Memorandum

TO: Miriam Garcia

FROM: Sergeant John Fasanello

SUBJECT: FPRA Downtown Detail

DATE: November 2, 2022

Off-Duty Officers of the Fort Pierce Police Department have been patrolling the downtown area, via foot patrols, Segway, and bicycles since October 1, 2022. Officers are stopping in to check with local businesses not only for introductions but also to assist with any questions or concerns individual businesses may wish to discuss. Our Officers have received much appreciation for their presence and courtesy. Officers responded to several calls for service in the downtown area for misdemeanor traffic issues and unwanted persons all of which were resolved without issue. They received multiple "flag downs" pertaining to a wide variety of questions, comments, and directions. There were traffic stops conducted for observed infractions as well as an incident involving lost property which was recovered and returned to its owner. This detail has fostered extremely positive interactions with the public in our city's center.
