Re: Law Enforcement Trust Fund Request

Dear Chief Diane Hobleby-Burney:

In the Image of Christ is a non-profit organization that has been serving the community since 2001 when the AIDS epidemic was at its worst in the city of Fort Pierce, Florida. Now we offer charitable services, health programs, educational training, emergency shelter, food, and prevention outreach to address health disparities in our community.

One of our successful programs is the Directed Growth Girls Program (DGGP). It is held in one of our facilities located at 707 N 7th Street, Fort Pierce, Florida. This program has taught many of our young women (ages 13 to 18) how to avoid risky behaviors and situations that leads to teenage pregnancy, drug abuse, and STD's. This program, in its seventh year, has positively influenced over 350 girls thus far, with life changing impacts.

For this program, we have a vital need for funds to be used for educational events. For this effort, we are requesting support from the Law Enforcement Trust Fund.

With your support, we know that this program will continue to impact many young lives!

Thank you so much for all you do! If you have any questions please feel free to contact me.

Sincerely,

Philippians 1:20-21

21. According to my earnest expectation and my hope, that in nothing I shall be ashamed, but that with all boldness, as always, so now also Christ shall be magnified in my body whether it be by life, or by death. 21. For to me to live Christ, and to die is gain.
