EXHIBIT A

CHAPTER 121 - SUBDIVISIONS

Sec. 121-8. General provisions applicable to subdivision of land.

It is the intent in the application of this chapter that the following shall apply to:

- (1) Any person proposing to subdivide land within the city into lots proposed for development or sale shall submit to the planning director a plat or plats of the proposed subdivision which shall conform to all requirements set forth in this chapter.
- (2) Any construction work undertaken on the proposed subdivision site prior to the receipt of final ~~preliminary~~ plat approval from the city commission shall be at the sole risk of the developer.
- (3) No plats or plat of a proposed subdivision shall be recorded in the office of the clerk of the circuit court of the county until such plat or plats shall have received final approval, as certified herein, from the city commission.
- (4) No land dedicated as a public street shall be accepted, opened, or improved nor shall any utilities or other facilities be installed therein, unless such streets shall have been accepted or opened as, or otherwise shall have received the legal status of, a public street prior to the adoption of this chapter, or unless such street corresponds in its location and lines with a street shown on a plan approved by the city commission or on a plan made and adopted by said commission; provided, however, that the city commission may locate or construct or may accept for construction any other streets.
- (5) No building permit shall be issued for, and no building or other structure shall be erected on, any lot unless such lot has legal description and access to a street which shall have been accepted or opened as, or shall have otherwise received the legal status of a public street.
