

Hi Mayor Hudson,

I have to let you know what a great job you did in hiring Danny Visconti as the manager of the Indian Hills Golf course. My husband and I have never been there that we haven't been greeted warmly by Danny and the folks who work or volunteer there. Danny always greets us by name even when we go there to set up a lesson, buy a new club, ask a question ... It isn't just us. I hear Danny greet others by name as well. Although there are a number of golf courses in the area, we always feel like Indian Hills is the place we feel most comfortable and keep on going back there year after year because they make us feel like family. I know that we are not the only ones who feel that way.

I have often thought to let you know what a gem Danny, his team, and Indian Hills are and decided on this rainy day to sit down and let you know our thoughts.

Sincerely,

Margo and Steve Kelley
