Nominations for the Renaming of Jaycee Park

Commission Summary
presented by the
Fort Pierce Parks Advisory Committee

March 13, 2023

Outline

- Call for Renaming of Jaycee Park and Naming/Renaming Process in your packet
- Quote from the Naming Process as adopted by the Commission: "Renaming carries with it a much greater burden of process compared to initial naming. Tradition and continuity of name and community identification are important community values. Each request to rename must meet the criteria of this policy, but meeting all criteria does not ensure renaming."
- The Parks Advisory Committee concluded by vote that nomination forms must be complete in order to be vetted. This includes stating a reason for the nomination and a signature.
- Results
  - Social media
  - Emails
  - Nomination forms

Results – Social Media & Emails

- While Social Media is not considered a Nomination, it is worth noting that a number of posts lobbied for the name to remain Jaycee Park.

- 14 emails were received. While emails are not considered a Nomination, it is worth noting the following:
  - 5 preferred that the name remain Jaycee Park.
  - Names suggested included: Ais Park, Garth Wilder, John Lennon Park or Peace Park, Sunrise City Park, Sunset Park or Seaside Park or Riverfront Park

Results – Nomination Forms

Corey Sandin	Doubloon Park	Y	Y	Y
Corey Sandin	Ahoy Park	Y	Y	Y
Angie Striker	Jaycee Park	Y	Y	Y
Chris Striker	Jaycee Park	Y	Y	Y

Summary

- Of the 6 completed Nomination Forms,
  - 3 suggested renaming the park
  - 3 suggested leaving the name Jaycee Park
- Reasons given for leaving the name Jaycee Park in the Nomination Forms and emails include:
  - Jaycees established the Park
  - Confusing to rename
  - Easy to recognize and find as is
- We have concluded that the community prefers leaving the name Jaycee Park.
- The community also recognizes the huge contribution that the Kiwanis Club has made in rebuilding the playground, which is one of a large number of amenities at Jaycee Park.
- Some do feel that the playground should be named to honor this contribution and that a sign be erected honoring the Kiwanis Club. This is provided for in the Naming Process.

Procedures

The steps to name a public facility include but are not limited to:

1. An open call for submissions publicized in all local media including a deadline for submission;
2. A completed "City of Fort Pierce Nomination Form" submitted to the City Clerk for each nomination by any citizen, group, or organization;
3. Submissions vetted by the Parks Committee, including all facts and backgrounds listed on the nomination form plus any other research deemed appropriate;
4. All vetted submissions presented to the Commissioners for review with notes from the research;
5. Commissioners discuss these submissions during a Conference Agenda meeting. The Commission may accept or reject the Committee submissions. In the latter event, the Commission shall refer the call for submissions back to the Committee.
6. Commissioners select the name by vote at a Commission Meeting.

Questions and Discussion

Completed Applications for the Renaming of Jaycee Park

J. Gaines – The application is completed, signed, and meets the renaming guidelines.

Carol Hayes - The application is completed, signed, and meets the renaming guidelines.

Corey Sandin (Both Applications) – The applications are completed, signed, and meet the renaming guidelines.

City of Fort Pierce Naming of Public Facilities Nomination Form

This Nomination Form is to establish a systematic and consistent approach for the official naming of public facilities in the City of Fort Pierce including parks, facilities, recreational areas, streets, municipal buildings, and specialized areas. The criteria for nomination are explained in the document "Guidelines for the Naming of Public Facilities".

Nominator

Name J. Gaines

Address, City, State, Zip 600 Citrus Ave., #200

Phone 772-461-6120 Email jgaines@btef-cpas.com

Nomination

Facility to be named/renamed Jaycee Park

Address of facility to be named/renamed Melaleuca Dr., Fort Pierce, 34949

The nominator must answer the following questions and submit this form to the City Clerk

Name being nominated Sunrise Kiwanis Park

If a person:

A. Address, City, State, Zip (or former if deceased) _____

B. Date of Death (if deceased) _____

C. List specific years of involvement (Example - 01/10-12/17) _____

D. Identify the general area of contribution made by the nominee.
   a. (Example - Health, Education, Business, Environment, Civic, Other) _____

E. Summarize the type of contribution (accomplishments and community involvement) that the nominee made. (more detail in #1 and #2) _____
   a. (Examples – Neighborhood or geographic; Natural or geological features; National, State, and local leaders; Historical figure, place, or event; Individuals who have made significant monetary contributions or have contributed outstanding service to the community).

If other than a person:

A. Summarize the reason for this nomination (more detail in #3)_____

The Sunrise Kiwanis, a civic organization in Fort Pierce, created a community rebuild of Kids Park that involved school children in design, and a broad sector of citizens for the building of an all access park for children of all capabilities.

1. Identify in detail the area of contribution made by the nominee and be specific – name either facilities or specialized areas. (Example - Health, Education, Business, Environment, Civic, Other).

Kiwanians are volunteers changing the world through service to children and communities.The Fort Pierce Sunrise Kiwanis Club conceived of a concept to rebuild the Kids Park at Jaycee Park, to be accessible for children of all abilities, to be durable and to be on a much larger scale that the existing park, which had fallen into disrepair. The Club approached the City of Fort Pierce, and together these organizations recruited other organizations, businesses and citizens to donate funds and volunteer for the build. Volunteers worked under the direction of Playgrounds by Leathers, a Jupiter firm that specializes in playgrounds and community builds. The project started about 18 months prior to the actual build and involved elected leaders of Fort Pierce, St. Lucie County as well as St. Lucie County schools and Fire District. Many non profits participated, including a generous contribution from the St. Lucie County Children Service Council. Public

2. Describe the type of contribution (accomplishments and community involvement) that the nominee made. (Examples – Neighborhood or geographic; Natural or geological features; National, State, and local leaders; Historical figure, place, or event; Individuals who have made significant monetary contributions or have contributed outstanding service to the community).

The Kids Park at Jaycee Park involved every part of the community, including volunteers from Port St. Lucie and Vero Beach. The Fort Pierce Sunrise Kiwanis wanted not only to build a park but they wanted to build a sense of community. There were volunteer teams in charge of food, tools, volunteer recruitment, registration, and build captains who supervised volunteers. Any skill level was welcome. Park neighbors were drawn into the build, giving many volunteer hours. Local businesses donated meals for breakfast, lunch and dinner. The Fire District provided two firefighter/paramedics for the duration of the build to address any injuries. Luckily, minimal accidents occurred. Every day, local clergy would begin the day with prayer. With temperatures in the nineties, water, other drinks and ice were plentiful. A large refrigeration truck was donated for the duration of the build to keep food and drinks cold. Playgrounds by Leathers staff were on

3. Describe in detail why the name being nominated is related to this facility, including any background, details, or other relevant information.

In the early 20th century, there was no bridge over the Indian River so beachgoers in Fort Pierce went by boat from Cobb's dock or the Fort Pierce Hotel dock, to what is today known as Jaycee Park. They made a walking path to the Atlantic Ocean Beach, and called this beach Surfside.

The term Jaycee refers to an organization that was once called the Junior Chamber of Commerce. While there is an active St. Lucie County Chamber of Commerce, there is no active county Jaycee organization currently. In 1960, the City of Fort Pierce named the current Jaycee Park (Resolution 60-1991). They describe Jaycee Park as due west of Lion's Park. Lion's Park is today known as Surfside Park, and is probably the original Surfside Beach mentioned above. The Jaycees submitted a site plan for park improvements, including shelters, tables, storage

1. Kiwanians are volunteers changing the world through service to children and communities. The Fort Pierce Sunrise Kiwanis Club conceived of a concept to rebuild the Kids Park at Jaycee Park, to be accessible for children of all abilities, to be durable and to be on a much larger scale that the existing park, which had fallen into disrepair. The Club approached the City of Fort Pierce, and together these organizations recruited other organizations, businesses and citizens to donate funds and volunteer for the build. Volunteers worked under the direction of Playgrounds by Leathers, a Jupiter firm that specializes in playgrounds and community builds. The project started about 18 months prior to the actual build and involved elected leaders of Fort Pierce, St. Lucie County as well as St. Lucie County schools and Fire District. Many non profits participated, including a generous contribution from the St. Lucie County Children Service Council. Public works staff from Fort Pierce worked many hours in preparing the site and during the build. The build involved over a thousand volunteers working 10 days over 120 hours to complete 99% of the build.

2. The Kids Park at Jaycee Park involved every part of the community, including volunteers from Port St. Lucie and Vero Beach. The Fort Pierce Sunrise Kiwanis wanted not only to build a park but they wanted to build a sense of community. There were volunteer teams in charge of food, tools, volunteer recruitment, registration, and build captains who supervised volunteers. Any skill level was welcome. Park neighbors were drawn into the build, giving many volunteer hours. Local businesses donated meals for breakfast, lunch and dinner. The Fire District provided two firefighter/paramedics for the duration of the build to address any injuries. Luckily, minimal accidents occurred. Every day, local clergy would begin the day with prayer. With temperatures in the nineties, water, other drinks and ice were plentiful. A large refrigeration truck was donated for the duration of the build to keep food and drinks cold. Playgrounds by Leathers staff were on site for the 10 build days. Each 12 hour day was staffed by volunteers for 4 hour shifts, for a total of 120 build hours, although organizers, build leaders and captains put in many more hours.

3. In the early 20th century, there was no bridge over the Indian River so beachgoers in Fort Pierce went by boat from Cobb's dock or the Fort Pierce Hotel dock, to what is today known as Jaycee Park. They made a walking path to the Atlantic Ocean Beach, and called this beach Surfside. The term Jaycee refers to an organization that was once called the Junior Chamber of Commerce. While there is an active St. Lucie County Chamber of Commerce, there is no active county Jaycee organization currently. In 1960, the City of Fort Pierce named the current Jaycee Park (Resolution 60-1991). They describe Jaycee Park as due west of Lion's Park. Lion's Park is today known as Surfside Park, and is probably the original Surfside Beach mentioned above. The Jaycees submitted a site plan for park improvements, including shelters, tables, storage building, toilets, play areas, and parking facilities for 263 cars and 20 cars and boat trailers. In 1982 and 1983, improvements were made and referred to as Jaycee Park Phase II. With no active involvement of local Jaycees for more than 40 years, the City of Fort Pierce has made improvements to the park , but the children's play area was out of date and in a deteriorating condition. The Fort Pierce Sunrise Kiwanis Club's spearheading of the rebuild of the kid's park, with state of the art features for children with all abilities, has been a major enhancement of the park. Features include a Coast Guard boat, a pirate ship, zig zag monkey bars, shark and conch

shell tunnels, accessible racing krooz, strap swings, and many, many more other ways for all children to have fun. It is estimated that about two million dollars was saved, because the community built the kids park. The effort of the Sunrise Kiwanis was rewarded when an organization gave a generous grant while the build was in progress. This new, enhanced, accessible-to-all-children playground would never have happened, if it had not been for the Fort Pierce Sunrise Kiwanis Club. And, because they brought the multitudes with them, the whole community has an investment in the park. Our children, grandchildren and great grandchildren will be enjoying this park long after those who participated in the build are gone.

City of Fort Pierce Naming of Public Facilities Nomination Form

This Nomination Form is to establish a systematic and consistent approach for the official naming of public facilities in the City of Fort Pierce including parks, facilities, recreational areas, streets, municipal buildings, and specialized areas. The criteria for nomination are explained in the document "Guidelines for the Naming of Public Facilities".

Nominator

Name CAROL HAYES

Address, City, State, Zip 201 Rosewood Drive Ft. Pierce 34947

Phone 7725191972 Email CALLMYCOACH@AOL.COM

Nomination

Facility to be named/renamed JAYCEE PARK

Address of facility to be named/renamed S. OCEAN DRIVE & MELALEUCA DR FORT PIERCE FL 34950

The nominator must answer the following questions and submit this form to the City Clerk

Name being nominated JAYCEE PARK (KEEP NAME)

If a person: N/A

A. Address, City, State, Zip (or former if deceased) _____

B. Date of Death (if deceased) _____

C. List specific years of involvement (Example - 01/10-12/17) _____

D. Identify the general area of contribution made by the nominee.
   a. (Example - Health, Education, Business, Environment, Civic, Other) _____

E. Summarize the type of contribution (accomplishments and community involvement) that the nominee made. (more detail in #1 and #2) _____
   a. (Examples – Neighborhood or geographic; Natural or geological features; National, State, and local leaders; Historical figure, place, or event; Individuals who have made significant monetary contributions or have contributed outstanding service to the community).

If other than a person:

A. Summarize the reason for this nomination (more detail in #3) _____

Keep the name of Jaycee Park - it is a fine name. No need to change it.

1. Identify in detail the area of contribution made by the nominee and be specific – name either facilities or specialized areas. (Example - Health, Education, Business, Environment, Civic, Other).

Built the current park.
Civic development

2. Describe the type of contribution (accomplishments and community involvement) that the nominee made. (Examples – Neighborhood or geographic; Natural or geological features; National, State, and local leaders; Historical figure, place, or event; Individuals who have made significant monetary contributions or have contributed outstanding service to the community).

Families enjoy themselves there + easily know where to meet when they say "Jaycee Park".

3. Describe in detail why the name being nominated is related to this facility, including any background, details, or other relevant information.

It is the traditional, long-standing name by which most people from Fort Pierce know it. Please don't add more confusion to the mass of confusion that has already occurred the past two years.

Signature of Nominator Carol Orlando-Hay

City of Fort Pierce Naming of Public Facilities Nomination Form

This Nomination Form is to establish a systematic and consistent approach for the official naming of public facilities in the City of Fort Pierce including parks, facilities, recreational areas, streets, municipal buildings, and specialized areas. The criteria for nomination are explained in the document "Guidelines for the Naming of Public Facilities".

Nominator

Name Corey Sandin

Address, City, State, Zip 1127 Hernando Street

Phone 407-221-3599 Email SandinCorey@yahoo.com

Nomination

Facility to be named/renamed Jaycee Park

Address of facility to be named/renamed Melaleuca Drive and South Ocean Drive

The nominator must answer the following questions and submit this form to the City Clerk

Name being nominated DOUBLOON PARK

If a person:

A. Address, City, State, Zip (or former if deceased) n/a

B. Date of Death (if deceased) n/a

C. List specific years of involvement (Example - 01/10-12/17) n/a

D. Identify the general area of contribution made by the nominee.
   a. (Example - Health, Education, Business, Environment, Civic, Other)
   n/a

E. Summarize the type of contribution (accomplishments and community involvement) that the nominee made. (more detail in #1 and #2) n/a
   a. (Examples – Neighborhood or geographic; Natural or geological features; National, State, and local leaders; Historical figure, place, or event; Individuals who have made significant monetary contributions or have contributed outstanding service to the community).

If other than a person:

A. Summarize the reason for this nomination (more detail in #3)
   The reason that i choose (Doubloon PARK) is that it refers to the captain ship and theme that my team and i helped create. Plus it is a common pirate word for BOUNTY or GOLD COINS/TREASURE/LOOT The Friendly Atmosphere/The Boat Ramp/Nautical features etc.

1. Identify in detail the area of contribution made by the nominee and be specific – name either facilities or specialized areas. (Example - Health, Education, Business, Environment, Civic, Other).

The Contribution i have made would be using my skills in carpentry and teaching my skills to other volunteers on this project.
Also contributing my Patrick Space Force Accrued PTO time for this project rather than for the Holidays as this year i decided to use my time differently.

2. Describe the type of contribution (accomplishments and community involvement) that the nominee made. (Examples – Neighborhood or geographic; Natural or geological features; National, State, and local leaders; Historical figure, place, or event; Individuals who have made significant monetary contributions or have contributed outstanding service to the community).

I have nominated the name DOUBLOON PARK as i contributed and utilized all of my skills and knowledge to help the rebuild of jaycee park as i know this is a treasure.

The team of volunteers and myself(CAPTAIN) installed the hand rails for a section of the park and the decking for the kids to walk up to the birds nest. This was very satisfying for myself and my team members to know that we have built something to code and safe for kids to enjoy.

The Satisfactory of seeing the rebuild of Jaycee park completed for my family to utilize and meeting the wonderful people that donated their time can never be unmatched.
This is what brings a community together and what Fort Pierce needs more of. I know ill be

3. Describe in detail why the name being nominated is related to this facility, including any background, details, or other relevant information.

I feel like the name (DOUBLOON PARK) is most suitable for this park and location. The word DOUBLOON meaning pirate treasure/gold coins/Coin Worth would make an appropiate name for its surrounding

I personally feel like this is the best suited name for the park and its surrounding/sand/water/boats/Treasure etc.

Also that this park being located on the Treasure coast and i feel like this park in particular will be a hidden gem for kids and families treasure to be visit and utilize for fun and play.... a Diamond in the ruff so to speak

D. Identify the general area of contribution made by the nominee.
   a. (Example - Health, Education, Business, Environment, Civic, Other) Business

E. Summarize the type of contribution (accomplishments and community involvement) that the nominee made. (more detail in #1 and #2) Mr. Houghtaling was the inventor of the Magic Fingers Vibrating Bed, a staple of hotel rooms throughout the country during the 1970s and 1980s. Mr. How
   a. (Examples – Neighborhood or geographic; Natural or geological features; National, State, and local leaders; Historical figure, place, or event; Individuals who have made significant monetary contributions or have contributed outstanding service to the community).

If other than a person:

A. Summarize the reason for this nomination (more detail in #3)

1. Identify in detail the area of contribution made by the nominee and be specific – name either facilities or specialized areas. (Example - Health, Education, Business, Environment, Civic, Other).

I think it would be appropriate to rename Jaycee Park after John Houghtaling. The park is located across the Indian River Lagoon from Fort Pierce City Marina, where Mr. Houghtaling lived on a houseboat during his retirement years. His boat was lost during a hurricane that heavily damaged the marina, but Mr. Houghtaling continued to live in Fort Pierce until his death in 2009. His invention was nationally recognized and familiar to travelers throughout the United States.

2. Describe the type of contribution (accomplishments and community involvement) that the nominee made. (Examples – Neighborhood or geographic; Natural or geological features; National, State, and local leaders; Historical figure, place, or event; Individuals who have made significant monetary contributions or have contributed outstanding service to the community).

Please see answers above. The vibrating beds Mr. Houghtaling invented were once found in hotel rooms across the country and referenced in movies such as "National Lampoon's Family Vacation" and "Planes, Trains and Automobiles." The beds were also referenced in a Jimmy Buffett song.

3. Describe in detail why the name being nominated is related to this facility, including any background, details, or other relevant information.

Geographically, Jaycee Park makes sense. It's located along the Indian River Lagoon, which is where Mr. Houghtaling lived prior to the hurricane that destroyed his boat. According to one of his sons, he was drawn to Fort Pierce because he wanted to live on the water. It seems like a fitting tribute to a local historical figure who, as far as I know, has not been recognized elsewhere in the city.

   a. (Examples – Neighborhood or geographic; Natural or geological features; National, State, and local leaders; Historical figure, place, or event; Individuals who have made significant monetary contributions or have contributed outstanding service to the community).

If other than a person:

A. Summarize the reason for this nomination (more detail in #3)
   The Park is on an island and there are many play offerings for all ages-playground, tennis, basketball, swimming, boating, relaxing.

1. Identify in detail the area of contribution made by the nominee and be specific – name either facilities or specialized areas. (Example - Health, Education, Business, Environment, Civic, Other).

2. Describe the type of contribution (accomplishments and community involvement) that the nominee made. (Examples – Neighborhood or geographic; Natural or geological features; National, State, and local leaders; Historical figure, place, or event; Individuals who have made significant monetary contributions or have contributed outstanding service to the community).

3. Describe in detail why the name being nominated is related to this facility, including any background, details, or other relevant information.

The Park draws people of all ages. It's a place that all citizens can "play". The improvements which have been made over the last few months will encourage more citizens and guests to take advantage of this well maintained area to just have "fun" and relax in the clean environment.
NOTE:
This is not a "dog" park. Please make new signage to have those who think otherwise take their dogs to the Dog Park. People pull up and let their dogs run unrestricted through the park and fail to "clean-up" after their dogs. Some of these same individuals run their dogs on the tennis courts. Many of the dogs are very large breed and many people come withmultiple dogs.
Signed---Jane M. Massaro

GUIDELINES FOR THE NAMING OF PUBLIC FACILITIES

City of Fort Pierce, Florida

Purpose

The purpose of these guidelines is to establish a systematic and consistent approach for the official naming of public facilities in the City of Fort Pierce, including parks, facilities, recreational areas, streets, municipal buildings, and specialized areas.

Objectives

- Ensure that parks, facilities, recreational areas, streets, municipal buildings, and specialized areas are easily identified and located.
- Ensure that given names to parks, facilities, recreational areas, streets, municipal buildings, and specialized areas are consistent with the values and character of the area or neighborhood served.
- Encourage public participation in the naming, renaming, and dedication of parks, facilities, recreational areas, streets, municipal buildings, and specialized areas.
- Encourage the dedication of lands, facilities, or donations by individuals and/or groups.
- Advance the reputation of the City as well as increase the understanding and public support for its programs.

Criteria

The practice of the City of Fort Pierce is to name parks, recreation areas, facilities, streets, municipal buildings, and specialized areas through an adopted process utilizing the above objectives, emphasizing community values and character, local and national history, geography, the environment, civics, and service to the City of Fort Pierce. Therefore, the following criteria shall be used in determining the appropriateness of the naming designation:

- Neighborhood, geographic, or common usage identification;
- A historical figure, place, event, or other instance of historical or cultural significance;
- National, state, and local leaders or heroes, both past and present;
- Natural or geographical features, such as plant materials, streams, rivers, lakes, and creeks;
- An individual, living or deceased [a] who has made a significant land and/or monetary contribution to the park, recreation area, facility, or municipal building, or [b] who has had the contribution made “In Memoriam” and when the name has been stipulated as a condition of the donation;
- An individual, living or deceased, who has contributed outstanding civic service to the City;

Facilities, specialized areas, or amenities may have a name different from that of the larger park, recreation area, facility, or municipal building.

When feasible, the process to name parks, recreation areas, facilities, streets, municipal buildings, and specialized areas should begin within twelve (12) months after the City has acquired title to the land and/or formally accepted the dedication.

Names that are similar to existing parks, recreation areas, facilities, streets, municipal buildings, and specialized areas should not be considered in order to minimize confusion.

Renaming

The City reserves the right to change the name of a park, recreation area, facility, street, municipal building, or specialized area to maintain consistency with these guidelines. However, renaming carries with it a much greater burden of process compared to initial naming. Tradition and continuity of name and community identification are important community values. Each request to rename must meet the criteria of this policy, but meeting all criteria does not ensure renaming.

Procedures

The steps to name a public facility include but are not limited to:

1. An open call for submissions by the City of Fort Pierce including a deadline for submission;

2. A completed “City of Fort Pierce Nomination Form” submitted to the City Clerk for each nomination by any citizen, group, or organization;

3. Submissions vetted by the Parks Committee, including all facts and backgrounds listed on the nomination form plus any other research deemed appropriate;

4. All vetted submissions presented to the Commissioners for review with notes from the research;

5. Commissioners discuss these submissions during a Conference Agenda meeting. The Commission may accept or reject the Committee submissions. In the latter event, the Commission shall refer the call for submissions back to the Committee.

6. Commissioners select the name by vote at a Commission Meeting.

News Release #32-67

City of Fort Pierce

IMMEDIATE RELEASE

Fort Pierce City Commission Seeks Nominations for Renaming of Jaycee Park

The Fort Pierce City Commission has issued a call for nominations to rename Jaycee Park located at Melaleuca Drive and South Ocean Drive. The practice of the City of Fort Pierce is to name parks, recreation areas, facilities, streets, municipal buildings, and specialized areas through an adopted process utilizing objectives that seek to emphasize community values and character, local and national history, geography, the environment, civics, and service to the City of Fort Pierce.

All nominations should be returned to the Office of the City Clerk no later than December 9, 2022, at 100 N US Highway 1, Fort Pierce, FL 34950, fax to 772-467-3841 or email to lcox@cityoffortpierce.com.

The nomination form may be found on the City's website utilizing the following link: http://www.cityoffortpierce.com/141/Applications and downloading the following form: Naming of Public Facilities - Guidelines and Form. For questions, please call 772.467.3065.

Why is resilience planning critical?

- The future of the City of Ft. Pierce is in your hands.
- If we don't start now, we may be too far behind to recover.
- Requires making difficult decisions.
- Resilience planning protects against:
  - Loss of life
  - Loss of property
  - Loss of infrastructure
  - Loss of environmental resources
  - Loss of tax base

THE SUNRISE CITY
FORT PIERCE
BUILDING DEPARTMENT
Florida

Ordinance 22-039
Permit Fees

Sec. 103-52.- Fees

- Clarifies that Development Permit Compliance Review (DPCR) routing fees are due at the time of DPCR submittal.
- Clarifies that building permit review fees and routing fees are due at the time of submittal, with all remaining fees due at the time of issuance.
- Requires an estimated permit value to be provided on the application and detailed estimate upon request pursuant to the Florida Building Code.

Sec. 103-52.- Fees (Cont.)

- Clarifies that applications and associated fees are required per application, per parcel of land. When more than one structure is on a parcel of land, the application and associated fee is required per structure.
- Offers a concurrent building permit during the DPCR review for an additional fee.
- Defines the term “residential” for the purposes of this chapter.
- Added policy regarding refunds.

Sec. 103-53.- Permit and Plan Review Fee Schedule

- Permit and plan review fees were adopted by Resolution in 2020.
- The fee schedule categories were inadvertently excluded when the Ordinances were recodified. This Ordinance will correct the oversight.
- Fee categories are not being changed.
  - Changes to permit and plan review fees are proposed in Resolution 22-R43.
  - There are no increases to permit or plan review fees.

Sec. 103-54.- Misc. Fee Schedule

- State Building Code Surcharges are being separated to better reflect the applicable state statutes.
  - There are no changes to the fees.
- Credit Card Convenience Fee and Moving of Structure Fees were inadvertently excluded when the Ordinances were recodified.
  - There are no changes to the fees.
- Routing fees for the DPCR and permit processes are being separated.
  - Changes to routing fees are proposed in Res. 22-R43.
  - DPCR routing fees are being reduced.

Sec. 103-55.- Incentive and Optional Services

- Added fee category for optional Architectural pre-review (concurrent review) during DPCR.
  - New fees proposed in Res. 22-R43.
- Added fee category for private provider inspection and plan review services.
  - Reduced fees proposed in Res. 22-R43.
- Amending category name from Temporary Use Agreement to Temporary Certificate of Occupancy Agreement to alleviate confusion with Temporary Uses provided by Planning & Zoning.

Sec. 103-56.- Penalty Fees

- Added fee category for not having a silt fence on a construction site.
  - New fees proposed in Res. 22-R43.

ORDINANCE NO. 22-039

AN ORDINANCE BY THE CITY COMMISSION OF THE CITY OF FORT PIERCE, FLORIDA, **AMENDING CHAPTER 103, ARTICLE II "BUILDING CODE", DIVISION 2 OF THE CODE OF ORDINANCES ENTITLED "PERMIT FEES"**, SECTION 103-52 PROVIDING WHEN PERMIT FEES ARE DUE, PROVIDING FOR THE DETERMINATION OF VALUATIONS, ESTABLISHING THE ARCHITECTURAL PRE-REVIEW INCENTIVE AND PROVIDING FOR REFUND APPLICABILITY; AMENDING SECTION 103-53 PROVIDING PERMIT FEES AND PLAN REVIEW FEES; AMENDING SECTION 103-54, TO CORRECT CODIFICATION ERRORS; AMENDING SECTION 103-55 TO PROVIDE AN ADDITIONAL INCENTIVE FEE; AMENDING SECTION 103-56 TO PROVIDE AN ADDITIONAL PENALTY FEE; PROVIDING FOR SEVERABILITY; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Florida State Statute § 553.80(7) provides in part, that a schedule of reasonable fees shall be provided to be used solely for carrying out the local government's responsibilities in enforcing the Florida Building Code; and

WHEREAS, said schedule of fees also provides for fees used to carry out other departmental responsibilities outside of the purview of the Florida Building Code; and

WHEREAS, said schedule of fees shall be amended from time to time to provide adequate funding for all services provided.

NOW, THEREFORE, BE IT ORDAINED by the City Commission of the City of Fort Pierce, Florida:

SECTION 1. Chapter 103, Article II, Division 2 of the Code of Ordinances, is hereby amended as follows:

Sec. 103-52. – Fees; payment required.

(a) On all buildings, structures, sites, alterations or other activities requiring development permit compliance review (DPCR) or a building permit, as set forth in this Code and/or the state building code, a fee shall be paid as required. Plan review fees, miscellaneous fees, incentive fees, and penalty fees are in addition to the permit fee. DPCR routing fees shall be paid at the time of DPCR submittal, prior to review taking place. The plan review fee and permit routing fees shall be paid at the time of building permit submittal, prior to review taking place. The permit fee and all other applicable fees shall be paid at the time of the issuance of the permit, in accordance with the schedules set forth in this article.

(b) All incentive, optional service fees, penalty fees and miscellaneous fees shall be paid prior to such service being rendered and/or prior to final approval by the department.

(c) For the purposes of this article, the term "valuation" means the total value of work or total contract price including all materials and labor, for which the permit is being issued, including, but not limited to, electrical, gas, mechanical and plumbing equipment, permanent systems and appurtenances, including, but not limited to, equipment for which services and systems are designed for; regardless of whether the labor or materials are donated or obtained at discounted rates, overhead and profit. The building official shall make the final determination if there is a dispute regarding the valuation. The building official shall determine valuation by using the ~~total contract price~~ estimated permit value submitted at the time of application, as supported by detailed estimates at the request of the building official; or the most recent building valuation data as compiled by the International Code Council (ICC), whichever is greater.

(d) All fees provided below shall be paid per DPCR and/or permit application and per parcel of land. In the event there are multiple buildings or structures on one parcel of land, the fees provided shall be paid per building and/or structure.

(e) As an incentive, architectural pre-review during the DPCR process may be offered and provided at the discretion of the building official. The fees established for architectural pre-review are in addition to all other applicable fees and must be paid at the time the architectural review application is submitted. Revisions and resubmittals of plans reviewed during architectural pre-review will be assessed the same revision fees as building permit revised plan review fees established by resolution. If all required DPCR review agencies have completed and approved the DPCR application, the applicant will not be eligible for an architectural pre-review.

(f) For purposes of this chapter, the term *residential* shall mean a structure that is regulated by the Florida Building Code, Residential Edition.

(g) Refund of fees:

(1) Permit fees are non-refundable once the permit has been issued.

(2) Plan review fees are non-refundable once services have been rendered.

(3) Miscellaneous fees, incentive fees, optional fees and penalty fees are non-refundable.

Sec. 103-53. – Permit and plan review fee schedule.

~~Permit and plan review~~ ~~f~~Fees for the following shall be as established by resolution.

(a) Permit Fees.

(1) Additions, new buildings, manufactured buildings, mobile homes.

(d) Plumbing (water heater replacement or re-pipe only).

(8) Temporary construction trailer.

(9) Temporary power pole or temporary underground service agreement.

(10) Temporary tent.

(11) Temporary miscellaneous permit with an inspection.

(b) Plan Review Fees.

(1) First plan review.

(a) New residential construction or addition.

(b) All other permit types.

(2) Flood review fee for structures over 50 percent substantial improvement, substantial damage, new construction, or additions within the SFHA.

(3) Revised plan review.

(a) 1st revision.

(b) 2nd revision.

(c) 3rd or subsequent revision.

Sec. 103-54. – Miscellaneous fee schedule.

Fees for the following shall be as established by resolution:

(1) Appeal or variance request of floodplain management ordinances.

(2) Building code surcharges. ~~per F.S. §§ 468.631 and 553.721.~~

(a) Surcharge per F.S. §§ 468.631.

(b) Surcharge per F.S. §§ 553.721.

(3) Business tax inspection.

(4) Certificate of occupancy (CO) or certificate of completion (CC).

(5) Change of contractor.

(6) Change of subcontractor.

(7) Completion of DBPR probation forms.

(8) Conversion of paper plans to other format.

(9) Credit card convenience fee.

~~(9)~~(10) Electronic building permit processing fee.

~~(10)~~(11) Expired permit inspection to confirm that no work was performed and to close the permit.

~~(11)~~(12) Flood zone verification letter.

~~(12)~~(13) Liens and permits; summary of search and findings.

(14) Moving of structure application processing.

~~(13)~~(15) Permit extension (justifiable cause must be demonstrated for each request).

~~(14)~~(16) Permit renewal (first) (justifiable cause must be demonstrated for each request).

~~(15)~~(17) Permit renewal (second) (justifiable cause must be demonstrated for each request).

~~(16)~~(18) Permit renewal (third and each subsequent) (justifiable cause must be demonstrated for each request).

~~(17)~~(19) Permit to comply condemnations.

~~(18)~~(20) Pre-application meeting (this fee is in addition to the fee charged by planning and zoning).

~~(19)~~(21) Pre-construction meeting.

~~(20)~~(22) Re-issuance of certificate of occupancy (CO) or certificate of completion (CC).

~~(21)~~(23) Re-issuance of permit card.

~~(22)~~(24) Re-stamping of plans.

~~(23)~~(25) Routing fees.

(a) DPCR routing fee, new construction.

(b) DPCR routing fee, all other applications.

(c) Permit routing fee.

~~(24)~~(26) Subcontractor agreements.

~~(25)~~(27) Special inspector/threshold inspector required.

Sec. 103-55. – Incentive and optional service fee/reduction schedule.

Fees for following shall be as established by resolution:

(1) After-hours inspections; other than during regular working hours.

(2) Architectural pre-review during DPCR.

~~(2)~~(3) Early start request for construction.

~~(3)~~(4) Expedited plan review.

(5) Private provider inspection services.

(6) Private provider plan review services.

~~(4)~~(7) Stocking permit.

~~(5)~~(8) Temporary ~~use agreement.~~ certificate of occupancy agreement.

~~(6)~~(9) Temporary ~~use agreement~~ certificate of occupancy agreement change or extension.

Sec. 103-56. – Penalty fee schedule.

Fees for the following shall be as established by resolution:

(1) Hazardous condition on construction site.

(2) No construction bathroom on site 72 hours after a notice to correct violation (NTC).

(3) No silt fence or improper silt fence on the construction site 72 hours after NTC.

~~(3)~~(4) No trash container on site 72 hours after NTC.

~~(4)~~(5) Re-inspection:

a. First re-inspection.

b. Second and subsequent re-inspection to correct the same deficiency in the first inspection and first re-inspection.

~~(5)~~(6) Revised plan review; third or more plan revision to correct the same code violation noted in previous plan review rejections.

~~(6)~~(7) Stop-work order (SWO).

~~(7)~~(8) Uncontained trash and debris on construction site.

~~(8)~~(9) Unlawful continuance after SWO.

Secs. 103-57 – 103.85. – Reserved.

SECTION 2. The provisions of this Ordinance are declared to be severable and if any section, sentence, clause, or phrase of this Ordinance shall, for any reason, be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses, and phrases of this Ordinance but shall remain in effect, it being the legislative intent that this Ordinance shall stand notwithstanding the invalidity of any part.

SECTION 3. All ordinances or parts thereof that may be determined to be in conflict herewith are hereby repealed.

SECTION 4. This Ordinance is and the same shall become effective immediately upon final passage hereof.

ORDINANCE NO. 22-037

AN ORDINANCE BY THE CITY COMMISSION OF THE CITY OF FORT PIERCE, FLORIDA, **AMENDING CHAPTER 117,** OF THE CODE OF ORDINANCES ENTITLED **"SIGNS"**, SECTION 117-8 BY REPEALING PROVISIONS IN CONFLICT WITH § 553.792(2)(A), FLORIDA STATUTES; PROVIDING FOR SEVERABILITY; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Florida Legislature enacted the "Florida Building Codes Act" in 2001 to provide for uniform adoption, updating, amendment, interpretation, and enforcement of a single, unified statewide building code; and

WHEREAS, section 553.792, Florida Statutes, provides procedures to local government and deadlines to act on building permit applications.

NOW, THEREFORE, BE IT ORDAINED by City Commission of the City of Fort Pierce, Florida:

SECTION 1. Chapter 117 of the Code of Ordinances, is hereby amended as follows:

Sec. 117-8. – Permit Procedures

(b) *Application.* All plans and layouts for a sign or advertising structure shall be accompanied by an application which shall be filed with the building department in accordance with chapter 103 of this Code prior to the issuance of any permit. ~~The application shall be approved or disapproved by the building department within 15 days of the date it is received. In the event it is not either approved or disapproved within such period of time, it shall be deemed approved.~~ Said application shall describe and set forth the following:

(1) The type of proposed sign or advertising structure requested as defined in this chapter.

(2) The street address and legal description of the property upon which said sign is to be located.

(3) The square foot area per sign face and message content.

(4) Plans drawn to scale showing:

a. The location of all proposed signs and existing signs to be retained.

b. Complete design specifications of all proposed signs to show methods of construction and installation in accordance with the provisions of the state building code.

(5) Photographs of all existing on-site signs.

(6) The name and address of the person in control or possession of the property upon which said sign is to be located and authorization from same for possession to place said sign upon the property.

(7) The name of the person or contractor erecting the structure.

(8) Such other pertinent information as may be required by the building department.

SECTION 2. The provisions of this Ordinance are declared to be severable and if any section, sentence, clause, or phrase of this Ordinance shall, for any reason, be held to be invalid or unconstitutional, such decision shall not affect the validity of the

remaining sections, sentences, clauses, and phrases of this Ordinance but shall remain in effect, it being the legislative intent that this Ordinance shall stand notwithstanding the invalidity of any part.

SECTION 3. All ordinances or parts thereof that may be determined to be in conflict herewith are hereby repealed.

SECTION 4. This ordinance is and the same shall become effective immediately upon final passage hereof.

APPROVED AS TO FORM
AND CORRECTNESS:

_____
Tanya M. Earley
City Attorney

STATE OF FLORIDA
COUNTY OF ST. LUCIE

WE, THE UNDERSIGNED, Mayor Commissioner and the City Clerk of the City of Fort Pierce, Florida, do hereby certify that the foregoing and above Ordinance No. 22-037 was duly advertised by title only in the St. Lucie News Tribune on November 25, 2022; copy of said Ordinance was made available at the office of the City Clerk to the public upon request; said Ordinance was duly introduced, read by title only, and passed on first reading by the City Commission of the City of Fort Pierce, Florida, on Monday, December 5, 2022; and was duly introduced, read by title only, and passed on second and final reading on Monday, December 19, 2022, by the City Commission of the City of Fort Pierce, Florida.

IN WITNESS HEREWITH, we hereunto set our hands and affix the Official Seal of the City of Fort Pierce, Florida.

Request for ARPA Funds

March 13, 2023

Eligibility

- An allowable use of ARPA funds is for "government services". This category is extremely discretionary and allows for funds to be used for any service traditionally provided by a government to address public health and negative economic impacts.
- The Fort Pierce Animal Adoption Center provides essential help to homeless, unwanted, and abused animals, and requires government funding to assist with the operation of the shelter, provide veterinary care to the shelter animals as well as to provide veterinary services to the public, who have been negatively impacted due to Covid-19.
- Other jurisdictions have approved similar programs under the public sector category including:
    - Spartanburg County, SC – build new animal shelter
    - Scranton, PA – general operations of the shelter
    - Great Falls, MT – build a ‘cattery’
    - Vigo County, IN – built an addition to their shelter

Project #1

Request $100,000
for repairs and upgrades to
the FPAAC

Project #1 – HISTORY & JUSTIFICATION

On October 1, 2022, the City assumed operations of the shelter.

At take over, the City was required to fully furnish and equip the shelter to ensure the operation of the facility and the care of the animals continued uninterrupted. This included medical supplies, office supplies, furniture, computers, phones, etc.

This takeover also required, and still requires, numerous repairs and alterations to the structures and grounds to address both the health and safety of the animals, the staff and all who visit the facility.

These repairs, replacements, and alterations to the shelter facility – both past and future – are an essential government service in that it provides humane care of our stray or impounded animals.

Funding Request Details

Request funding of $100,000 to help cover the costs associated with the repair, replacement and alterations of the shelter facility including, but not limited to:

- Equipment replacement and upgrade to city specifications: telephones, computers, security systems, etc.
- Furniture replacement: desks, chairs, tables, etc.
- Structure repairs and improvements: replacing doors, installing new windows, repairing leaking AC, repairing damaged ceilings, replacing light fixtures, installing new signs, repairing dog kennels, painting, etc.
- Site improvements and repairs: electronic gate repairs, fence repairs, parking lot drainage issues, etc.

Project # 2

Request $200,000
to create an on-site, low-cost veterinary clinic

Project #2 – HISTORY & JUSTIFICATION *FPAAC ACCESS & NEEDS*

- The shelter does not currently have access to direct veterinary care.
- All animals must be transported to local veterinary offices to have all their medical needs (intake vaccinations, sterilization surgeries, general welfare issues such as skin rashes) addressed.
- This causes additional stress to the animals, who are already in a stressful condition, that can negatively affect their well-being, is not cost effective and fails to provide consistency of care to the animals.

Project #2 – HISTORY & JUSTIFICATION *PUBLIC ACCESS & NEEDS*

- For many years, the HS of SLC provided one of the few veterinary options for people with limited income to afford the necessary care for their pets. Several years ago, these services were relocated to their location in Port St. Lucie.
- Since then, residents' access to affordable pet care continued to diminish, requiring long waits for the few remaining options within our city or long drives to Vero Beach or Port St. Lucie.
- This access took an even harder hit due to Covid-19 when many veterinarian offices closed completely or severely limited access.
- There is currently only one low-cost clinic serving the City of Fort Pierce.

Funding Request Details

Request funding of $200,000 to cover the costs associated with the remodel and installation of a surgery center/veterinary clinic at the FPAAC:

- Providing an affordable option to our City residents and providing the necessary medical care to our shelter animals are essential government services.
- It will help those that were negatively impacted from Covid 19 – through both loss of income and loss of access to the necessary veterinary care required to ensure the wellbeing of their pets.
- It will provide direct, cost effective and consistent care to the shelter animals.

Questions?

THE SUNRISE CITY
FORT PIERCE
ANIMAL CONTROL
Florida

TO : Nicholas Mimms, City Manager

FROM : Peggy Arraiz, Director of Community Response

CC : Johnna Morris, Finance Director

SUBJECT : ARPA Funding Request

DATE : March 7, 2023

I am respectfully requesting your consideration of utilizing the $300,000.00 of the American Rescue Plan Act funds that have not been allocated to fund two specific programs for the Fort Pierce Animal Adoption Center.

ARPA Eligibility

1. The United States Department of the Treasury allows local governments that lost revenue during the COVID-19 pandemic to use ARPA funds for "government services". This category is extremely discretionary and allows for funds to be used for any service traditionally provided by a government to address public health and negative economic impacts.
2. The Fort Pierce Animal Adoption Center provides essential help to homeless, unwanted, and abused animals, and requires government funding to assist with the operation of the shelter, provide veterinary care to the shelter animals as well as to provide veterinary services to the public, who have been negatively impacted due to Covid-19.
3. Other jurisdictions have approved similar programs under the public sector category including:
    a. Spartanburg County, South Carolina – approved $200,000 to identify the cost and scope of building a new animal shelter.
    b. Scranton, Pennsylvania – approved $200,000 to cover the costs of supplies, medicine and general operations.
    c. Great Falls, Montana – approved $35,000 to cover the costs of completing a Cattery at their shelter.
    d. Vigo County, Indiana – approved $250,000 to expand their humane society and provide additional access and accommodations for their animal control drop-offs.

Funding Request – FPAAC Surgery Center

For many years, the Humane Society of St. Lucie County provided one of the few veterinary options for people with limited income to afford the necessary care for their pets. The City of Fort Pierce not only supported this program through direct funding to the HSSLC, but also through efforts such as our spay and neuter program. The relocation of the HSSLC to Port St. Lucie removed this option for many of our residents.

Since then, residents' access to affordable pet care continued to diminish, requiring long waits for the few remaining options within our city or for those with available transportation, long drives to Vero Beach or Port St. Lucie. This access took an even harder hit due to Covid-19 when many veterinarian offices closed completely or severely limited access.

With the departure of the recent shelter operator, the city lost another of our low-cost options and the animals housed at the facility no longer have direct veterinary care. They must be transported to local veterinary offices to have all their medical needs (intake vaccinations, sterilization surgeries, general welfare issues such as skin rashes) addressed. This causes additional stress to the animals, who are already in a stressful condition, that can negatively affect their well-being, is not cost effective and fails to provide consistency of care to the animals.

Providing an affordable option to our City residents and providing the necessary medical care to our shelter animals are essential government services. It will help those that were negatively impacted from Covid 19 – through both loss of income and loss of access to the necessary veterinary care required to ensure the wellbeing of their pets and it will provide direct, cost effective and consistent care to the shelter animals.

I am requesting funding of $200,000 to cover the cost of redesigning the old surgery suite at the shelter located at 100 Savannah Road and equipping it to provide care for the animals housed at the shelter as well as to provide an affordable veterinary option for our pet owners.

Funding Request – FPAAC Repairs and Upgrades

In October 2022, the City of Fort Pierce was required to take over the operations of the animal shelter located at 100 Savannah Road. When the former operator of the facility left, they removed all the supplies and equipment needed to properly care for the many animals that were left at the shelter. This included medical supplies, office supplies, furniture, computers, phones, etc. The City was required to replace everything to ensure that the shelter continued to be operational and that the animal care continued uninterrupted. This takeover also required, and still requires, numerous repairs and alterations to the structures and grounds to address both the health and safety of the animals, the staff and all who visit the facility.

These repairs, replacements, and alterations to the shelter facility – both past and future – are an essential government service in that it provides humane care of our stray or impounded animals. Additionally, the transfer of the shelter is the direct result of loss of funding to the prior operator that relied upon donations and similar sources of income due to Covid 19.

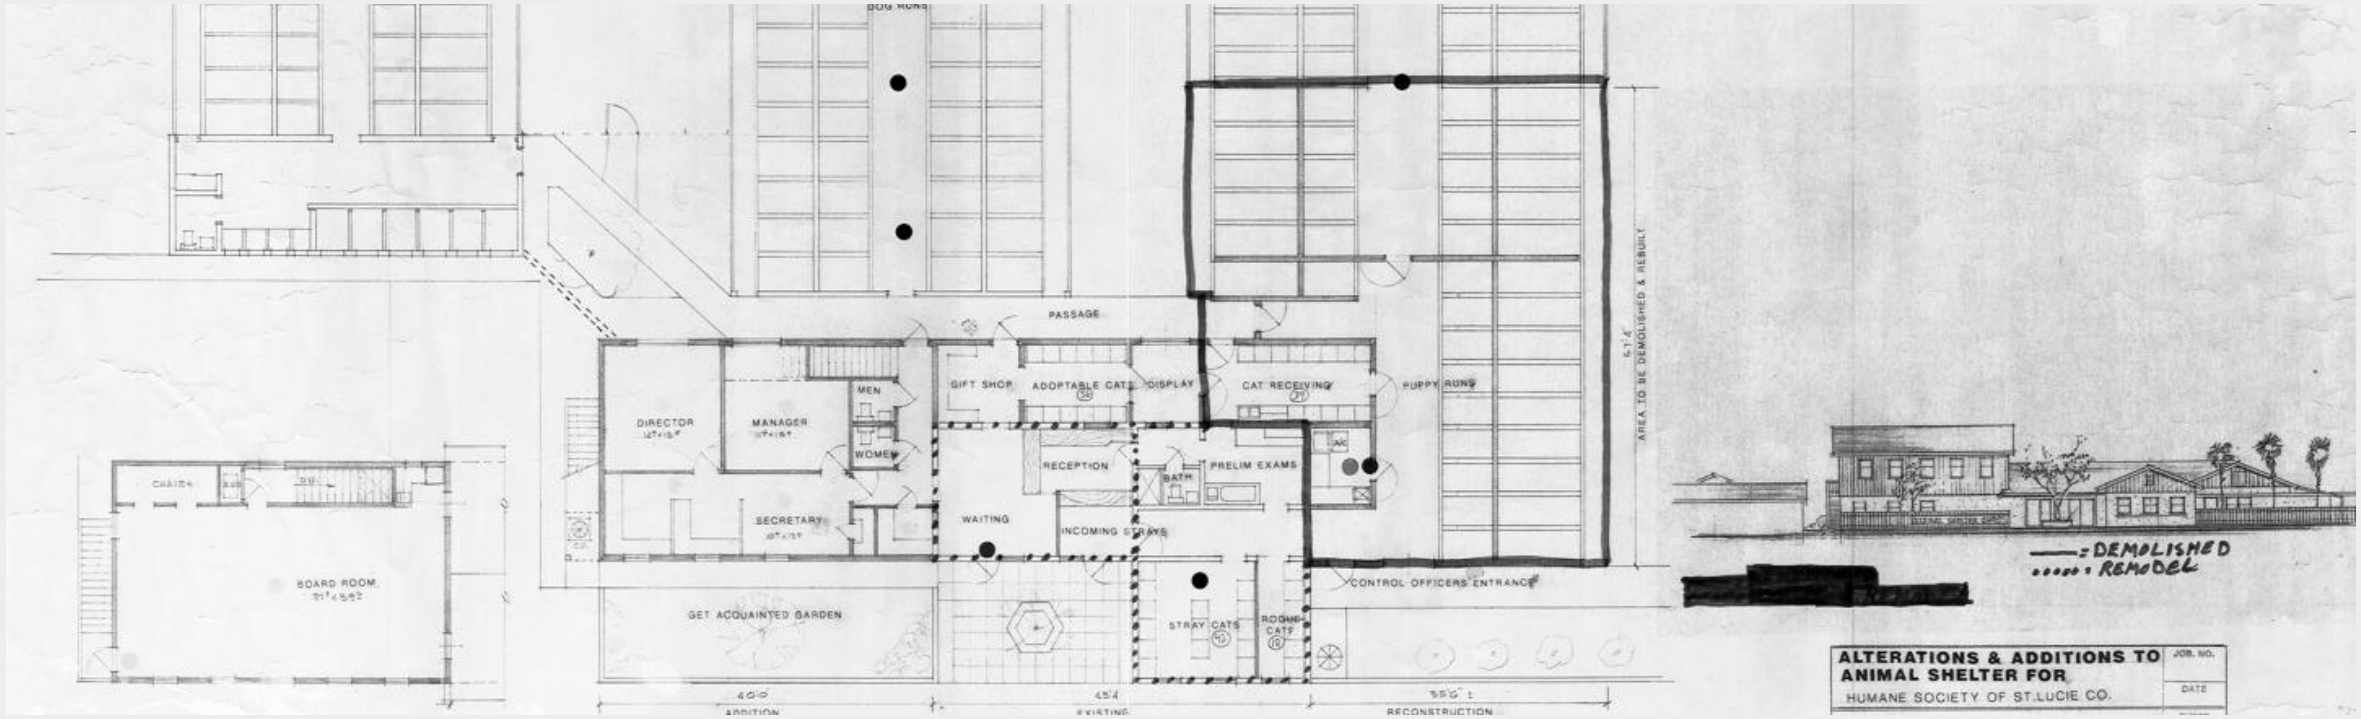
I am requesting funding of $100,000 to help cover the costs associated with the repair, replacement and alterations of the shelter facility including, but not limited to:

- Equipment replacement and upgrade to city specifications: telephones, computers, security systems, etc.
- Furniture replacement: desks, chairs, tables, etc.
- Structure repairs and improvements: replacing doors, installing new windows, repairing leaking AC, repairing damaged ceilings, replacing light fixtures, installing new signs, repairing dog kennels, painting, etc.
- Site improvements and repairs: electronic gate repairs, fence repairs, parking lot drainage issues, etc.

Summary

Addressing the deficiencies caused by the abrupt departure of the previous shelter operator will provide for a safe, clean and healthy environment for the shelter animals, staff and visitors. Establishing an on-site veterinary clinic will also benefit the shelter animals directly, reduce the risk of increased medical needs due to the to stress related to being transported to and from off-site vets, and provide a low-cost veterinary care option to our residents.

Undated plans of the shelter showing original use with exam room.



Cut-out of old plans
