# Weatherization Education Outreach Program

**FPUA Board Initiative - Community**

# History

- Budget - \$50k - \$75k Annually allocated by FMIPA for sustainability.
- WEOP V<sub>1</sub> - Past WEOP programs - exterior doors, insulation, gas water heaters, window caulking, low flow plumbing fixtures, LED light bulbs, etc.
- Previous qualification for the program has been difficult for some residents due to homestead requirements and lengthy applications, to name a few.
- WEOP V<sub>2</sub> - 2023 Data Driven (Kwh / SF) most inefficient homes – List of 100 / 37 qualified / 6 homes. All homes were considered, not just homesteaded.

# 2024 WEOP Plan

- Ultimate Goal – Reach every Resident Possible
- WEOP V<sub>3</sub> Plan:
  - First Come, First Served
  - Single One Page Waiver
  - Homes with no Insulation
  - Ceiling space must be accessible
  - Must be a FPUA Electric Customer
- Begin informational campaign in early 2024 with FPUA Public Affairs Group and local partners
- Accept and Process Waivers (running list) – Begin Installation as soon as possible
- Continue process annually until allocated budget is depleted.

# Discussion

conversation , dialogue, dialog, meaningful  
dialogue, meaningful dialog, talk , debate ,
