1
ISSUE,
TOPIC,
CONCERN,
&
QUESTION

YES – The City has concerns regarding the high number of animals housed at the shelter.

NO – There will not be a mass euthanasia of animals.

What is the plan?

- The City is working with individuals who have knowledge of current animal welfare trends, with an emphasis on promoting adoptions of animals in lieu of euthanasia.
- We are continuing to reach out to other partners with similar programs.

Upcoming Changes

- Working on transitioning the software program and all related IT issues.
- Working on creating partnerships with other agencies to assist with relocation efforts of our animals.
- Working on training staff and volunteers to provide a new approach to housing and caring for the animals.
- Working on updating our adoption procedures to match current trends.
- And much, much more... Updates to come!
