To Whom It May Concern,

We would like to express our appreciation and to recognize Susan Keller for the outstanding job she did and is still doing in helping us get the appropriate paperwork in for the Compliance Review and the Building Permit.

It was such a pleasure having Susan answer our questions and guide us through this process. She definitely deserves recognition for her outstanding work ethics and cheerful disposition.

Please make sure you let Susan know how much we appreciate her help. We look forward to completing the rest of the process and start building.

Warm Regards,  
Miguel and Patricia Vargas
