To whom it may concern, My name is Allicia Johnson, and I am the owner of the red ford mustang located at 1912 Ave M Fort Pierce, FL 34950.

I am writing this letter to inform you that the car has been moved. Also, I don't know if I was charged \$100 a day. So If I was I'm also writing to let you know that I have relocated to Texas and I am not financially able to move my car here yet. I am asking the city + community to have a little leniency on me for this in convince. Someone called the city to be spite full because my car has been there for years and my neighbors I know are not bothered by this issue. Since the pandemic I have been struggling financially. I am the kind of person who has always helped others and I don't ask anyone for anything. I am asking the city to please have mercy on someone who is really trying their best to make it in these trying times. Lord knows I do not need another debt. I was told in the beginning to get a tag + insurance. I did that then I was told to just move from one spot to the next and now its done as requested. I'm just patiently waiting to pay down some debts so I can bring my car here to Texas. The pandemic put me in a financial bind that seems so hard to get out of. So please consider my request not to be charged \$100 a day

Kind regards
